FOIPA No. 1021230- 001

Dear Mr. Heiden:

The enclosed documents were reviewed under the Freedom of Information/Privacy Acts (FOIPA), Title 5, United States Code, Section 552/552a. Deletions have been made to protect information which is exempt from disclosure, with the appropriate exemptions noted on the page next to the excision. In addition, a deleted page information sheet was inserted in the file to indicate where pages were withheld entirely. The exemptions used to withhold information are marked below and explained on the enclosed Form OPCA-16a:

9 page(s) were reviewed and 9 page(s) are being released.

- Document(s) were located which originated with, or contained information concerning other Government agency(ies) [OGA]. This information has been:
  - referred to the OGA for review and direct response to you.
  - referred to the OGA for consultation. The FBI will correspond with you regarding this information when the consultation is finished.

You have the right to appeal any denials in this release. Appeals should be directed in writing to the Co-Director, Office of Information and Privacy, U.S. Department of Justice, 1425 New York Ave., NW, Suite 11050, Washington, D.C. 20530-0001 within sixty days from the date of this letter. The envelope and the letter should be clearly marked "Freedom of Information Appeal" or "Information Appeal." Please cite the FOIPA number assigned to your request so that it may be easily identified.

The enclosed material is from the main investigative file(s) in which the subject(s) of your request was the focus of the investigation. Our search located additional references, in files relating to other individuals, or matters, which may or may not be about your subject(s). Our experience has shown, when ident, references usually contain information similar to the information processed in the main file(s). Because of our significant backlog, we have given priority to processing only the main investigative file(s). If you want the references, you must submit a separate request for them in writing, and they will be reviewed at a later date, as time and resources permit.

See additional information which follows.

Sincerely yours,

## EXPLANATION OF EXEMPTIONS

### SUBSECTIONS OF TITLE 5, UNITED STATES CODE, SECTION 552

- (b)(1) (A) specifically authorized under criteria established by an Executive order to be kept secret in the interest of national defense or foreign policy and (B) are in fact properly classified to such Executive order;
- (b)(2) related solely to the internal personnel rules and practices of an agency;
- (b)(3) specifically exempted from disclosure by statute (other than section 552b of this title), provided that such statute(A) requires that the matters be withheld from the public in such a manner as to leave no discretion on issue, or (B) establishes particular criteria for withholding or refers to particular types of matters to be withheld;
- (b)(4) trade secrets and commercial or financial information obtained from a person and privileged or confidential;
- (b)(5) inter-agency or intra-agency memorandums or letters which would not be available by law to a party other than an agency in litigation with the agency;
- (b)(6) personnel and medical files and similar files the disclosure of which would constitute a clearly unwarranted invasion of personal privacy;
- (b)(7) records or information compiled for law enforcement purposes, but only to the extent that the production of such law enforcement records or information ( A ) could be reasonably be expected to interfere with enforcement proceedings, ( B ) would deprive a person of a right to a fair trial or an impartial adjudication, ( C ) could be reasonably expected to constitute an unwarranted invasion of personal privacy, ( D ) could reasonably be expected to disclose the identity of confidential source, including a State, local, or foreign agency or authority or any private institution which furnished information on a confidential basis, and, in the case of record or information compiled by a criminal law enforcement authority in the course of a criminal investigation, or by an agency conducting a lawful national security intelligence investigation, information furnished by a confidential source, ( E ) would disclose techniques and procedures for law enforcement investigations or prosecutions, or would disclose guidelines for law enforcement investigations or prosecutions if such disclosure could reasonably be expected to risk circumvention of the law, or ( F ) could reasonably be expected to endanger the life or physical safety of any individual;
- (b)(8) contained in or related to examination, operating, or condition reports prepared by, on behalf of, or for the use of an agency responsible for the regulation or supervision of financial institutions; or
- (b)(9) geological and geophysical information and data, including maps, concerning wells.

### SUBSECTIONS OF TITLE 5, UNITED STATES CODE, SECTION 552a

- (d)(5) information compiled in reasonable anticipation of a civil action proceeding;
- (j)(2) material reporting investigative efforts pertaining to the enforcement of criminal law including efforts to prevent, control, or reduce crime or apprehend criminals;
- (k)(1) information which is currently and properly classified pursuant to an Executive order in the interest of the national defense or foreign policy, for example, information involving intelligence sources or methods;
- (k)(2) investigatory material compiled for law enforcement purposes, other than criminal, which did not result in loss of a right, benefit or privilege under Federal programs, or which would identify a source who furnished information pursuant to a promise that his/her identity would be held in confidence;
- (k)(3) material maintained in connection with providing protective services to the President of the United States or any other individual pursuant to the authority of Title 18, United States Code, Section 3056;
- (k)(4) required by statute to be maintained and used solely as statistical records;
- (k)(5) investigatory material compiled solely for the purpose of determining suitability, eligibility, or qualifications for Federal civilian employment or for access to classified information, the disclosure of which would reveal the identity of the person who furnished information pursuant to a promise that his/her identity would be held in confidence;
- (k)(6) testing or examination material used to determine individual qualifications for appointment or promotion in Federal Government service the release of which would compromise the testing or examination process;
- (k)(7) material used to determine potential for promotion in the armed services, the disclosure of which would reveal the identity of the person who furnished the material pursuant to a promise that his/her identity would be held in confidence.

