29 Sept 09	Khalidullah	3825

STEP 1 (FINDINGS): By a preponderance of the information presented, the Detainee Review Board (DRB) determines:

The detainee meets the following criteria:

The detainee listed above is a person who planned, authorized, committed, or aided the terrorist attacks that occurred on September 11, 2001, and persons who harbored those responsible for those attacks;

The detainee listed above is a person who was part of, or substantially supported, Taliban or al-Qaida forces or associated forces that are engaged in hostilities against the United States or its coalition partners, including any person who has committed a belligerent act, or has directly supported hostilities, in aid of such enemy armed forces.

The detainee does not meet the criteria for internment. *(Stop here and sign at the bottom. Otherwise, continue with Step 2).*

STEP 2 (THREAT ASSESSMENT): Taking into account the detainee's potential for rehabilitation, reconciliation, and eventual reintegration into society:

Internment is necessary to mitigate the threat the detainee poses
[Yes/No]

STEP 3 (RECOMMENDATIONS): In light of the findings listed above, the DRB makes the following recommendation:

- The detainee should be released without conditions.
- The detainee should continue to be interned at the Bagram Theater Internment Facility (BTIF).

- The detainee should be transferred to Afghan authorities for participation in a reconciliation program.

[Detainee 3825 entered the boardroom and took his seat in front of the board members.]

The detainee was advised by the president of how this board was not a criminal trial and how this board was to determine whether or not he met the criteria for further internment.

The president also notified the detainee that he may be present at all open sessions of the board permitting that he acted appropriately. ISN 3825 was also advised that he could testify under oath or unsworn if he wished to do so, that he had a personal representative which was present at the hearing, that he may present information at the hearing including the testimony of witnesses, and that he can examine documents presented to the board all of which the detainee understood.

Further, ISN 3825 was instructed that, at the conclusion of the board after the legal review, the board would determine whether he met the criteria for further internment at the Bagram Theater Internment Facility. The detainee understood the fact that if he does not meet the criteria, then he would be released as soon as possible. However, if he did meet the criteria, then he would be recommended for further internment, transferred to Afghan authorities, or released without conditions.

[The unclassified hearing was called to order at 1144, 24 September 2009.]

Captain ^{(b)(3), 10 USC 130b; (b)(6)} presented the following unclassified information to the board:

ISN 3825 was captured (b)(1); (b)(2); (b)(5)

[Per the recorders request, the president granted a classified hearing at the culmination of the unclassified hearing.]

The detainee, ISN 3825, made the following statement:

I am innocent. I have not done anything. I am only a teacher. I have no connections to those groups whatsoever.

The president allowed the board to ask the following questions of Detainee 3825:

QUESTIONING OF ISN 3825

Questions by Member 1:

I am in prison, so I don't know of the current government. I am a teacher of the Qu'ran.

Question by Member 2:

I have no connection with jihadists. I am not familiar with the jihadists in the Khowst Province. I think that proper planning by the Afghanistan government would get jihad out of this country.

The president announced the conclusion of the unclassified hearing.

The president of the board instructed the detainee that he would be notified of the board's decision within a couple of weeks and that he would be released if the decision is made that further internment would not be required. However, if the board decided that further internment is required, he would be retained at the Bagram Theater Internment Facility, released to Afghan authorities for participation in a reconciliation program, or released without conditions. Furthermore, if continued internment was recommended, then an additional Detainee Review Board would be reconvened in 6 months.

The president of the board responded to a final question by the detainee:

You will learn of the decision of the board as soon as possible.

[The unclassified hearing adjourned at 1153, 24 September 2009.]

[Detainee 3825 withdrew from the boardroom.]

[The classified hearing was called to order at 1154,
24 September 2009.]

The recorder had no classified information to present to the board.

The president and members of the board voted on ISN 3825. The votes were then collected and handed to the legal representative.

[The classified session adjourned at 1155, 24 September 2009.]
