Synopsis: (U) To report results of Mosque outreach conducted with the ISLAMIC CENTER OF SANTA CRUZ on 05/20/2005.

Details: (U) On 05/20/2005, the writer and SA met with the ISLAMIC CENTER OF SANTA CRUZ, located at 4401 Capitola Road, Capitola, CA, telephone number 831-479-8982, concerning the FBI's ongoing contact with all Mosques and Islamic Community Centers in the FBI's San Francisco territory for the purposes of community outreach.

(U) The FBI joined just after the noon prayer when the congregation had left. The FBI met in an informal setting within the small office rented by the Mosque. The Mosque consists of a small single first floor room with partitions dividing the space and a small second floor. The Mosque described the Mosque as a prayer room, and stated that the member contributions do not even cover the rent.

A wide range of subjects were discussed.

(U) stated that the Santa Cruz community was very supportive of Islam. He advised that after the terrorist attacks of 09/11/2001, he found flowers outside the Mosques door on several occasions. Stated that he had only one or two incidents that caused him concern. The FBI stressed its willingness to aid the
community with any situations that required law enforcement intervention. Advised that prior to meeting with the writer, he did not know who to contact within the FBI if he needed help or was concerned about someone in the congregation who didn't belong or felt wrong. The FBI handed out business cards and FBI pens to [redacted] for contact information.

(U) [redacted] was very friendly and expressed an interest in continuing a dialogue with the FBI.
