Subject: FBI Comments on DOJ Policy on CSS

Elana- b5 per DOJ/OIP

Attached are FBI’s comments on the DOJ draft policy on CSS in “track changes.” Apologize for the delay, but we needed some additional time to coordinate these internally within the FBI.

Jim Baker and EAD Amy Hess have signed off on these edits, and we had our engineers also review for technical accuracy.

Please let me know if you have any questions, or if OLP desires a subsequent meeting to discuss.

Thanks.

Attached are STPLU’s comments on the latest draft, incorporating comments I also received from TTU.

FYI, I didn’t circulate them to the full address list – I kept it to OGC/OTD. I wanted to get your thoughts and OTD EM’s first.
