Dear Jann,

Re: PUBLIC RECORDS REQUEST

Dear Ms. Carson,

The Gresham Police Department is in receipt of your public records requested dated July 30, 2012. The responses to your questions are as follows:

1. “All current policies and procedures describing police officers’ use of department equipment sold or manufacture under the Taser brand name.”
   - Gresham Police Department General Order #4.18 Electronic Control Weapons (ECW). This General Order is seven pages in length; the fee for this document is $1.75.

2. If your department owns or uses ALPR....
   - Gresham Police Department does not own or use ALPR.

3. If your police department has obtained cell phone data from cell phone carriers in the past three years: a) all current policies and procedures related to when and how such information is obtained; b) all accounting documents that show the amount of funds used to acquire cell phone data whether by expenditure or receipt of operation funds, loans, grants, or gifts.
   - The City does not have any records responsive to this request.

4. All current policies and procedures describing police officers’ appropriate response to members of the public photographing or video recording officers while engaged in their official duties.
   - The City does not have any records responsive to this request.

Pursuant to the Oregon Public Records Act and the Gresham Administrative Rules, the city may charge for actual costs in researching and responding to public records request. The cost of researching and copying the requested public records is $36.75. ($35 per hour research costs plus 25¢ per page).

I am able to create electronic copies of the General Order but the charge is the same as paper copies because the scanning cost is the same. I am returning your check for $10; please resubmit for the full amount of $36.75 payable to the City of Gresham, directly to my attention at the following address:

Mail payment to:
Gresham Police Department
