3.3.1.5 All pagers for activations/deactivations will be pro-rated based on the date of activation or deactivation.

Monthly reports must be provided on CD by the 15th day of the month following the reporting period to the OIT Telephone Billing Section regarding purchases of equipment or service associated with any contract resulting from this RFP in a format specified and approved by the State. (Microsoft Access and Excel are preferred.) The following reports must be included; others may be presented for consideration.

3.5 ENHANCED IN BUILDING WIRELESS COVERAGE

Reliable wireless coverage is not always possible within some of the State's facilities. This coverage can be greatly improved by the installation of internal receiving antennas and relay sites within these facilities (Bi-directional Amplifiers). The bidder is encouraged to propose equipment that can be installed within these facilities, which must accomplish the following:

- Enhance reception and transmission of cellular telephone signals for all cellular vendors.
- Enhance the reception and transmission of pager and wireless data signals for all vendors.

☐ Comply  ☐ Non-Comply

The bidder must provide details regarding the proposed system(s) on Schedule M of this RFP.
3.6 SHORT-RANGE, POINT-TO-POINT WIRELESS LINKS

High-speed, fixed, wireless connectivity is an increasingly popular way to link WLAN segments. In many instances, multiple buildings form a functional entity in which the people in the various sites need to function as if they are under one roof. This type of environment is commonly called a campus environment. Examples of campus environments include multi-building corporate complexes; university and college campuses; schools within a school board district; metropolitan (municipal) governments operating out of multiple buildings; hospitals; utilities; and metro disaster-recovery networks. A number of wireless-technology choices are available for interconnecting the buildings within a campus LAN. These tend to boil down to the following basic categories:

- Free-air optics
- 60-GHz, 5.8-GHz and 24-GHz unlicensed
- Licensed 6 to 38 GHz

3.1.6.2 Bidder must provide a complete solution including site analysis, installation, frequency licensing, if necessary, and final testing.

☐ Comply  ☐ Non-Comply

The bidder shall provide detail regarding the proposed system(s) on Schedule N of this RFP.

4.0 PROPOSAL PREPARATION AND SUBMISSION

4.1 GENERAL

The bidder must follow instructions contained in this RFP and in the bid cover sheet in preparing and submitting its bid proposal. The bidder is advised to thoroughly read and follow all instructions.

The information required to be submitted in response to this RFP has been determined to be essential in the bid evaluation and contract award process. Any qualifying statements made by the bidder to the RFP’s requirements could result in a determination that the bidder’s proposal is materially non-responsive. Each bidder is given wide latitude in the degree of detail it elects to offer or the extent to which plans, designs, systems, processes and procedures are revealed. Each bidder is cautioned, however, that insufficient detail may result in a determination that the bid proposal is materially non-responsive or, in the alternative, may result in a low technical score being given to the bid proposal.

4.2 PROPOSAL DELIVERY AND IDENTIFICATION

In order to be considered, a bid proposal must arrive at the Purchase Bureau in accordance with the instructions on the RFP cover sheet. Bidders submitting proposals are cautioned to allow adequate delivery time to ensure timely delivery of proposals. State regulation mandates that late bid proposals are ineligible for consideration. THE EXTERIOR OF ALL BID RESPONSE PACKAGES MUST BE LABELED WITH THE BID IDENTIFICATION NUMBER, FINAL BID OPENING DATE AND THE BUYER’S NAME. All of this information is set forth at the top of the RFP cover sheet (page 3 of the RFP).

4.3 NUMBER OF BID PROPOSAL COPIES

Each bidder must submit one (1) complete ORIGINAL bid proposal, clearly marked as the "ORIGINAL" bid proposal. Each bidder should submit three (3) full, complete and exact copies of the original. Bidders
failing to provide the requested number of copies will be charged the cost incurred by the State to produce the requested number of copies. It is suggested that the bidder make and retain a copy of its bid proposal.

4.3.1 The bidder may, at its option, submit electronic copies of the bid proposal on externally labeled CD ROMs along with one printed original as requested in Section 4.3. The CD ROM copies must be exact duplicates of the printed original and will eliminate the need for the printed copies requested in Section 4.3. The data on the CD ROM must be in Microsoft Word, PDF, or Excel format, or a combination thereof. CD ROM's may be substituted during the term of the contract, if necessary, to reflect any contract changes accepted by the State.

4.4 PROPOSAL CONTENT

The bid proposal should be submitted in one volume and that volume divided into four (4) sections as follows:

- Section 1 - Forms (Section 4.4.1)
- Section 2 - Technical Proposal (Section 4.4.2)
- Section 3 - Organizational Support and Experience (Section 4.4.3)
- Section 4 - Cost Proposal (Section 4.4.4)

These sections should be prepared with tabs (separators), and the content of the material located behind each tab.

4.4.1 SECTION 1 – FORMS

The following items should be included with Section 1 of the proposal.

4.4.1.1 OWNERSHIP DISCLOSURE FORM

In the event the bidder is a corporation or partnership, the bidder must complete the attached Ownership Disclosure Form. A completed Ownership Disclosure Form must be received prior to or accompany the bid proposal. Failure to do so will preclude the award of the contract.

