RE: Public Records Request

Dear Ms. Carson,

The McMinnville Police Department has received your request for our policies and procedures pertaining to:

1. The use of department equipment sold or manufactured under the Taser brand name  
2. The use of, or ownership of ALPR equipment  
3. Obtaining cell phone data from cell phone carriers  
4. Response to members of the public photographing or video recording officers while engaged in their official duties

We have begun to compile the requested information and concluded that your request will require more research than a routine records request.

Attached is our Procedure for Public Records Request form that includes the calculation of fees. Upon compilation of all the requested documents we will contact you with the total charge.

Should you have any questions please feel free to contact me.

Thank you,

Linda Gardner  
Management Assistant
