

**ANSWER: D. 85%**

The USA/Patriot Act vastly expanded the government's authority to spy on its own citizens and eroded government checks and balances including judicial oversight. Congress and the Bush administration told us the bill would prevent future terrorist attacks, but 85% of the cases that have been prosecuted under the Patriot Act are NOT related to terrorism.

**TRUE**

Prior to the first Bush administration in 2000, U.S. presidents collectively issued 322 "signing statements", which give the President the ability to refuse to enforce provisions of laws signed into effect. Since G.W. Bush took office, he has issued over 800 signing statements – more than all other presidents combined!

**ANSWER: B. \$1 BILLION**

Since 1996, nearly \$1 billion in federal and state matching funds have been committed to abstinence-only education. Abstinence-only programs often promote alarmist misinformation about sexual health and force-feed students religious ideology that condemns homosexuality, masturbation, abortion, and contraception. In doing so, they endanger students' sexual health.
