Title: FBIHQ
MILITARY LIAISON AND DETAINEE UNIT
AFGHANISTAN

Synopsis: Request FBI Lab conduct DNA examination on enclosed samples.

Enclosure(s): Nine (9) DNA samples sent under separate cover

Details: The following nine DNA samples were obtained in Afghanistan. In order to make a positive identification, it is requested that the DNA sample taken from an individual recently killed by U.S. Military forces in Afghanistan believed to be [Redacted] be expeditiously compared to a DNA sample taken from [Redacted] s father which was submitted to the FBI Lab approximately 9 months ago.
