[8/26/20, 5:30:39 PM] Tyler Young 704: Copy

[8/26/20, 5:30:56 PM] Tyler Young 704: First out again?

[8/26/20, 5:30:58 PM] Elisha: I'll go live once we are staged there

[8/26/20, 5:31:13 PM] Tyler Young 704: Thanks

[8/26/20, 7:32:15 PM] Tyler Young 704: I will order you larger hats tomorrow

[8/26/20, 7:32:25 PM] Tyler Young 704: By the way the Bearcats got a flat

[8/26/20, 7:33:05 PM] Tyler Young 704: I told Gary to get Poms in route

[8/26/20, 10:01:18 PM] Elisha: Gearing down a bit, big crowd moving away from us

[8/26/20, 10:01:57 PM] Terri Hook Hook 703: Good to hear

[8/26/20, 10:02:09 PM] Tyler Young 704: Sheriff Beth is helping Gary try to find somebody to get a tire

[8/26/20, 10:48:26 PM] Tyler Young 704: What is the crowd smaller tonight?

[8/26/20, 10:48:47 PM] Elisha: We are on standby, protesters returned to courthouse park but are not causing problems

[8/26/20, 10:49:04 PM] Elisha: Crowd is smaller and did a march

[8/26/20, 10:49:14 PM] Tyler Young 704: Ok

[8/27/20, 12:39:29 AM] Elisha: No movement

[8/27/20, 1:04:04 AM] Elisha: Bearcat back operational

[8/27/20, 1:45:17 AM] Elisha: We are the last team at courthouse, nothing going on really, just waiting on relief

[8/27/20, 1:49:41 AM] Tyler Young 704: Well I guess I found out who is in charge

[8/27/20, 1:53:03 AM] Elisha: In charge of a plan to put 223 people on the ground, not sure why I won the button. Apparently I appear bossy enough to get it done :)

[8/27/20, 1:53:47 AM] Tyler Young 704: Appear?

[8/27/20, 1:54:05 AM] Elisha: 🙄

[8/27/20, 1:54:09 AM] Elisha: 😊

[8/27/20, 1:54:58 AM] Tyler Young 704: Anything else happening around town?

[8/27/20, 2:02:58 AM] Elisha: There was a convoy that was throwing some rocks in a suburban area, but not really anything big, more nuisance stuff

[8/27/20, 1:51:54 PM] Tyler Young 704: Give me a call before muster.

[8/27/20, 3:27:12 PM] Elisha: TJ arrived safe. John is staying with everyone else for duration. We will not need any replacements unless something emergent comes up

or injury occurs

[8/27/20, 3:27:46 PM] Tyler Young 704: Impressive!

[8/27/20, 4:59:25 PM] Elisha: At staging, leaving at 530, same mission as last night, courthouse

[8/27/20, 5:00:19 PM] Tyler Young 704: Are they using you as the intimidator again?

[8/27/20, 5:00:49 PM] Elisha: I believe so, when I checked in they said they appreciated my help last night

[8/27/20, 5:01:27 PM] Elisha: There are a ton of resources here now, it's crazy

[8/27/20, 9:07:29 PM] Tyler Young 704: Looking like there's been a job well done

[8/27/20, 10:30:23 PM] Elisha: Still no movement, still staged

[8/27/20, 10:31:12 PM] Tyler Young 704: Wow

[8/27/20, 10:31:12 PM] Tyler Young 704: You are Intimidating

[8/27/20, 10:31:55 PM] Tyler Young 704: Hear much from Bearcat

[8/27/20, 11:13:29 PM] Elisha: They are not moving either

[8/28/20, 1:19:33 AM] Elisha: Bearcat is stood down, we just went out as arrest teams with guard for small crowd But they ran away

[8/28/20, 1:46:37 AM] Terri Hook Hook 703: That is excellent.

[8/28/20, 3:50:30 AM] Tyler Young 704: Winning

[8/28/20, 3:54:30 AM] Elisha: Hoping for some action tomorrow, back at courthouse, same mission. They really appreciate us

[8/28/20, 3:55:33 AM] Tyler Young 704: Not as much as we do

[8/28/20, 3:57:03 AM] Elisha: Good! We are all doing really good, couldn't ask for better guys!

[8/28/20, 9:52:29 AM] Tyler Young 704: Please check your email when you get up

[8/28/20, 9:57:48 AM] Tyler Young 704: Call me first

[8/28/20, 3:46:51 PM] Tyler Young 704: How are you on gas and bean bag stuff?

