MEMORANDUM TO Commander, rask Force 1-156, FOB

SUBJECT: Commanders Inquiry on 24FEB05

- 1. The purpose of this memorandum is to inform the chain of command on the facts surrounding the on 24 FEB 05.
- 2. On the evening of 23 FEB 05, the SSG and SGT 1 where deployed in **Vvid** ), the intersection of , to observe a known IED site with recent activity. The two soldiers occupied their hide position and began their observation. Upon reconnaissance of the site, they discovered a wire leading from the old IED site to a hide position. The wire was removed and secured at their location. At approximately 0938 on 24 FEB 05, the team observed a local national male approach the IED site where the wire had been removed. The man was seen carrying a white bag which appeared to be heavy. It was reported that the man appeared to be searching for the wire. He followed the same trail to the hide position from which the wire had been removed earlier. Upon not finding the wire, the male then moved to a second know IED location in the same vicinity. At the second location, the man was met by three other local national males. All four males appeared to be 20 to 30 years of age. At the second location, the first male laid the bag down and began digging a hole beside the radioed the section, lead by SSG to inform them of the situation and request guidance. It was relayed back to the The first male was engaged and struck in the chest. The other three males fled the scene, placing both the shovel and the white bag in a white truck. Two fled by foot and the other by a white truck. The male fleeing by the white truck was unable to be detained, causing the shovel and white bag not to be recovered. The male was air evacuated and die of wounds. One of the other remaining two who fled by foot was captured and detained. He has been identified as Ahmed Abdul-Ghaffer

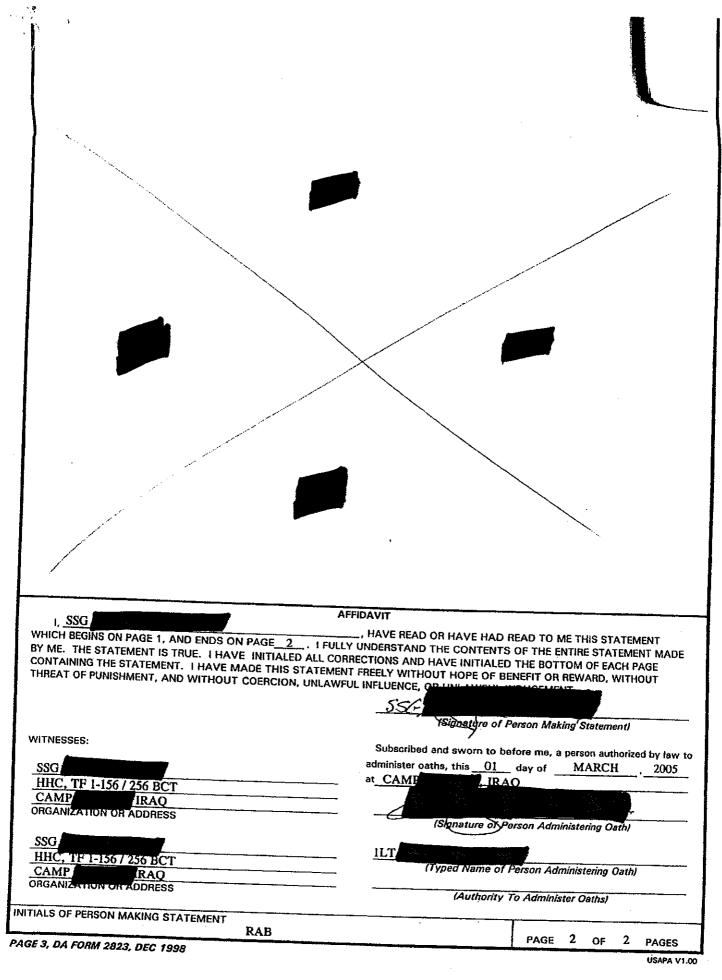

3. Given the actions of the local national male the Rules of Engagement were followed.
