1. Overview
   a. Background:

   The Westchester Intelligence Center ("WIC") was established as a crime intelligence center to foster and facilitate information sharing and collaboration among law enforcement agencies, particularly field intelligence officers, operating in Westchester County as a means of increasing the ability of law enforcement to rapidly triage criminal events that endanger public safety and quickly respond to situations as they develop.

   The principal goal of WIC is to support local police agencies in their efforts to abate crime and augment public safety in Westchester County.

   WIC operates under the auspices of the Westchester County District Attorney's Office ("WCDAO") and is staffed by members of multiple law enforcement agencies. WIC is headed by an Executive Director, who shall serve as the Administrator of this Agreement ("Administrator").

   b. Purpose and Intended Benefits:

   With the goal of enhancing public safety, while protecting individual privacy rights, the parties to this agreement seek to establish a mechanism for the sharing and exchange of criminal intelligence information and data for the advancement of legitimate law enforcement purposes, including crime solving and abatement, identification and location of suspects and known offenders, detection of predictive trends in criminal activity, and development of strategies to solve and prevent crimes.

   c. Agency Participation:

   Any federal, state or local law enforcement agency operating in Westchester County ("Agency") may participate in WIC.

2. Information and Resources to be Shared:

   Subject to the confidentiality provisions outlined in this agreement, WCDAO will make the resources of WIC available to all participating Agencies. WIC will share information

Each Agency shall retain, as part of its own case files and records, any records and reports (electronic and physical copies) obtained from WIC. The retention shall be in accordance with that Agency's policies for record retention and in compliance with any and all applicable federal, state, county and local laws.

5. **Confidentiality and Security:**

- In accordance with its purpose WIC shall be permitted to disseminate information and data supplied by an Agency to authorized users under the terms provided herein except to the extent such information and data has been specifically identified as "confidential" by the providing agency.
- Information and data possessed by WIC is subject to disclosure in accordance with the laws governing the criminal justice system and by court order.
- Only authorized users are allowed to view and use the information and data possessed by WIC. Any authorized user who receives a request from a non-authorized user for information and data provided by WIC shall not release that information, but may refer the requestor to the Administrator.
- Each Agency will make reasonable arrangements to maintain the security of the information and data in its custody, by protecting it against such risks as unauthorized access, collection, use, disclosure or disposal.
- Each Agency will advise WCDAO and WIC immediately of any circumstances, incidents or events concerning the following: unauthorized access to or modification of information or data supplied by WIC; unauthorized use of such information and data; unauthorized disclosure of such information and data; and breaches of privacy, security and confidentiality with respect to the information and data or with respect to any computer system in its custody that is used to store or access such information and data.
- Each Agency must investigate and cure any of the aforementioned incidents of unauthorized use of WIC information and/or data.
6. **Third Party Dissemination of Information and Data:**

There shall be no third-party dissemination by an Agency of information and data obtained through WIC without the express, written consent of the Administrator.

7. **Accuracy:**

Each Agency will make every reasonable effort to ensure the information and data it contributes to WIC is accurate, complete and up-to-date.

It is expressly understood and agreed that an Agency shall use the ordinary investigative tools to insure the objective reliability of any information and data received from WIC which is relied upon to conduct any police initiated encounters.

8. **Modification or Termination – General:**

This agreement may be modified or terminated at any time by agreement, in writing, of both parties.

9. **Termination for Non-Compliance:**

This agreement may be terminated at any time by either Party if the other Party fails to meet its obligations under this agreement.

It is expressly understood and agreed that this agreement will, at the election of the Administrator, cease immediately if a recipient Agency is found to be improperly using or disclosing the shared information and data. In addition, such improper use or disclosure will be subject to the penalties provided by applicable law.