[8/28/20, 3:48:21 PM] Elisha: 23 shotgun rounds and 5 throwables for field team with backups in bear cat. Kenosha is working on getting us more ammo for everything including pepperball

[8/28/20, 3:48:58 PM] Tyler Young 704: Ok

[8/28/20, 4:39:38 PM] Elisha: Staging and headed to the courthouse at 5:30, could be a real interesting night tonight, intel says it's going to get busy

[8/28/20, 4:40:55 PM] Tyler Young 704: Keep me as posted as possible. Is Gary or John with you?

[8/28/20, 4:41:23 PM] Elisha: Gary with me, TJ and Jon in bear cat

[8/28/20, 4:41:36 PM] Tyler Young 704: Copy

[8/28/20, 6:37:38 PM] Elisha: Always!  
[8/28/20, 8:57:56 PM] Tyler Young 704: I told barber that I would let him know by noon whether or not he's going down.  
[8/28/20, 9:59:58 PM] Elisha: There is 1 person in the park, literally 1, and nothing is going on in the city. It has been radio silence. Extra personnel are not needed at this point as there is virtually unlimited resources at our disposal.  
[8/28/20, 10:01:01 PM] Tyler Young 704: Wow  
[8/28/20, 10:01:13 PM] Tyler Young 704: Sounds good  
[8/28/20, 10:02:16 PM] Tyler Young 704: Be careful. He could be as tough as me☹️  
[8/28/20, 10:03:16 PM] Elisha: Mitch asked if he could come back and I told him it wouldn't be necessary  
[8/28/20, 10:03:46 PM] Tyler Young 704: Ok  
[8/29/20, 1:21:03 AM] Elisha: Bear cat did not leave staging and we did not go out from courthouse.  
[8/29/20, 1:23:49 AM] Elisha: Tomorrow they asked us to start earlier and we will be on call because there is an event with Blake's mom in civic park at noon  
[8/29/20, 3:28:03 AM] Tyler Young 704: Ok  
[8/29/20, 2:00:55 PM] Elisha: Is Barbour coming? Just checking because I have not heard anything today  
[8/29/20, 2:01:44 PM] Tyler Young 704: No  
[8/29/20, 3:37:22 PM] Elisha: We are at staging  
[8/29/20, 3:37:36 PM] Elisha: Large crowd, leaving to courthouse soon  
[8/29/20, 3:37:45 PM] Tyler Young 704: Ok  
[8/29/20, 5:38:00 PM] Elisha: Crowd mostly dispersed, staged at courthouse  
[8/29/20, 5:38:20 PM] Tyler Young 704: Awesome  
[8/29/20, 5:38:26 PM] Dan Hess 702: Excellent  
[8/29/20, 6:32:56 PM] Elisha: I have a list of the people we are working with down here. Would I be able to get them department coins and thank you?  
[8/29/20, 6:34:21 PM] Tyler Young 704: I am unsure on how many coins we have. Let's check Monday  
[8/29/20, 6:43:46 PM] Dan Hess 702: Should not be a problem. I have to order more.  
[8/29/20, 6:44:24 PM] Elisha: Thank you!  
[8/29/20, 6:45:43 PM] Elisha: About to brief here. Same agitators here as Tuesday so may be an interesting night  
[8/29/20, 8:11:16 PM] Elisha: Geared up and getting ready to go out  
[8/29/20, 8:11:26 PM] Elisha: Location:  
<https://maps.google.com/?q=42.585022,-87.823097>  
[8/29/20, 8:24:47 PM] Tyler Young 704: Trump is coming to Kenosha Tuesday  
[8/29/20, 8:37:38 PM] Elisha: We were stood down  
[8/29/20, 8:37:41 PM] Elisha: :(  
[8/29/20, 8:40:59 PM] Tyler Young 704: For tonight?  
[8/29/20, 8:41:40 PM] Elisha: No, we are all geared up ready to go out the gate, we are just staged back in the courthouse

[8/29/20, 11:43:23 PM] Tyler Young 704: You're obviously in the car  
[8/29/20, 11:43:37 PM] Elisha: We just got released, have to be back on call at 10 am for a back the blue rally