The Ownership Disclosure Form is attached as Attachment 1 to this RFP.

4.4.1.2 MACBRIDE PRINCIPLES CERTIFICATION

The bidder must complete the attached MacBride Principles Certification evidencing compliance with the MacBride Principles. Failure to do so may result in the award of the contract to another vendor.

The MacBride Principles Certification Form is attached as Attachment 2 to this RFP.

4.4.1.3 AFFIRMATIVE ACTION

The bidder must complete the attached Affirmative Action Employee Information Report, or, in the alternative, supply either a New Jersey Affirmative Action Certificate or evidence that the bidder is operating under a Federally approved or sanctioned affirmative action program. The requirement is a precondition to entering into a valid and binding contract.

The Affirmative Action Forms are attached as Attachment 3 to this RFP.

4.4.1.4 SET ASIDE CONTRACTS - (NOT APPLICABLE TO THIS PROCUREMENT)

4.4.1.5 BID BOND - (NOT APPLICABLE TO THIS PROCUREMENT)

4.4.1.6 REGISTRATION WITH DIVISION OF REVENUE

The bidder must submit proof of valid registration with the Division of Revenue, and, if applicable, by every subcontractor of the bidder, with the bidder's bid.
4.4.17 AGREEMENT TO EXTEND

Bidders who desire to extend to Quasi-State Agencies, Counties, Municipalities, School Districts, County Colleges and State Colleges must complete form PBCOP1, see Attachment 4.

4.4.2 SECTION 2 - TECHNICAL PROPOSAL

In this Section, the bidder shall describe its approach and plans for accomplishing the work outlined in the Scope of Work Section, i.e., Section 3.0. This section of the bid proposal should contain at least the following information. This section of the bid proposal must include a copy of Section 3.0 of the RFP with the completed "comply," and "non-comply" checkboxes, as well as completed Schedules A through N.

4.4.2.1 MANAGEMENT OVERVIEW

The bidder shall set forth its overall technical approach and plans to meet the requirements of the RFP in a narrative format. This narrative should convince the State that the bidder understands the objectives that the contract is intended to meet, the nature of the required work and the level of effort necessary to successfully complete the contract. This narrative should convince the State that the bidder's general approach and plans to undertake and complete the contract are appropriate to the tasks and subtasks involved.

Mere reiterations of RFP tasks and subtasks are strongly discouraged, as they do not provide insight into the bidder's ability to complete the contract. The bidder's response to this section should be designed to convince the State that the bidder's detailed plans and approach proposed to complete the Scope of Work are realistic, attainable and appropriate and that the bidder's bid proposal will lead to successful contract completion.

4.4.2.2 DETAILED TECHNICAL REVIEW

The bidder shall address in narrative format each of the subsections contained in Section 3.0 (Scope of Work). For example the bidder should clearly define the number of the subsection and address each individual subsection individually. These narratives should convince the State that the bidder's proposal meets the requirements of each subsection.

4.4.2.3 EMERGENCY PREPAREDNESS

The bidder shall address plans for disaster recovery. Also, plans should provide for additional cell coverage at special events or emergencies where large gatherings of people require an abnormal need for cellular service on a temporary basis.

4.4.2.4 CONTRACT MANAGEMENT

The bidder should describe its specific plans to manage, control and supervise the contract to ensure satisfactory contract completion according to the required schedule. The plan should include the bidder's approach to communicate with the State Contract Manager including, but not limited to, status meetings, status reports, etc.

4.4.2.5 CONTRACT SCHEDULE

The bidder should include a contract schedule. If key dates are a part of this RFP, the bidder's schedule should incorporate such key dates and should identify the completion date for each task and sub-task required by the Scope of Work. Such schedule should also identify the associated deliverable item(s) to be submitted as evidence of completion of each task and/or subtask.
The bidder should identify the contract scheduling and control methodology to be used and should provide the rationale for choosing such methodology. The use of Gantt, Pert or other charts is at the option of the bidder.

4.4.2.4 MOBILIZATION AND IMPLEMENTATION PLAN - (NOT APPLICABLE FOR THIS PROCUREMENT)

4.4.2.5 POTENTIAL PROBLEMS

The bidder should set forth a summary of any and all problems that the bidder anticipates during the term of the contract. For each problem identified, the bidder should provide its proposed solution.

4.4.3 SECTION 3 - ORGANIZATIONAL SUPPORT AND EXPERIENCE

The chart should include the labor category and title of each such individual.

4.4.3.3 RESUMES - (NOT APPLICABLE TO THIS PROCUREMENT)

4.4.3.4 BACKUP STAFF - (NOT APPLICABLE TO THIS PROCUREMENT)

4.4.3.5 ORGANIZATION CHART (ENTIRE FIRM)

The bidder should include an organization chart showing the bidder's entire organizational structure. This chart should show the relationship of the individuals assigned to the contract to the bidder's overall organizational structure.

