Domain Management (DM) is conducting formal assessments on the identified priority threats within the Sacramento Division. To this end, DM completed a baseline assessment of the current Cyber Intrusion threat. This assessment will be documented to file, provided electronically to all parties identified in the attention line, and loaded electronically. While the findings will not be included herein, a summary of the findings are included and additional information can be requested from writer, SIA or SSA. The executive summary is as follows:

( )
To: Sacramento  From: Sacramento
