Thanks Margo:

1) I’ve asked for more details on the religious questioning issue in re. TSA and will let you know what I hear back. Also, of note is the fact that [b] (6) was present and asked the gentleman to follow up with her off line (I believe she spoke with him after the meeting) so, if ok, I will also coordinate with [b] (6) to see what she learned as well.

2) I’ve reached out to USCIS seeking more details since the Director was the one who gave me most of the information about this one; will let you know what I hear back as well.

Best,
Kareem.
3) Jeff — where are we on the complaint document that Alex has been working on? I'd like to get it done in the next week or so, if possible. Is it? It would be responsive not only to this group, but to many requests over the past year or two.

4) (b) (6) — Not sure when you’re back, but just as soon as you are, I'd like to talk about getting those changes made to the website. The various complaint-related documents that we worked so hard on should be posted. I'll get (b) to get a meeting on my calendar.

Thanks,
Margo
