The below information has been reviewed and is returned for whatever administrative action or inquiry you consider appropriate. Should any administrative or personnel action result from your response to this information, you are requested to report the final result of that action within 30 business days of its conclusion.

If your review of this matter discloses evidence of previously unreported criminal misconduct that is reportable under Management Directive 0810.1, you are required to notify this office of that information before any additional investigative steps are taken.

Summary of new complaint for your review:

On March 24, 2011, the Michigan Chapter of the Council on American-Islamic Relations (CAIR) wrote to CRCL that American Muslims crossing the border are subject to extensive questions about their religion and religious practices. CAIR states that the following questions are most common, do you pray five times a day; which mosque do you pray at; do you pray your morning prayer at the mosque; who is the Imam (religious leader) at your mosque; who else prays at your mosque; which Muslim charities have you donated to; which Muslim countries have you traveled to; during your travels to these countries, have you been approached by anyone suspicious; what do you think of Anwar al-Awlaki; which Muslim organizations are you affiliated with; are you affiliated with any terrorist organizations; do you know any terrorists; and are there terrorists in our mosques?

CAIR states on behalf of Mr. and a traveling companion, that allegedly, they were surrounded by officers with drawn guns after presenting their passports at some unidentified Port of Entry. Allegedly, after being handcuffed and taken to the secondary inspection area, was asked, his name; when he was born; if he was married; why he went to Yemen; how long he was there; was he approached by anyone he thought was suspicious; did he attend Islamic schools; what does he
think about Anwar Al Awlakii; and when does he plan to go back to Yemen?

Thank you.
