PROBLEMS AT THE POLLS

What if I’m not on the voter list?

First, ask the poll worker to check the list again and to confirm that you’re at the right polling place. If the poll worker doesn’t find you on the list, you can show your voter ID card or registration receipt that shows it’s your correct precinct and be permitted to vote on a regular ballot. MCL § 168.523a.

If you aren’t able to show any of these documents, you still have the right to cast a “provisional ballot.” That ballot won’t be counted, however, unless you bring ID to your clerk’s office before the close of business on November 8. If you have time and have ID at home or work, it’s usually better to get your ID and return to the polls to cast a regular ballot.

What if I go to the wrong polling place?

Go to the right polling place. You can ask a poll worker to help you find the polling place where you’re registered. You can also call your city or township clerk or look up your polling place at http://www.Michigan.gov/vote.

If you can’t figure out where you’re registered, go to the polling place that you think is most likely to be the right one for your address and ask for a provisional ballot. You have the right to cast a provisional ballot even if you’re not sure that you’re at the right polling place. MCL § 168.523a.

What if someone challenges my right to vote?

Ask to be sworn in and answer whatever questions are necessary to establish your eligibility. Once you truthfully answer questions that show that you’re eligible, you have the right to cast a regular ballot. MCL §§ 168.727-168.729

What if someone tries to intimidate or harass me?

Tell a poll worker right away. If the poll worker is the problem, tell your local clerk, or call one of the election hotline numbers listed below.

What if I make a mistake on my ballot or the optical scanner malfunctions?

If you make a mistake or spoil your ballot, tell a poll worker before you put it in the optical scanner. You have the right to a replacement ballot as long as you catch your mistake before you put it in the optical scanner. If your ballot is rejected by the optical scanner, ask for a replacement immediately. By law, you have the right to vote another ballot. MCL §§ 168.740, 168.795(b), 168.795(d)

How do I make a complaint?

First, ask the person in charge of your polling place. Candidates, political parties, and nonprofit groups may also have poll watchers outside your polling place who might be able to assist you. If any of those people ask you who you voted for, or if they can’t resolve your complaint, call your local clerk or call the Michigan Bureau of Elections at (517) 373-2540.
