On 04 MAY 2005 at 2230 hrs 1/11 ACR Scouts Alpha team with the addition of myself from the 1/11 mortars platoon arrived on the scene where a red hatchback had been sighted by snipers conducting suspisious activity. Upon arriving the vehicle was nearby and matched the description provided. When ordered to halt the driver of the vehicle looked to his passenger then proceeded to board the vehicle and accelerate. [redacted] Ex 1 [redacted]. The driver was visibly moving inside the vehicle so several soldiers shouted and motioned for him to get out of the vehicle. He got out and colapsed onto burning fuel which was pooled under and near the vehicle. Two soldiers and myself approached to attempt to rescue him. The soldiers advanced closer while I pulled security aproximately 25 feet from the patient. One soldier attempted to extinguish the fire but it seemed to have no effect, then they attempted to have one spray the extinguisher while the other tryed to get a hold of him and pull him to safety. It was too hot and didn't work. A additional soldier arrived with another extinguisher but was also of no use. [redacted]

The fire grew large, and we were ordered to back away. A short time later the patient let out a terible scream followed by another. It appears that was when he expired. I later came to find out the passanger never exited the vehicle.

Over an hour later the Iraq Police arrived along with a fire truck. They doused the flames which were still going strong. They declared both men were obviously dead and proceeded to take over the scene.

This occured at grid [redacted]. we were headed North on Rt. Brewer. The vehicle in question was southbound [redacted] During the time between pulling back and the I.P. arriving there were several [redacted] Explotions which occured. Two of the explotions were loud and protuced large sparks or flames. The third was lesser and I noticed no visual input. Someone suggested the third was a tire popping. //////////////// Nothing Follows //////////////

Prior to us arriving we got a report from our sniper [redacted] team informing us of a suspicious vehicle stopped in the South bound lane of RTE Brewers. I was the gunner of the lead vehicle HHT 17. As we saw the car stopped we stopped our movement in the north bound lane. The truck behind me was HHT 11. his gunner spot lighted them as his T.C. Yelled at them to step away from the car. [redacted] Ex 1

[redacted] One of our guys ran up to the car with a fire extinguisher and tried to pull the driver out but couldn't. There was an explosion from the trunk which seemed to make the flames worse. A second guy ran up to try to put out the driver with a second extinguisher but couldn't. The guy burned to death in the car. We secured the sight until Charlie troop relieved us with IP's and EOD cleared the sight. EW
