Case ID #: (Pending)
Title: DOMAIN MANAGEMENT ADMINISTRATION

Synopsis: (U//FOUO) To document procedures to be followed by San Francisco aimed at helping decision makers understand and mitigate threats to the San Francisco Domain. In order to produce DINs:

- (U//FOUO) Conduct research using applicable databases including open sources, ACS, ...
- (U//FOUO) Hold official research meetings, preferably to be attended by all operational and intelligence Supervisors, Special Agents, and Intelligence Analysts working the topic. Will ensure that an agenda is sent out to meeting participants beforehand and will use that agenda as a basis for leading the meeting. After these meetings are concluded, the...