4.4.3.6 EXPERIENCE OF BIDDER ON CONTRACTS OF SIMILAR SIZE AND SCOPE

The bidder should provide a comprehensive listing of contracts of similar size and scope that it has successfully completed, as evidence of the bidder's ability to successfully complete the services required by this RFP. Emphasis should be placed on contracts that are similar in size and scope to the work required by this RFP. A description of all such contracts should be included and should show how such contracts relate to the ability of the firm to complete the services required by this RFP. For each such contract, the bidder should provide the name and telephone number of a contact person for the other contract party. Beginning and ending dates should also be given for each contract.

4.4.3.7 FINANCIAL CAPABILITY OF THE BIDDER

The bidder shall provide proof of its financial capacity and capabilities to undertake and successfully complete the contract. To satisfy this requirement, the bidder shall submit a certified financial statement, including applicable notes, reflecting the bidder's assets, liabilities, net worth, revenues, expenses, profit or loss, and cash flow for the most recent calendar year or the bidder's most recent fiscal year; or, if a certified financial statement is not available, then either a reviewed or compiled statement from an independent accountant setting forth the same information required for the certified financial statement. In addition, the bidder must submit a bank reference.
4.4.3.8 SUBCONTRACTOR(S)

B. The bidder must provide a detailed description of services to be provided by each subcontractor, referencing the applicable Section or Subsection of this RFP.

D. The bidder should provide documented experience demonstrate that each subcontractor has successfully performed work on contracts of a similar size and scope to the work that the subcontractor is designated to perform in the bidder's proposal.

4.4.4 SECTION 4 - COST PROPOSAL

The bidder must submit all requested pricing information. Failure to submit all requested pricing information may result in the bidder's proposal being considered materially non-responsive. Each bidder must hold its price(s) firm through issuance of contract to permit the completion of the evaluation of bid proposals and the contract award process.

The bidder must submit cost and information on the RFP Schedules A through N. Failure to submit all information requested shall result in the bid being considered non-responsive and subject to rejection.

5.1 PRECEDENCE OF SPECIAL TERMS AND CONDITIONS

The contract shall consist of this RFP, addenda to this RFP, the vendor's bid proposal, and the Division's Notice of Acceptance.

Unless specifically noted within this RFP, the Special Terms and Conditions, take precedence over the Standard Terms and Conditions (see Appendix 1).

In the event of a conflict between the provisions of this RFP, including the Standard Terms and Conditions and the Special Terms and Conditions, and any addendum to the RFP, the addendum shall govern.
In the event of a conflict between the provisions of this RFP, including any addendum to this RFP, and the bidder’s proposal, the RFP and/or the addendum shall govern.

5.2 **PERFORMANCE BOND** (NOT APPLICABLE TO THIS PROCUREMENT)

5.3 **BUSINESS REGISTRATION**

See Standard Terms & Conditions, Appendix 1, Section 1.1.

5.4 **CONTRACT TERM AND EXTENSION OPTION**

The term of the contract shall be for a period of three years. The anticipated “Contract Effective Date” is provided on the cover sheet of this RFP (page 3 of this RFP). If delays in the bid process result in an adjustment of the anticipated Contract Effective Date, the bidder agrees to accept a contract for the full term of the contract.

The contract may be extended for additional periods of up to two one (1) year contract extensions, by mutual written consent of the contractor and the Director at the same terms, conditions and pricing. The length of each extension shall be determined when the extension request is processed.

Should the contract be extended, the contractor shall be paid at the rates in effect in the last year of the contract.

5.5 **CONTRACT TRANSITION**

In the event services end by either contract expiration or termination, it shall be incumbent upon the contractor to continue services, if requested by the Director, until new services can be completely operational. The contractor acknowledges its responsibility to cooperate fully with the replacement contractor and the State to ensure a smooth and timely transition to the replacement contractor. Such transitional period shall not extend more than ninety (90) days beyond the expiration date of the contract, or any extension thereof. The contractor will be reimbursed for services during the transitional period at the rate in effect when the transitional period clause is invoked by the State.

5.6 **AVAILABILITY OF FUNDS**

The State’s obligation to pay the contractor is contingent upon the availability of appropriated funds from which payment for contract purposes can be made. No legal liability on the part of the State for payment of any money shall arise unless funds are made available each fiscal year to the Using Agency by the Legislature.

5.7 **CONTRACT AMENDMENT**

Any changes or modifications to the terms of the contract shall only be valid when they have been reduced to writing and executed by the contractor and the Director.

5.8 **CONTRACTOR RESPONSIBILITIES**

The contractor shall have sole responsibility for the complete effort specified in the contract. Payment will be made only to the contractor. The contractor shall have sole responsibility for all payments due any subcontractor.