[8/29/20, 11:43:39 PM] Tyler Young 704: Is everything OK  
[8/29/20, 11:43:49 PM] Elisha: Headed to hotel  
[8/29/20, 11:44:02 PM] Tyler Young 704: OK. I just got nervous sorry  
[8/29/20, 11:44:25 PM] Elisha: No sir! We are all good!  
[8/29/20, 11:45:34 PM] Tyler Young 704: Hate to be the helicopter parent. But this shit is driving me crazy  
[8/29/20, 11:47:37 PM] Elisha: No worries at all! Your son is my driver so I can make sure he's good :)  
[8/29/20, 11:48:34 PM] Tyler Young 704: If not beat his ass  
[8/29/20, 11:49:10 PM] Elisha: Good copy!  
[8/30/20, 12:37:56 AM] Elisha: I will update on tomorrow, everyone is doing really good and I feel lucky to have such great guys who are always ready at the drop of a hat for whatever Kenosha needs. Really proud of all of them.  
[8/30/20, 9:27:50 AM] Terri Hook Hook 703: Hope today goes well  
[8/30/20, 11:19:08 AM] Elisha: We've been on call since 10 and the protest this morn is small and peaceful  
[8/30/20, 11:46:13 AM] Tyler Young 704: Ok  
[8/30/20, 11:46:50 AM] Elisha: Unless crazy happens, we will be enroute home by 2am  
[8/30/20, 11:47:10 AM] Tyler Young 704: Ok  
[8/30/20, 11:47:47 AM] Tyler Young 704: Keep me posted about who's going to work shifts if they Choose to  
[8/30/20, 12:10:59 PM] Elisha: Baran and I are the only ones who will be on shift when we return and will not be working, the others working Monday night have either already taken pto or will be working, Jon and Gary  
[8/30/20, 12:11:34 PM] Elisha: The others all enter off week tomorrow  
[8/30/20, 12:11:55 PM] Tyler Young 704: Ok  
[8/30/20, 12:12:39 PM] Elisha: Do Baran and I need to take pto for tomorrow?  
[8/30/20, 12:14:01 PM] Tyler Young 704: If you want it off and you're coming home at 2 AM  
[8/30/20, 12:14:20 PM] Tyler Young 704: Otherwise you could sleep there and drive home  
[8/30/20, 12:14:23 PM] Elisha: Copy  
[8/30/20, 12:15:58 PM] Elisha: I will be off, checking on Baran  
[8/30/20, 12:16:25 PM] Tyler Young 704: Ok  
[8/30/20, 12:18:51 PM] Elisha: Baran and I will both take pto  
[8/30/20, 12:19:21 PM] Tyler Young 704: Ok  
[8/30/20, 3:03:07 PM] Elisha: Headed to staging, the protest this morn didn't amount to anything  
[8/30/20, 4:02:38 PM] Tyler Young 704: Ok  
[8/30/20, 4:07:30 PM] Elisha: Going to courthouse at 430, it's just us and guard tonight  
[8/30/20, 4:08:05 PM] Tyler Young 704: Yikes  
[8/30/20, 4:12:57 PM] Tyler Young 704: Driving home from moving Aryssa in to lacrosse. Jon just called and said they may be looking for the bearcat and tactical on Tuesday night.  
[8/30/20, 4:14:57 PM] Elisha: I know they're looking for resources to see who is available, have you heard anything on a new EPS request?  
[8/30/20, 4:15:52 PM] Tyler Young 704: They said they would send one out until later. They're trying to see who's down there now would be willing to come back. I am under the impression they like the teams they have had

[8/30/20, 4:16:43 PM] Elisha: When I told my contacts that we were going home they were sad. They are scaling back tomorrow, but if they wanted us for Tuesday night we could do that

[8/30/20, 4:17:13 PM] Tyler Young 704: Should you check with the rest of your team or did you already do that?

[8/30/20, 4:17:27 PM] Elisha: Would Grady support us coming down for Tuesday?

[8/30/20, 4:18:17 PM] Tyler Young 704: I'm thinking he would I just need to confirm. President trumps going to be there Tuesday

[8/30/20, 5:15:13 PM] Elisha: 12 avail to come Tuesday

[8/30/20, 5:15:35 PM] Tyler Young 704: How many of those are Oneida county

[8/30/20, 5:16:24 PM] Tyler Young 704: I guess the point being is we're going to 710 from Oneida County

[8/30/20, 5:16:44 PM] Tyler Young 704: 3 to 4 SRT from Oneida Three from Vilas unknown from Langlade with our bearcat

[8/30/20, 5:24:45 PM] Elisha: 9 with just who I have

[8/30/20, 5:24:49 PM] Elisha: Chris Coniglio  
Mike Baran  
Devon Gaszek  
Luke Linsmeyer  
Trevor Young  
Mitch Ellis  
Mack Jenz  
Andy Hopfensperger  
Ryan Schwalter  
Tom Zuelsdorff  
Gary Loduha  
Elisha Williams

[8/30/20, 5:26:39 PM] Tyler Young 704: I'll need to get two more for Oneida Grady wants 10 Oneida County deputies other agencies are a bonus