ADVANCE ALERT FOR A STATEWIDE  
DEMONSTRATION AT  
BRUNSWICK NAVAL AIR STATION  
SAT., SEPT. 10, 2005  
TIME: T.B.A.

Sure, we know that September seems a long way off. But we wanted you to be aware early on that a statewide demonstration is being planned for the Brunswick Naval Air Station (BNAS) on Sat., Sept. 10. (So, circle the date

on your calendar right now, while you're thinking about it.)

6/28/2005 b2

What's the event that brings us to gather at the gates of BNAS on Sept. 10?

Well, that's the date (and the following day) that the Navy's "Blue Angels" six-plane squadron will perform in Maine. They'll be here to put on their famous Air Show ("infamous" is a better word, since the No. 1 objective of the Blue Angels' "top-gun" performances around the country is to promote Navy recruiting).

Thousands of Maine families and their goggle-eyed kids are expected to take advantage of this rare opportunity to see the Blue Angels do their precision-formation stunts in their \$32 million F-A 18 Hornets, capable of going twice the speed of sound.

To get an idea of how much these Blue Angels' aerial acrobatics cost American tax payers, the six planes, in their 7-minute performance at BNAS, will use up over 8,000 gallons of jet fuel (approx. \$20,000). They put on some 71 shows nationwide plus 49 practice shows in Pensacola, Fla. Those millions of dollars would go a helluva long way in helping badly underfunded schools, people without health care, and many other long-neglected social needs.

Apart from the obscene dollar cost of putting on these "bread and circus" extravaganzas, one can sense an evil that can be characterized as a worshipful idolatry of weapons -- a false-god idolatry, which the Pentagon is seeking to cultivate in the consciousness of the awe-struck viewers of the Blue Angels.

To this, our emphatic response to the war makers is: Worship Not Gods of War!

We feel certain that you will share our determination to get this message out to the people flocking to BNAS on Sept. 10.

In addition, BNAS also has been actively involved in the war in Iraq by sending its reconnaissance and surveillance aircraft to the war zone to help identify targets on the ground.

We'll be updating you at frequent intervals on all the details for the big Sept. 10 demonstration. But, as we said at the beginning, we wanted to

give  
you an early head's up on what promises to be a major Northern New  
England  
Peace Event. We look forward to having you with us.

Maine Veterans for Peace invites all peace groups to contact us if your  
organization would like to be listed as a co-sponsor of this event.

On behalf of the planning committee,

Jack Bussell

Subject: [ME\_PandJ] UPDATE ON SEPT 10 BLUE ANGELS DEMO AT NASB

This is a multi-part message in MIME format.

Report from September 10 Demo Planning Committee  
"Real Angels Don't Drop Bombs"

The planning committee for the Veterans for Peace statewide demonstration on September 10 protesting the Navy's "Blue Angels" air show at Naval Air Station Brunswick (NASB) met on June 25. Present were

Due to the fact that the Navy will open the gates at NASB at 10:00 am on September 10, it was decided that we would begin our march just before 9:00 am that morning from the downtown mall in Brunswick. We will urge people to begin gathering just after 8:00 am. [Redacted] clocked the march route to the base and it is 2.3 miles. Bike lanes are on both sides of Bath Road the entire way to the base. We estimate the peace march will take one hour. (We must secure a van to trail the march to pick up people who have trouble. We will also need a medical crew.) We will request that Veterans for Peace members wear their black shirts and serve as peacekeeper/road guards along the march route.

On the way to NASB we expect traffic to be at a virtual standstill. The Navy estimates 100,000 people attending the air show that weekend. Two leaflets have been drafted [Redacted] and were reviewed. They will be used for distribution to people in cars as the march heads toward the base. A leaflet advertising the demonstration will be put together by [Redacted] ASAP. (Please let [Redacted] know if you'd like a copy of the leaflet and he will send you the downloadable file or a white printout of the leaflet so you can distribute copies.)

