Document Description:

This is a two-page email discussing what actions would make the tapes an official record. This document also contains information relating to the organization of the CIA. The documents also contain identifying information of personnel engaged in counter-terrorism activities, as well as attorney-client, work product, pre-decisional, and deliberative information. This document is withheld in its entirety on the basis of FOIA exemption b(5), and in part on the basis of FOIA exemptions b(3) and b(6). This document is withheld in its entirety on the basis of FOIA exemption b(5), and in part on the basis of FOIA exemptions b(3) and b(6).

Exemption b(3) - This document contains information relating to the organization, functions, and names of persons employed by the CIA that is specifically exempted from disclosure by section 6 of the Central Intelligence Act of 1949, as amended, 50 U.S.C.A. § 403g (West Supp. 2008), and thus is protected from disclosure by Exemption b(3).

Exemption b(5) – This document contains information relating predecisional deliberations, including preliminary evaluations, opinions, and recommendations of government employees, as well as CIA attorney work product conveyed for the purposes of soliciting legal advice. The information is therefore protected from disclosure by Exemption b(5).

Exemption b(6) - This document contains information relating to the identities of personnel engaged in counterterrorism operations, the disclosure of which would constitute a clearly unwarranted invasion of personal
privacy. The public interest in disclosure of the information does not outweigh the harm to the individual whose privacy would be violated, and thus the information is protected from disclosure by Exemption b(6).