[8/30/20, 5:29:07 PM] Elisha: We have 9 already for MFF, Bearcat will need to be covered with two

[8/30/20, 5:30:18 PM] Tyler Young 704: I count eight

[8/30/20, 5:31:12 PM] Tyler Young 704: And I am assuming you're requesting Gary for the less lethal capability

[8/30/20, 5:31:17 PM] Elisha: Oh crap, I'm tired, was counting Devon with us

[8/30/20, 5:31:25 PM] Elisha: And yes on Gary

[8/30/20, 5:31:29 PM] Tyler Young 704: Not yet

[8/30/20, 5:31:48 PM] Tyler Young 704: Wells from Oneida would you want?

[8/30/20, 5:32:02 PM] Tyler Young 704: I'm thinking I can't be SRT because you already have Gary and I've got to send three SRT separate from you

[8/30/20, 5:33:15 PM] Tyler Young 704: The ship will leave Oneida County At 4 AM Tuesday morning morning

[8/30/20, 5:33:53 PM] Elisha: I need to confirm our time because field force is separate from TAC response

[8/30/20, 5:34:18 PM] Tyler Young 704: I understand.

[8/30/20, 5:34:30 PM] Tyler Young 704: And I will need the EPS request

[8/30/20, 5:34:53 PM] Elisha: Do you want 10 Oneida on my team or does that 10 number include srt sent?

[8/30/20, 5:35:20 PM] Tyler Young 704: The 10 does not include SRT send

[8/30/20, 5:35:57 PM] Tyler Young 704: I am counting Gary towards your 10 though

[8/30/20, 5:36:45 PM] Elisha: I have one Oneida who is a maybe, working on child care and one who can't leave until 8 am do to child care. So I could take Taft

[8/30/20, 5:37:40 PM] Tyler Young 704: He won't listen to you☺

[8/30/20, 5:37:47 PM] Elisha: Yes he will

[8/30/20, 5:37:57 PM] Tyler Young 704: He's going to have to listen to your ATL

[8/30/20, 5:38:19 PM] Elisha: Mitch and Congo

[8/30/20, 5:38:26 PM] Tyler Young 704: So that brings us up to nine

[8/30/20, 5:40:22 PM] Elisha: Keller is working it now, that would be 10

[8/30/20, 5:45:41 PM] Tyler Young 704: OK

[8/30/20, 6:00:22 PM] Elisha: They are working on EPS request

[8/30/20, 6:00:31 PM] Elisha: We are also needed at 0800

[8/30/20, 6:03:44 PM] Elisha: Are you available for a call?

[8/30/20, 6:05:10 PM] Tyler Young 704: I don't know how Taft is going to want to work that. I would suggest taking Monday off

[8/30/20, 6:05:25 PM] Elisha: Same thing for Gary

[8/30/20, 6:05:52 PM] Tyler Young 704: I agree. Let me know so I can have Stetson start scheduling night shifters for Monday and probably Tuesday

[8/30/20, 6:06:39 PM] Elisha: Gary and Taft both need off, confirmed with them

[8/30/20, 6:07:14 PM] Tyler Young 704: I will have Stetson start scheduling

[8/30/20, 6:09:32 PM] Elisha: Can I call?

[8/30/20, 6:09:51 PM] Tyler Young 704: Yes

[8/30/20, 6:25:16 PM] Elisha: Keller cannot because of [REDACTED] morn. Can we have Bobby for pepperball?

[8/30/20, 6:26:00 PM] Tyler Young 704: To many SRT

[8/30/20, 6:27:12 PM] Tyler Young 704: You have lots of people from the jail trained in pepper ball

[8/30/20, 6:28:19 PM] Elisha: I just meant Bobby has never been on line so he could be used as pepperball. I have plenty trained for it.

[8/30/20, 6:28:50 PM] Elisha: Do we really need 10 Oneida on my team when we are sending SRT contingent?

[8/30/20, 6:29:48 PM] Tyler Young 704: Yes

[8/30/20, 6:29:51 PM] Elisha: If so, idk who else from Oneida, maybe Erikson?

[8/30/20, 6:31:07 PM] Tyler Young 704: Might have to figure it out in the morning

[8/30/20, 6:33:52 PM] Elisha: I would prefer people I've worked with especially considering we might be jumping right into something when we get here

[8/30/20, 6:34:28 PM] Tyler Young 704: I guess that's me...

[8/30/20, 7:30:36 PM] Tyler Young 704: For SRT it will be Barber Stetson and Johnson

[8/30/20, 7:33:51 PM] Tyler Young 704: Evers asked Trump not to come.