The contractor is responsible for the professional quality, technical accuracy and timely completion and submission of all deliverables, services or commodities required to be provided under the contract. The contractor shall, without additional compensation, correct or revise any errors, omissions, or other deficiencies in its deliverables and other services. The approval of deliverables furnished under this contract shall not in any way relieve the contractor of responsibility for the technical adequacy of its work. The review, approval, acceptance or payment for any of the services shall not be construed as a waiver of any rights that the State may have arising out of the contractor’s performance of this contract.
5.9 **SUBSTITUTION OF STAFF** – (NOT APPLICABLE TO THIS PROCUREMENT)

5.10 **SUBSTITUTION OR ADDITION OF SUBCONTRACTOR(S)**

This Subsection serves to supplement but not to supersede Section 3.11 of the Standard Terms and Conditions of this RFP.

In the event a subcontractor is proposed as a substitution, the proposed subcontractor must equal or exceed the qualifications and experience of the subcontractor being replaced. In the event the subcontractor is proposed as an addition, the proposed subcontractor's qualifications and experience must equal or exceed that of similar personnel proposed by the contractor in its bid proposal.

The contractor shall forward a written request to substitute or add a subcontractor to the State Contract Manager for consideration. If the State Contract Manager approves the request, the State Contract Manager will forward the request to the Director for final approval.

No substituted or additional subcontractors are authorized to begin work until the contractor has received written approval from the Director.

5.11 **OWNERSHIP OF MATERIAL**

All data, technical information, materials gathered, originated, developed, prepared, used or obtained in the performance of the contract, including, but not limited to, all reports, surveys, plans, charts, literature, brochures, mailings, recordings (video and/or audio), pictures, drawings, analyses, graphic representations, software computer programs and accompanying documentation and print-outs, notes and memoranda, written procedures and documents, regardless of the state of completion, which are prepared for or are a result of the services required under this contract shall be and remain the property of the State of New Jersey and shall be delivered to the State of New Jersey upon 30 days notice by the State. With respect to software computer programs and/or source codes developed for the State, the work shall be considered "work for hire", i.e., the State, not the contractor or subcontractor, shall have full and complete ownership of all software computer programs and/or source codes developed. To the extent that any of such materials may not, by operation of the law, be a work made for hire in accordance with the terms of this Agreement, contractor or subcontractor hereby assigns to the State all right, title and interest in and to any such material, and the State shall have the right to obtain and hold in its own name and copyrights, registrations and any other proprietary rights that may be available.

Should the bidder anticipate bringing pre-existing intellectual property to perform any of the services required under the contract into the project, the intellectual property must be identified in the bid proposal. Otherwise, the language in the first paragraph of this section shall prevail. If the bidder identifies such intellectual property ("Background IP") in its bid proposal, then the Background IP owned by the bidder on the date of the contract, as well as any modifications or adaptations thereto, shall remain the property of the bidder. Upon contract award, the bidder or contractor shall grant the State a perpetual non-exclusive, royalty free license to use any of the bidder/contractor's Background IP delivered to the State for the purposes contemplated by the Contract.

5.12 **DATA CONFIDENTIALITY**

Contractor shall keep confidential all Using Agency Proprietary Network Information ("PNI"). PNI means information that relates to the activity, technical configuration, type, destination, location, and amount of use of the telecommunications service, any other information that is made available or becomes known to contractor, solely by virtue of the carrier-customer relationship, and information contained in the bills pertaining to exchange service or toll service. PNI does not include subscriber list information or data expressed in aggregate terms.
All financial, statistical, personnel and/or technical data supplied by the State to the contractor are confidential. The contractor is required to use that same standard of care as it uses to protect the confidentiality of its own confidential data. Any use, sale or offering of this data in any form by the contractor, or any individual or entity in the contractor’s charge or employ, will be considered a violation of this contract and may result in contract termination and the contractor’s suspension or debarment from State contracting. In addition, such conduct may be reported to the State Attorney General for possible criminal prosecution.

5.13 NEWS RELEASES

The contractor is not permitted to issue news releases pertaining to any aspect of the services being provided under this contract without the prior written consent of the Director.

5.14 ADVERTISING

5.15 LICENSES AND PERMITS

The contractor shall obtain and maintain in full force and effect all required licenses, permits, and authorizations necessary to perform this contract. The contractor shall supply the State Contract Manager with evidence of all such licenses, permits and authorizations. This evidence shall be submitted subsequent to the contract award. All costs associated with any such licenses, permits and authorizations must be considered by the bidder in its bid proposal.

5.16 CLAIMS AND REMEDIES

5.16.1 CLAIMS

All claims asserted against the State by the contractor shall be subject to the New Jersey Tort Claims Act, N.J.S.A. 59:1-1, et seq., and/or the New Jersey Contractual Liability Act, N.J.S.A. 59:13-1, et seq.

5.16.2 REMEDIES

Nothing in the contract shall be construed to be a waiver by the State of any warranty, expressed or implied, or any remedy at law or equity, except as specifically and expressly stated in a writing executed by the Director.

5.16.3 REMEDIES FOR NON-PERFORMANCE

In the event the contractor fails to comply with any material contract requirement, the Director may take steps to terminate the contract in accordance with the State Administrative Code. In this event, the Director may authorize the delivery of contract items by any available means, with the difference between the price paid and the defaulting contractor’s price either being deducted from any monies owed to the defaulting contractor or being an obligation owed to the State by the defaulting contractor.