[globalnet@mindspring.com](mailto:globalnet@mindspring.com)

Once at the main gate of NASB the group will vigil and continue handing out leaflets. Depending on the traffic flow, a rally featuring speakers and music will begin after 11:00 am. [redacted] (Voices in the Wilderness) and [redacted] (Gold Star Families for Peace) have agreed to be with us. [redacted] is checking with Emma's Revolution about singing at the demonstration.

b6  
b7C

[redacted] has agreed to lead a candlelight vigil at the main gate of the base beginning just after 6:00 pm on Friday, September 9. Several people have already volunteered to join her for the all-night vigil. (They will remain at the gate while the march heads toward NASB from the Brunswick mall.) Anyone who is interested in joining the candlelight vigil can contact [redacted] at [redacted]@mindspring.com

We are urging people to write letters to editor of their local papers, beginning one month prior to the action, expressing opposition to the Blue Angels air show at NASB. Our four key talking points are: (1) The air show is an idolatry of weapons that promote endless war (2) The cost of the air show and the war in Iraq reveals our misplaced social priorities (3) The air show is a recruiting gimmick (4) We need to convert the military industrial complex to sustainable technology development.

[redacted] will talk with the Brunswick Police Dept. about the planned activities. We will arrange to have legal observers on hand.

b6  
b7C

We are inviting peace groups in the state to be listed as co-sponsors on our leaflet for this Veterans for Peace action. So far the following groups have signed on: Pax Christi Maine, PeaceWorks, WILPF, Peace Action Maine, Smilin'Trees Disarmament Farm, Global Network Against Weapons & Nuclear Power in Space, Maine Coalition for Peace & Justice, Island Peace & Justice, Winthrop Area People for Peace and Waldo County Peace & Justice. Please let [redacted] know if you'd like your organization to be listed.

The next planning meeting of the September 10 planning committee will be held at the Cabin Pizza joint following the July 23 Aegis "christening" demonstration in Bath. Contact Jack Bussell for details on the exact time/place of the Aegis event. [jafabussell@gwi.net](mailto:jafabussell@gwi.net)

Subject: [ME\_PandJ] Fw: Gathering At Bath Iron Works July 23rd

b6  
b7c

----- Original Message -----

From: Jack Bussell

At 11 AM, Saturday, July 23rd, Bath Iron Works will "christen" another Arleigh Burke Class destroyer, the USS Farragut, DDG 99.

Maine Veterans For Peace, Pax Christi Maine, Peace Action Maine, Global Network Against Weapons and Nuclear Power in Space, Smilin' Tree Disarmament Farm and other Maine activist organizations and Maine Citizens will, once again, gather in front of Bath Iron Works to ask that BIW convert from building weapons of war to building products for peace and the environment.

The ceremony is scheduled for 11 AM. Gates open at 9 AM. We will gather at 8:30 AM across the street from the Bath Iron Works administration building on Washington. The VIP delegation enters BIW a different way than visitors. Depending on numbers we may split our gathering between this spot and the South Gate on Washington, between Spring and Castine streets. Appropriate signs and attitudes desired. Our theme will be conversion rather than closure.

Costing approximately \$1 billion each, with a nuclear capacity of 850 Hiroshima's, it is a weapon of mass destruction. The monies would be better spent for building the windmills for alternative energy project (i.e. the Mars Hill project windmills are built at a converted shipyard in Denmark), hospital ships, floating classrooms, rather than weapons for war whose only use is to kill something?

IN THIS TIME OF WAR AND SLASHING OF SOCIAL PROGRAMS IT IS IMPERATIVE THAT WE HAVE A GOOD TURN-OUT TO SPEAK TRUTH TO POWER.

SO JOIN US: MAINE VETERANS FOR PEACE, PEACE ACTION MAINE, PAX CHRISTI MAINE, GLOBAL NETWORK AND SMILIN' TREE DISARMAMENT FARM AND OTHER ACTIVISTS AT BATH IRON WORKS AT 8:30 AM ON JULY 23RD

The Aegis Capability And Weapons Systems, murderous to behold:

- . The Arleigh Burke Class destroyer it is 1,528 feet long, 194 feet wide and can reach speeds of 30+ knots with a range of 6,000 miles (at 20 knots). 279 Sailors and 24 officers are aboard.
- . 56 Tomahawk cruise missiles each nuclear capable with a 200 kt warhead (the Hiroshima bomb was 15 kt and Nagasaki bomb 20 kt). Conventional warhead is 1,000 pounds of high explosive or equivalent in cluster bombs that are so devastating to civilian populations.
- . 8 Harpoon Anti-Ship missiles: A 570 pound high explosive warhead.
- . 68 Surface to Air Missiles that travel at mach 2.5 with various conventional high explosive warheads (a comment in one of the Janes's books on this warhead was "...or nuclear in due course.").
- . 20 Honeywell ASROC (Anti-Submarine Rocket): Range of 1 to 6 miles.
- . MK-46 torpedoes with convention high explosive or a 1 kt nuclear warhead.

- . 1 - 5" (127mm) forward mounted gun which fires 20 rounds a minute up to 14 miles.
- . 2 GE/General Dynamics 20mm Vulcan Phalanx 6 barreled system which fires 3,000 to 4,500 rounds per minute up to 1 mile. Phalanx ammunition contains a depleted uranium penetrator.