[8/30/20, 7:48:56 PM] Elisha: I saw that.:. I'm sure he will listen...

[8/30/20, 7:49:37 PM] Elisha: ☺

[8/30/20, 7:49:54 PM] Elisha: Are the guys tomorrow covered for shift?

[8/30/20, 7:50:10 PM] Tyler Young 704: I would think so

[8/30/20, 7:50:20 PM] Tyler Young 704: I don't know what they had scheduled for transports and stuff.

[8/30/20, 7:50:42 PM] Elisha: I meant Taft and Gary for tomorrow night

[8/30/20, 7:50:50 PM] Tyler Young 704: I can call and check but I'm sure somebody will cover for him

[8/30/20, 7:51:29 PM] Tyler Young 704: Some people realize that the alternative is to go to Kenosha. Some people don't want to go and some people are begging to go

[8/30/20, 7:52:40 PM] Elisha: It wasn't fun before... Now that we've gotten into stuff

now it's fun and appealing .... And even less fun for others

[8/30/20, 7:53:13 PM] Tyler Young 704: It's funny how that works

[8/30/20, 8:48:56 PM] Elisha: I don't think the two that are not coming down with us should have to work a third shift tomorrow night after being down here all week. We were just told that they were the only two left in the county to work third shift tomorrow.

[8/30/20, 8:50:35 PM] Tyler Young 704: Just saw stay organized give me the names

[8/30/20, 8:52:00 PM] Tyler Young 704: So I stay organized

### **August 25, 2020 After Action Report – Kenosha Riots**

On Tuesday, August 25, 2020, members of the South Shore Joint Tactical Unit responded to Kenosha, Wisconsin, as part of a S.M.A.R.T. call to assist with QRF (Quick Reaction Force).

Responding to Kenosha was Cudahy Officer Adam Wege, South Milwaukee Officers Matt Kramer and Joseph Benson, and St. Francis Officer Johnnie Mielcarek. Officers brought riot gear (shield, helmet, and batons), full tactical kits, and Officer Wege brought a long rifle. Per the request, no chemical or less lethal munitions were brought and officers arrived to the location in the St. Francis Tactical Van.

Upon arrival to Bradford High School north parking lot (Command Post), SSJTU checked-in and were assigned to QRF Team 1 to respond and assist the Kenosha PD with high-risk calls. Shortly after, SSJTU was re-assigned and teamed with the Oneida County Sheriff's Office in their Bearcat with two Oneida County Operators (Jon Keckeisen and Gary Loduha). As part of this armored team with no chemical/ gas or less lethal munitions, SSJTU/Oneida County (referred to hereinafter as SSJTU) were assigned as Command Post security and reserve armor.

SSJTU's first assigned mission was to follow a Franklin PD squad to deliver supplies to crowd control officers at the Kenosha County Courthouse. While enroute to the courthouse, SSJTU's path was blocked by protestors at 52nd St and Sheridan Rd. There was no engagement with protestors and the mission was aborted. Squads returned to the CP to re-group while an unmarked unit delivered the supplies to their target.

SSJTU then remained at the CP until approximately 2230 hours when orders were given to deploy and assist other armored units (MRAPS and Bearcats) for crowd dispersal on Sheridan Rd. The Oneida County Sheriff's bearcat sustained exterior damage at this time from several rioters who threw large objects (possibly bricks). SSJTU remained near 57th St and Sheridan Rd while crowds were ordered to disperse approximately one block ahead. Armored units with chemical munitions began to push crowds southbound on Sheridan Rd.

While stationary near 60th St and Sheridan Rd, a crowd began to run southbound on Sheridan Rd and advised crowd control officers in the area of a shooting to the south on Sheridan Rd. This was followed by significant radio traffic of multiple persons shot south of the armored vehicles

location on Sheridan Rd. Orders were given for armored units to extract victims who were shot. SSJTU responded with several other armored vehicles and headed towards those injured.

On Sheridan Rd between 61st and 62nd Streets, law enforcement encountered two persons shot and lying in the street. SSJTU bypassed one injured with a significant gunshot wound to the right bicep and came to a stop with another injured victim with a gunshot to the chest area. Operators exited and provided lethal cover to the north and south of this location while other armored units secured the two subjects for evacuation. Once loaded, SSJTU provided cover for the bearcat transporting the victim with the GSW to the chest. The victim was transported a short distance away to the Froedtert South Kenosha Medical Center Emergency Room.