5.17 LATE DELIVERY AND LIQUIDATED DAMAGES - (NOT APPLICABLE TO THIS PROCUREMENT)

5.18 RETAINAGE - (NOT APPLICABLE TO THIS PROCUREMENT)

5.19 STATE’S OPTION TO REDUCE SCOPE OF WORK

The State has the option, in its sole discretion, to reduce the scope of work for any task or subtask called for under this contract. In such an event, the Director shall provide advance written notice to the contractor.

Upon receipt of such written notice, the contractor will submit, within five (5) working days to the Director and the State Contract Manager, an itemization of the work effort already completed by task or subtask.
The contractor shall be compensated for such work effort according to the applicable portions of its cost proposal.

5.20 SUSPENSION OF WORK

The State Contract Manager may, for valid reason, issue a stop order directing the contractor to suspend work under the contract for a specific time. The contractor shall be paid until the effective date of the stop order. The contractor shall resume work upon the date specified in the stop order, or upon such other date as the State Contract Manager may thereafter direct in writing. The period of suspension shall be deemed added to the contractor’s approved schedule of performance. The Director and the contractor shall negotiate an equitable adjustment, if any, to the contract price.

5.21 CHANGE IN LAW

Whenever an unforeseen change in applicable law or regulation affects the services that are the subject of this contract, the contractor shall advise the State Contract Manager and the Director in writing and include in such written transmittal any estimated increase or decrease in the cost of its performance of the services as a result of such change in law or regulation. The Director and the contractor shall negotiate an equitable adjustment, if any, to the contract price.

5.22 CONTRACT PRICE INCREASE (PREVAILING WAGE) - (NOT APPLICABLE TO THIS PROCUREMENT)

5.23 ADDITIONAL WORK AND/OR SPECIAL PROJECTS

The contractor shall not begin performing any additional work or special projects without first obtaining written approval from both the State Contract Manager and the Director.

In the event of additional work and/or special projects, the contractor must present a written proposal to perform the additional work to the State Contract Manager. The proposal should provide justification for the necessity of the additional work. The relationship between the additional work and the base contract work must be clearly established by the contractor in its proposal.

The contractor’s written proposal must provide a detailed description of the work to be performed broken down by task and subtask. The proposal should also contain details on the level of effort, including hours, labor categories, etc., necessary to complete the additional work.

The written proposal must detail the cost necessary to complete the additional work in a manner consistent with the contract. The written cost proposal must be based upon the hourly rates, unit costs or other cost elements submitted by the contractor in the contractor’s original bid proposal submitted in response to this RFP. Whenever possible, the cost proposal should be a firm, fixed cost to perform the required work. The firm fixed price should specifically reference and be tied directly to costs submitted by the contractor in its original bid proposal. A payment schedule, tied to successful completion of tasks and subtasks, must be included.

Upon receipt and approval of the contractor’s written proposal, the State Contract Manager shall forward same to the Director for the Director’s written approval. Complete documentation from the Using Agency, confirming the need for the additional work, must be submitted. Documentation forwarded by the State Contract Manager to the Director must all include all other required State approvals, such as those that may be required from the State of New Jersey’s Office of Management and Budget (OMB) and Office of Information and Technology (OIT).

No additional work and/or special project may commence without the Director’s written approval. In the event the contractor proceeds with additional work and/or special projects without the Director’s written approval, it shall be at the contractor’s sole risk. The State shall be under no obligation to pay for work performed without the Director’s written approval.
5.24 FORM OF COMPENSATION AND PAYMENT

This Section supplements Section 4.5 of the RFP'S Standard Terms and Conditions. The contractor must submit official State invoice forms to the Using Agency with supporting documentation evidencing that work for which payment is sought has been satisfactorily completed. Invoices must reference the tasks or subtasks detailed in the Scope of Work section of the RFP and must be in strict accordance with the firm, fixed prices submitted for each task or subtask on the RFP pricing sheets. When applicable, invoices should reference the appropriate RFP price sheet line number from the contractor's bid proposal. All invoices must be approved by the State Contract Manager before payment will be authorized.

Invoices must also be submitted for any special projects, additional work or other items properly authorized and satisfactorily completed under the contract. Invoices shall be submitted according to the payment schedule agreed upon when the work was authorized and approved. Payment can only be made for work when it has received all required written approvals and has been satisfactorily completed.

5.24.1 PAYMENT TO CONTRACTOR - OPTIONAL METHOD

The State of New Jersey now offers State contractors the opportunity to be paid through the Mastercard procurement card (p-card). A contractor's acceptance and a State agency's use of the p-card, however, is optional.

P-card transactions do not require the submission of either a contractor invoice or a State payment voucher. Purchasing transactions using the p-card will usually result in payment to a contractor in three days.

A contractor should take note that there will be a transaction-processing fee for each p-card transaction. To participate, a contractor must be capable of accepting the Mastercard. Additional information can be obtained from banks or merchant service companies.

