Review of Interrogation Videotapes

1. A review of the videotapes of the interrogations of two al-Qaeda detainees confirms that the cable traffic accurately describes the interrogation methods employed.

2. Confirm that the cable traffic accurately describes the interrogation methods.
SUBJECT: Review of Interrogation Videotapes

5. I inventoried all the interrogation materials. In addition to the 31 videotapes the materials included 61 videotapes, a logbook of notes:

7. 
I reviewed every minute of the videotapes in either the "play" or "play/fast forward" mode. My review of the videotapes confirms the cable traffic description that this

used a logbook to record notes.
SUBJECT: Review of Interrogation Videotapes

There is nothing remarkable about the interrogation and debriefing.

10. I reviewed every minute of the videotapes in the "play" mode.

My review confirms that the cable article accurately describes the interrogation methods employed.
13. [TS/□□□□□□] In summary, my review of the videotapes confirms that the cable traffic accurately describes the interrogation methods employed.