Our unit then cleared from the hospital and immediately located a subject crouched over and walking towards the ER with a shirt pressed to his stomach. This subject was on 62nd St a short distance north of the ER entrance. Believing this was another GSW victim, Operator Keckeisen and Operator Benson assisted this subject in walking into the ER. It was later learned this subject was shot by an impact or chemical munition during the crowd dispersal commands and did not have a significant injury. Operators returned to the SSJTU bearcat for further missions.

A short time later, CP requested SSJTU respond to 6215 10th Avenue (located across the street from the hospital) to assist the FBI and other armored units. Based on information provided by citizens, it was believed the shooting suspect was hiding inside of this location. SSJTU assisted by providing concealment and cover for FBI agents to enter the residence. The bearcat was utilized to create a path through a wooden fence and then pinned an exterior door of the residence located on the C-side. After approximately an hour, it was determined the suspect was not inside of the building and our unit was cleared for further missions.

CP advised SSJTU could return to the CP to rehabilitate and restock for further missions. Once at Bradford High School, the CP released SSJTU around 0245 hours.

There were no Uses of Force during SSJTU's deployment and no injuries were reported.

## Algiers 23-24-25

On 8-23-20 I, Officer Algiers, was on duty and in full uniform for the Village of Pleasant Prairie, Kenosha County, State of Wisconsin. At approximately 6:05pm I was requested to respond to Bradford High School for a Kenosha County Tactical Response Team (TRT) activation (KSD# 2020-333832). TRT was requested to assist with crowd control at the scene of a shooting at 40<sup>th</sup> St. and 28<sup>th</sup> Ave in the City of Kenosha. I responded to our staging area shortly after and was assigned to Team 2, a four-man team in a marked Kenosha County pickup truck.

Team 2 responded to the scene of the shooting at approximately 8:20pm and assisted with crowd control at 41<sup>st</sup> St. and 28<sup>th</sup> Ave. There was a crowd of approximately 50 or more people in the area of 41<sup>st</sup> St. and 28<sup>th</sup> Ave. While assisting with scene security here there were several unknown subjects that were yelling "fuck 12" and "fuck the police" at us. Racine County Riot Team then arrived on scene and assisted with crowd control at the intersection of 41<sup>st</sup> St and 28<sup>th</sup> Ave. At approximately 9:14pm an officer from the Kenosha Police Department at the crime scene was struck in the head with a thrown brick and went unconscious. At approximately 9:30pm we were advised that we could clear from the scene. Our truck followed the Racine County Riot team as they walked southbound on 28<sup>th</sup> Ave to 45<sup>th</sup> St to a city transit bus. While escorting the Racine County Riot team to their transit bus the large crowd from the scene was following our fully marked Sheriff pickup truck. The crowd continued to yell profanities at us and began throwing objects at our truck and at the riot team we were escorting. Multiple bricks and rocks struck our truck and broke out the rear window of the truck cab. At approximately 9:40pm the riot control team was able to board the city transit bus and we were able to clear from the scene.

We returned to staging at Bradford High School. We were then assigned to the Public Safety Building (PSB) due to a large crowd gathering outside here. Team 2 responded to the north side of the PSB to provide security for the building and property. Approximately 12 to 20 unknown subjects were in the parking lot at 54<sup>th</sup> St. and 10<sup>th</sup> Ave. I observed damage to marked squad cars parked on the 1000 block of 54<sup>th</sup> St. I also observed a subject standing on top of a marked squad car, jumping on top of the roof, causing extensive damage to the vehicle. Subjects then began throwing rocks, bricks, and bottles at officers. Due to the violent behavior of this crowd and the unprotected property, including gas pumps, the decision was made to deploy chemical munitions to disperse this crowd. I then deployed one canister of Riot CS chemical munitions gas on to the 1000 block of 54<sup>th</sup> St. The chemical gas was effective in dispersing the crowd and the crowd moved north towards 53<sup>rd</sup> St. We continued to provide security for the north side of the PSB until additional riot personnel arrived. We were advised via radio that there was a large group of people gathering on the 5500 block of 10<sup>th</sup> Ave. This group was actively throwing rocks at the Kenosha County Tactical Unit armored vehicle, PSB, and the Courthouse. We were also advised that the group was attempting to light the courthouse on fire. We responded to the 5400 block of 10<sup>th</sup> Ave. The crowd was advancing northbound on 10<sup>th</sup> Ave and continuing to throw rocks and other debris at uniformed officers. I then deployed one CS Riot chemical agent on 10<sup>th</sup> Ave north of 56<sup>th</sup> St. I also deployed one 40mm Exact Impact munition to an unidentified subject that was attempting to pick up a CS chemical agent gas canister. This round was delivered to the primary impact areas of the subject.

