If there is any chance we're going to get AG approval of this, we going to need this signed off on with the FBI ASAP Monday (because the op is planned for a week from Monday), and even that may not be possible. I'm basing this on what [Redacted] said yesterday about how long it takes on their end. Our own signoffs will have to be done off the system, I think.

I'm copying OI on this now as a preview, so they can start asking questions.

See the attached. I've highlighted some things that I wasn't sure about. Please make any necessary changes.