5.25 CONTRACT ACTIVITY REPORT - (NOT APPLICABLE TO THIS PROCUREMENT)

5.26 NEW TECHNOLOGY

A. New Technology

If new service, having the same functional purpose and a demonstrated nexus to the service under the contract, is developed and comes into standard production after the contract award, that service will be considered for addition and/or replacement for the service under contract. The contractor must make a written request to the Purchase Bureau for new service to be added to the contract. Such written request must include the specifications for the new service, evidencing that the new service serves the same functional purpose and has a close nexus to the service under contract.

All proposed additions or replacements are subject to a review and written acceptance by the Director, Division of Purchase and Property. The sale of new service accepted in writing by the Director shall be governed by the terms of the contract, including price. The aggregate price of any new services must be equal to or less than the existing contracted service.

The Contractor shall be responsible for all coordination and interfacing with other carriers and suppliers.

5.27 ADDITIONS AND SUBSTITUTIONS

5.28 METHOD OF OPERATION

After awards are made, the individual agencies and participants in the Cooperative Purchasing Program will be able to obtain quotes from the awarded vendors.

Awarded vendors will be required to provide contract users with:

1. A written quote showing each item being quoted.

2. A photocopy of the page from the vendor's original bid proposal detailing the item or system. If an item has been added to the contract after the original bid submission, the vendor must provide contract users with a photocopy of:
   
   A. The Letter of Authorization from the Purchase Bureau verifying approval of the addition.

   B. The vendor's letter requesting the addition and any attachments specifying the item or items to be added.

B. The State of New Jersey agrees: (1) to promptly notify the Contractor in writing of such claim or suit; (2) that the Contractor shall have sole control of the defense or settlement of such claim or suit; and (3) to cooperate with the Contractor in the defense of such claim or suit, to the extent that the interests of the Contractor and the State are consistent.

C. Representatives from other governmental agencies may also serve on the Evaluation Committee. On occasion, the Evaluation Committee may choose to make use of the expertise of outside consultant in an advisory role.

6.2 ORAL PRESENTATION AND/OR CLARIFICATION OF BID PROPOSAL

A bidder may be required to give an oral presentation to the Evaluation Committee concerning its bid proposal. The Evaluation Committee may also require a bidder to submit written responses to questions regarding its bid proposal.

Original bid proposals submitted, however, cannot be supplemented, changed, or corrected in any way. No comments regarding other bid proposals are permitted. Bidders may not attend presentations made by their competitors.

It is within the Evaluation Committee's discretion whether to require a bidder to give an oral presentation or require a bidder to submit written responses to questions regarding its bid proposal. Action by the Evaluation Committee in this regard should not be construed to imply acceptance or rejection of a bid proposal. The Purchase Bureau buyer will be the sole point of contact regarding any request for an oral presentation or clarification.

After the submission of bid proposals, unless requested by the State, contact with the State is limited to status inquiries only and such inquiries are only to be directed to the buyer. Any further contact or information about the proposal to the buyer or any other State official connected with the solicitation will be considered an impermissible supplementation of the bidder's bid proposal.

In the event of such termination, the contractor shall furnish to the using agency, free of charge, such reports as may be required.

c. In cases of emergency the Director may shorten the time periods of notification and may dispense with an opportunity to respond.

d. In the event of termination under this section, the contractor will be compensated for work performed in accordance with the contract, up to the date of termination. Such compensation may be subject to adjustments.

3.6 COMPLAINTS - Where a bidder has a history of performance problems as demonstrated by formal complaints and/or contract cancellations for cause pursuant to 3.5b a bidder may be bypassed for this award. See N.J.A.C. 17:12-2.8.

In order for the State contract to be extended to counties, municipalities, school districts, volunteer fire departments, first aid squads and independent institutions of higher education, the bidder must agree to the extension and so state in his bid.

3.9 EXTENSIONS OF CONTRACTS TO COUNTY COLLEGES - N.J.S.A. 18A:64A - 25.9 permits any college to participate in any term contract(s) that may be established as a result of this proposal.

3.11 SUBCONTRACTING OR ASSIGNMENT - The contract may not be subcontracted or assigned by the contractor, in whole or in part, without the prior written consent of the Director of the Division of Purchase and Property. Such consent, if granted, shall not relieve the contractor of any of his responsibilities under the contract.

In the event the bidder proposes to subcontract for the services to be performed under the terms of the contract award, he shall so state in his bid and attach for approval a list of said subcontractors, and an itemization of the products and services to be supplied by them.

Nothing contained in the specifications shall be construed as creating any contractual relationship between any subcontractor and the State.

All responsible parties of the dissolved partnership or corporation must submit to the Director in writing, the names of the parties proposed to perform the contract, and the names of the parties to whom payment should be made. No payment should be made until all parties to the dissolved partnership or corporation submit the required documents to the Director.

a. The equipment offered is standard new equipment, and is the manufacturer’s latest model in production, with parts regularly used for the type of equipment offered; that such parts are all in production and not likely to be discontinued; and that no attachment or part has been substituted or applied contrary to manufacturer’s recommendations and standard practice.

f. During the warranty period the contractor shall replace immediately any material which is rejected for failure to meet the requirements of the contract.