On 8-24-20 I was assigned to Team 2 during the disturbance at Civic Park in Kenosha (KSD# 2020-333833). Team 2 was deployed to the south side of the Kenosha County Courthouse. There was a large crowd of hostile subjects gathering in the park directly south of the courthouse. This crowd was actively throwing rocks, glass bottles, and fireworks at officers protecting the south side of the courthouse.

Several officers and armored vehicles gave verbal command to the group to disperse due to the unlawful assembly. I deployed numerous 40mm exact impact rounds at subjects that were actively throwing dangerous objects at officers. I also deployed 40mm exact impact rounds at subjects attempting to pick up or manipulate CS chemical gas canisters that were deployed in this area. I deployed various 40mm exact impact rounds, including regular range impact munitions, OC exact impact munitions, CS exact impact munitions, and extended range OC impact munitions. I deployed a total of three 40mm 50 meter Warning/Signaling munitions. An officer from the crowd control team on the south east corner of the courthouse was injured and fell to the ground. This line of officers began to collapse due to various objects and fireworks being thrown at them and attempting to protect the injured officer. I deployed an aerial warning/signaling munition, at an upward angle, to the area of 56<sup>th</sup> St. and Sheridan Rd. to disperse the violent crowd. Two additional aerial warning/signaling munitions were deployed to large group of subjects in Civic Park that were creating a barricaded wall. As they created this wall they were advancing towards crowd control officers in front of the courthouse while also throwing objects at them. These two aerial warning/signaling munitions were deployed in an upward angle in the direction of the subjects in the park.

On 8-25-20 I was assigned to Team 2 again during the disturbance at Civic Park in Kenosha (KSD# 2020-333836). Team 2 was deployed as a mobile field force to the area of 56<sup>th</sup> St. and Sheridan Rd. Officers and armored vehicles gave verbal warnings to the crowd to disperse but they refused to listen to commands. While at this intersection officers were being struck with large bricks and rocks from subjects on the south east corner of 56<sup>th</sup> St. and Sheridan Rd. Crowd control teams began to deploy CS chemical agents to disperse the violent crowd. While the chemical agents were in use I deployed several 40mm exact impact munitions at subjects that were attempting to kick and/or pick up the chemical agent canisters. Crowd control officers began moving the violent crowd southbound on Sheridan Rd. from 56<sup>th</sup> St. This crowd continued to throw fireworks, rocks, glass bottles, and other miscellaneous items at officers. An unknown subject in the crowd threw a yellow blow torch tank containing propane fuels. This tank was turned to the on position and actively dispersing propane gas at officers. I then deployed additional 40mm exact impact rounds at the primary target areas of this crowd.

## Valeri Report

On 08/23/2020, I PO A. Valeri 603 was activated as a Kenosha County Tactical Response Team (TRT) Operator, after an Office Involved Shooting, for crowd control. All actions taken by me on this report were as a KSD TRT Operator. On this day, I was assigned to the KSD Bear Cat. Later in the night, we were positioned near the Kenosha County Courthouse (912 56<sup>th</sup> St). The Bear Cat was being surrounded by hostile and unruly participants of the riot. Some of these people were armed with firearms. The situation became increasingly dangerous as the participants started to throw projectiles at the Bear Cat. They refused to move out of the way of the Bear Cat. For a safe extraction and crowd dispersal I threw one CS Sting Ball through a port on the driver side of the Bear Cat. Prior to this I was seated by the window behind the rear driver side door, which was struck by a bullet of sharp projectile which caused the window to crack. See KSD CN 2020-333515.

On 08/24/2020 I was assigned to the KSD TRT MRAP. I did not throw or shoot any munitions on this day but did assist with scene guard at a structure fire near 60<sup>th</sup> St/11<sup>th</sup> Ave.

On 08/25/2020 I was again assigned to the KSD TRT MRAP. We were positioned at the Kenosha County Courthouse for a very large hostile crowd. Shortly after arrival, the MRAP was being struck by projectiles. Announcements were given to crowd to disperse, for which they did not comply. As the MRAP moved south through Civic Park, I was tasked with less lethal munitions. Do to the incoming projectiles striking our vehicles and the hostile/unruly crowd at Civic Park, I threw 1 CS Han-Ball towards that crowd, causing them to disperse. Using several other armor units, we were able to cause the crowd to disperse out of the park and onto Sheridan Rd. While on Sheridan Rd, our MRAP continued to be struck with projectiles from the crowd on Sheridan Rd. We were in the 5700 block of Sheridan Rd, when a group was pushing a dumpster with unknown contents towards us. We were still being struck by projectiles and the crowd was refusing to disperse from the area after verbal commands. I deployed three more CS Han-Balls towards the crowd that was throwing items at us. I also deployed and fired 5 bean bag rounds using a 12 gauge shotgun, which was colored bright orange and labeled "Less Lethal." My point of aim for the less lethal shotgun was the primary target zone of the lower body. The bean bags were directed towards those that were throwing projectiles at the MRAP.

