I was approximately 100 meters away from the scene of a shooting by U.S. forces on a local national Iraqi. I did not see the event take place, however I heard the yelling and shots. I distinctly heard two shots fired within a few seconds of eachother sounding like warning shots. Shortly after I heard a lot of shots fired togeather. I heard them (U.S. soldiers) yelling and ran to the scene to see a vehicle that had been shot. Then the vehicle was checked and the local nationals were removed and I began treatment. Nothing follows