3.14 DELIVERY GUARANTEES - Deliveries shall be made at such time and in such quantities as ordered in strict accordance with conditions contained in the Request for Proposal.

The contractor shall be responsible for the delivery of material in first class condition to the State's using agency or the purchaser under this contract and in accordance with good commercial practice.

Items delivered must be strictly in accordance with the Request for Proposal.

In the event delivery of goods or services is not made within the number of days stipulated or under the schedule defined in the Request for Proposal, the using agency may be authorized to obtain the material or service from any available source, the difference in price, if any, to be paid by the contractor failing to meet his commitments.

3.15 DIRECTOR'S RIGHT OF FINAL BID ACCEPTANCE - The Director reserves the right to reject any or all bids, or to award in whole or in part if deemed to be in the best interest of the State to do so. The Director shall have authority to award orders or contracts to the vendor or vendors best meeting all specifications and conditions in accordance with N.J.S.A. 52:34-12. Tie bids will be awarded by the Director in accordance with N.J.A.C. 17:12-2.1D.

3.16 BID ACCEPTANCES AND REJECTIONS - The provisions of N.J.A.C. 17:12-2.9, relating to the Director's right, to waive minor elements of non-compliance with bid specifications and N.J.A.C. 17:12-2.2 which defines causes for automatic bid rejection, apply to all proposals and bids.

3.17 STATE'S RIGHT TO INSPECT BIDDER'S FACILITIES - The State reserves the right to inspect the bidder's establishment before making an award, for the purposes of ascertaining whether the bidder has the necessary facilities for performing the contract.

The State may also consult with clients of the bidder during the evaluation of bids. Such consultation is intended to assist the State in making a contract award which is most advantageous to the State.

3.18 STATE'S RIGHT TO REQUEST FURTHER INFORMATION - The Director reserves the right to request all information which may assist him or her in making a contract award, including factors necessary to evaluate the, bidder's financial capabilities to perform the contract. Further, the Director reserves the right to request a bidder to explain, in detail, how the bid price was determined.

3.19 MAINTENANCE OF RECORDS - The contractor shall maintain records for products and services delivered against the contract for a period of three (3) years from the date of final payment. Such records shall be made available to the State upon request for purposes of conducting an audit or for ascertaining information regarding dollar volume or number of transactions.

4. TERMS RELATING TO PRICE QUOTATION

4.1 PRICE FLUCTUATION DURING CONTRACT - Unless otherwise noted by the State, all prices quoted shall be firm through issuance of contract or purchase order and shall not be subject to increase during the period of the contract.

In the event of a manufacturer's or contractor's price decrease during the contract period, the State shall receive the full benefit of such price reduction on any undelivered purchase order and on any subsequent order placed during the contract period. The Director of Purchase and Property must be notified, in writing, of any price reduction within five (5) days of the effective date.

Failure to report price reductions will result in cancellation of contract for cause, pursuant to provision 3.5b.1.
4.2 **DELIVERY COSTS** - Unless otherwise noted in the Request for Proposal, all prices for items in bid proposals are to be submitted F.O.B. Destination. Proposals submitted other than F.O.B. Destination may not be considered. Regardless of the method of quoting shipments, the contractor shall assume all costs, liability and responsibility for the delivery of merchandise in good condition to the State’s using agency or designated purchaser.

F.O.B. Destination does not cover “spotting” but does include delivery on the receiving platform of the ordering agency at any destination in the State of New Jersey unless otherwise specified. No additional charges will be allowed for any additional transportation costs resulting from partial shipments made at contractor’s convenience when a single shipment is ordered. The weights and measures of the State’s using agency receiving the shipment shall govern.

4.3 **C.O.D. TERMS** - C.O.D. terms are not acceptable as part of a bid proposal and will be cause for rejection of a bid.

4.4 **TAX CHARGES** - The State of New Jersey is exempt from State sales or use taxes and Federal excise taxes. Therefore, price quotations must not include such taxes. The State’s Federal Excise Tax Exemption number is 22-75-0050K.

4.5 **PAYMENT TO VENDORS** - Payment for goods and/or services purchased by the State will only be made against State Payment Vouchers. The State bill form in duplicate together with the original Bill of Lading, express receipt and other related papers must be sent to the consignee on the date of each delivery. Responsibility for payment rests with the using agency which will ascertain that the contractor has performed in a proper and satisfactory manner in accordance with the terms and conditions of the award. Payment will not be made until the using agency has approved payment.

For every contract the term of which spans more than one fiscal year, the State’s obligation to make payment beyond the current fiscal year is contingent upon legislative appropriation and availability of funds.

The State of New Jersey now offers State contractors the opportunity to be paid through the VISA procurement card (p-card). A contractor’s acceptance and a State Agency’s use of the p-card, however, is optional. P-card transactions do not require the submission of either a contractor invoice or a State payment voucher. Purchasing transactions utilizing the p-card will usually result in payment to a contractor in three days. A Contractor should take note that there will be a transaction processing fee for each p-card transaction. To participate, a contractor must be capable of accepting the VISA card. For more information, call your bank or any merchant services company.