Other Officer's in the MRAP also deployed less lethal munitions, see their reports for further information.

I did not deploy an other munitions on any other day up to 09/04/2020. Further reports will be completed if I deploy further munitions in the days to come.

Nothing further to report.

FIELD CASE REPORT**

CASE# 2020-00333836

**NARRATIVE**

On August 25<sup>rd</sup>, 2020 at approximately 3:00 PM, the City of Kenosha Police Department requested the assistance of the Kenosha County Tactical Response Team (TRT) with a civil unrest situation stemming from an officer involved shooting which occurred near 40<sup>th</sup> St. and 28<sup>th</sup> Ave. in the City of Kenosha. This initial incident occurred under KPD case #2020-46498. The request was made as a continuation of the mutual aid request due to continued civil unrest and rioting which was occurring within the City of Kenosha. Multiple agencies had also responded to assist the Kenosha Police Department.

At approximately 7:00 pm, TRT personnel was forward staged at Bradford High School (3700 Washington Rd.). The following list of vehicles/personnel was utilize:

- KSD Truck #533 - KPD Detective/ATL B. Wilson #533
- KSD Truck #534 - KSD Detective/ATL J. Scifres #534
- KSD MRAP #317 - KPD Sergeant/Operator T. Zukauskas #550
- KSD Bearcat #535 - KSD Detective/TL J. Zarletti #239

TRT members were separated to provide not only assistance to the Kenosha Police Department but also to the multiple agencies that had responded to assist. Mobile field force 1 was set up which included the Bearcat and truck #534. This unit was a combined unit of TRT, Kenosha Police Crowd Control Unit, and Kenosha Police patrol officers. This unit was set up to respond to situations which arose requiring additional assistance that patrol could not safely handle. Truck #533 was implemented in mobile field force 2 to perform similar tasks. The MRAP staged for a period of time in the high school parking lot.

A large violent crowd had again amassed in Civic Park, south of the Kenosha County Courthouse. This crowd was again throwing heavy debris items at law enforcement personnel, damaging buildings, and blocking traffic on Sheridan Rd. and 10<sup>th</sup> Ave. TRT members from Mobile Field Force 1 (MFF 1) were sent to provide security assistance to KPD officers who were reporting a break in at the Dinosaur Discovery Museum. MFF1 responded and was able to set up security around the building and also conduct a protective sweep of the interior of the building for any persons inside. No persons were located and the building was eventually secured. MFF 1 remained on scene in order to prevent movement of the violent crowd back to the museum.

CASE# 2020-00333836

**NARRATIVE (continuation)**

TRT members in Mobile Field Force 2 (MFF 2) were utilized in the 5800 block of Sheridan Rd. to control crowds in that area. MFF 2 was utilized to disperse the crowd south on Sheridan Rd. and cease the unlawful assembly. The MRAP was also utilized to assist MFF 2 with dispersing the crowd southbound on Sheridan Rd. During this dispersement, TRT members utilized less lethal and chemical munitions to disperse the crowd. The crowd was using bricks, rocks, firework mortars, and other items to assault law enforcement officers on scene. Force was used against those hostile subjects in order to cease their assaultive behavior.

MFF 1 was redirected to a reported fire at The Real C&M Truck Repair (1108 - 60<sup>th</sup> St.). MFF 1 was advised that tires were reported to be on fire in the lot at that location. MFF 1 was to provide scene security for Kenosha Fire Department personnel to respond to extinguish the fire. MFF 1 responded and was able to secure a portion of 60<sup>th</sup> St. from 10<sup>th</sup> Ave. to 13<sup>th</sup> Ave. MFF 1 stood by until the fire was extinguished.

During the time MFF 1 held the scene, chemical and less lethal munitions were deployed to disperse a crowd that began throwing bricks and rocks at law enforcement personnel on scene. Once that hostile crowd was disbursed, use of chemical and less lethal munitions ceased.

Once hostile crowds had been dispersed, TRT members returned to staging and were eventually cleared at approximately 3:00 am. Reports were completed by TRT members who utilized less lethal and or chemical munitions. Those reports are either attached with this report or completed as supplements under this case number. No further action was taken.
