I, 2LT [redacted], WANT TO MAKE THE FOLLOWING STATEMENT UNDER OATH:

At 0300 hrs we were told that we could not SP [redacted] @0100 because of a possible VBIED at vic [redacted]. At 0313 we were told to SP and go and linkup with the IPs who were securing the possible VBIED. Once we linked up with the IPs who were approx 30 meters from the possible VBIED I asked for the reason behind the report. They said they were concerned ~~about the car~~ because it had been there since 252200 [illegible]. I told them that it was close to curfew so maybe the guy wanted to get off the street. He then proceeded to tell me that 2 months ago a VBIED was left across the street and EOD found that it had 750 lbs of explosives in it. The cars suspension was not weighted and the IPs had done a visual search of the inside of the car, and found nothing. I called [redacted] and told them that I had linked up with the IPs and they did a visual search of the car and saw nothing. As I was passing that info the IPs asked if I would call EOD, and I asked them why they did not call their own EOD. They responded that all of their EOD had been killed 2 days earlier in an explosion. I relayed that [redacted] as well.

[redacted] responded that I should continue mission and drive by the site every 30 minutes w/ in a distance of 300m. As ~~soon~~ we were mounting up [redacted]

[redacted] asked me if I could "confirm 100%" that the vehicle was not a VBIED. I did not touch the car, open any ~~compart~~ ~~[illegible]~~ compartments, look under the car, in the gas tank or under the hood, so I said, "No, I cannot confirm 100% that this vehicle was not a VBIED [redacted] told us to cordon the area and wait for EOD to arrive NLT 0530 EOD arrived and linked up with the OIC. I pointed at the maroon, mitsubishi galant, with [redacted]. He verified the car and prepared the robot to take the charge to the car. Once the robot put the explosives by the trunk of the car, he told me to call [illegible] and request 10 minute delay controlled detonation. I did and was told to stand by. ~~At appr 0600 hrs~~ we were given the green light and we called to all [illegible] [redacted] elements in the area the situation. We did calls at 10 minutes, 5 minutes, and at 1 minute mark the interpreter told people to stay in their homes and in arabic and english "Fire in Hole!" 3 times. All soldiers got in the vehicles at the 1 minute mark and everyone got down, until at least 20 seconds after the detonation. Once the car trunk was detonated and the proper time elapsed, the EOD LT told me that he was

going to check on the car to see BDA and any other explosive present. Once we and I guards were found to be by what had happened and there were no explosives he signaled me and the remaining BDA were found from there I was instructed there were no explosives present in or on the vehicle per BDA. BDA left soon after.

I, [redacted], WANT TO MAKE THE FOLLOWING STATEMENT UNDER OATH:

at approximately 0315 we rolled out to check out a possible VBIED on route [redacted]. We arrived about 10 minutes latter. We linked up with 2 EP patrol cars. The patrols explained the situation to Lt. [redacted]. We then went into a cordon blocking traffic. My truck, Sgt. [redacted], Sgt. [redacted] and myself covered an alleyway running north about 150 meters to the west of the public VBIED. We maintained guard until about 0520 when 3 trucks from Delta Company 3rd platoon. They were integrated into our cordon. Near the possible VBIED there was another vehicle. A small orange red hatchback. I did not get to see the possible VBIED that well. Near 0550 hours the Eod team showed up. They deployed their robot. All I saw was the robot probing the orange red near our position. At about 0600 we were given a 10 minute countdown for a controlled detonation. The Eod team was going to blow

After a few minutes I observed robot moving away. Received a 10 minute warning at which time I backed the vehicle up behind a wall paralleling the street I was on. I was out of view of target vehicle. Heard detonation and waited for the all clear. I was the driver for [redacted], the middle patrol element.