4.6 **NEW JERSEY PROMPT PAYMENT ACT** - The New Jersey Prompt Payment Act N.J.S.A. 52:32-32 et seq. requires state agencies to pay for goods and services within sixty (60) days of the agency’s receipt of a properly executed State Payment Voucher or within sixty (60) days of receipt and acceptance of goods and services, whichever is later. Properly executed performance security, when required, must be received by the state prior to processing any payments for goods and services accepted by state agencies. Interest will be paid on delinquent accounts at a rate established by the State Treasurer. Interest will not be paid until it exceeds $5.00 per properly executed invoice.

Cash discounts and other payment terms included as part of the original agreement are not affected by the Prompt Payment Act.

4.7 **RECIROCITY** - In accordance with N.J.S.A. 52:32-1.4 and N.J.A.C. 17: 12-2.13, the State of New Jersey will invoke reciprocal action against an out-of-State bidder whose state or locality maintains a preference practice for their bidders.

5. **CASH DISCOUNTS** - Bidders are encouraged to offer cash discounts based on expedited payment by the State. The State will make efforts to take advantage of discounts, but discounts will not be considered in determining the lowest bid.

a. Discount periods shall be calculated starting from the next business day after the recipient has accepted the goods or services received a properly signed and executed State Payment Voucher form and, when required, a properly executed performance security, whichever is latest.

b. The date on the check issued by the State in payment of that Voucher shall be deemed the date of the State’s response to that Voucher.

6. **STANDARDS PROHIBITING CONFLICTS OF INTEREST** - The following prohibitions on vendor activities shall apply to all contracts or purchase agreements made with the State of New Jersey, pursuant to Executive Order No. 189 (1988).

a. No vendor shall pay, offer to pay, or agree to pay, either directly or indirectly, any fee, commission, compensation, gift, gratuity, or other thing of value of any kind to any State officer or employee or special State officer or employee, as defined by N.J.S.A. 52:13D-13i., of any such officer or employee, or partnership, firm or corporation with which they are employed or associated, or in which such officer or employee has an interest within the meaning of N.J.S.A. 52:13D-13g.

b. The solicitation of any fee, commission, compensation, gift, gratuity or other thing of value by any State officer or employee or special State officer or employee from any State vendor shall be reported in writing forthwith by the vendor to the Attorney General and the Executive Commission on Ethical Standards.
c. No vendor may, directly or indirectly, undertake any private business, commercial or entrepreneurial relationship with, whether or not pursuant to employment, contract or other agreement, express or implied, or sell any interest in such vendor to, any State officer or employee or special State officer or employee or special State officer or employee having any duties or responsibilities in connection with the purchase, acquisition or sale of any property or services by or to any State agency or any instrumentality thereof, or with any person, firm or entity with which he is employed or associated or in which he has an interest within the meaning of N.J.S.A. 52:130-13g. Any relationships subject to this provision shall be reported in writing forthwith to the Executive Commission on Ethical Standards, which may grant a waiver of this restriction upon application of the State officer or employee or special State officer or employee upon a finding that the present or proposed relationship does not present the potential, actuality or appearance of a conflict of interest.

d. No vendor shall influence, or attempt to influence or cause to be influenced, any State officer or employee or special State officer or employee in his official capacity in any manner which might tend to impair the objectivity or independence of judgment of said officer or employee.

e. No vendor shall cause or influence, or attempt to cause or influence, any State officer or employee or special State officer or employee to use, or attempt to use, his official position to secure unwarranted privileges or advantages for the vendor or any other person.

f. The provisions cited above in paragraph 6a through 6e shall not be construed to prohibit a State officer or employee or Special State officer or employee from receiving gifts from or contracting with vendors under the same terms and conditions as are offered or made available to members of the general public subject to any guidelines the Executive Commission on Ethical Standards may promulgate under paragraph 6c.
Please be advised that, pursuant to P.L. 1995, c. 159, effective January 1, 1996, and notwithstanding any provision of the law to the contrary, whenever any taxpayer, partnership or S corporation under contract to provide goods or services or construction projects to the State of New Jersey or its agencies or instrumentalities, including the legislative and judicial branches of State government, is entitled to payment for those goods or services at the same time a taxpayer, partner or shareholder of that entity is indebted for any State tax, the Director of the Division of Taxation shall seek to set off that taxpayer's or shareholder's share of the payment due the taxpayer, partnership, or S corporation. The amount set off shall not allow for the deduction of any expenses or other deductions which might be attributable to the taxpayer, partner or shareholder subject to set-off under this act.

The Director of the Division of Taxation shall give notice to the set-off to the taxpayer and provide an opportunity for a hearing within 30 days of such notice under the procedures for protests established under R.S. 54:49-18. No requests for conference, protest, or subsequent appeal to the Tax Court from any protest under this section shall stay the collection of the indebtedness. Interest that may be payable by the State, pursuant to P.L. 1987, c. 184 (c.52:32-32 et seq.), to the taxpayer shall be stayed.
