On behalf of the FBI Citizens' Academy and the San Francisco Division of the FBI, we would like to thank you for your interest in the fall session of the 2010 FBI Citizens' Academy.

There has been overwhelming interest in the FBI Citizens' Academy and a large volume of applicants. While our wish was to have all applicants accepted, due to the high quality of respondents, this was not possible. We evaluated and selected the candidates as fairly as we could based on the information provided to us in the application process.

We regret to advise that your application was not one of those selected for the fall session of the 2010 FBI Citizens' Academy.

Once again, thank you for your interest in the FBI Citizens' Academy.

Sincerely yours,

Assistant Special Agent in Charge

Dear [Name],

Thank you for sending me the application to the Federal Bureau of Investigation Citizens' Academy that requested for me.

I am presently a volunteer with the San Ramon Police Department (San Ramon, CA) where I have been a volunteer for the last three years. I have been providing support for the Citizens Academy there as well as other assignments as they come up.

I graduated from the Citizen's Academy in 2008. The Academy was thirteen weeks long, one evening a week. We were also required to pass a background check for entrance into the Academy.

The references on the following page may be contacted as part of my background investigation and any security clearances needed.

Sincerely,

have also teamed up and volunteered to execute "If I Were A Thief" program on several occasions. Operating as a team, we park the Volunteer patrol car in the business park or shopping center where we will be operating, so that there is a clear police presence during our operation. We walk the parking lots, observing and making note of those items which citizens have left visible in their vehicle which would make it a target for criminal thievery. We then leave the "citation" under the windshield wiper of every vehicle, whether or not they had articles in view. If a vehicle has no visible items, we congratulate the owner and duly note that on the form. Each vehicle is given a "citation" so that in case there may be potential thieves coming into that parking lot, they won't be able to see which vehicles have a citation on them, thereby identifying which vehicles have items of value that could be stolen. We are clearly committed to service and support of our community.
