

The Senate of The Colorado Legislature

*Convened in the Second Regular Session of the
Sixty-Ninth General Assembly*

Hereby honors and commends:

Jessica Lenahan

Motivated by the tragic loss of her three daughters in a domestic violence incident that remains unresolved, she has worked tirelessly to raise awareness of the failure of the legal system and law enforcement in many states to adequately protect victims of domestic violence. Her determined crusade, validated by a favorable ruling from the Inter-American Commission on Human Rights in her case, has reaffirmed the fact that freedom from domestic violence is a basic human right that government must ensure for all.

*On request of Senator Irene Aguilar
Given this 5th day of May 2014
