Re: Citizens' Academy

Dear [Name],

On behalf of the FBI Citizens' Academy and the San Francisco Division of the FBI, we would like to thank you for your interest in the fall session of the 2010 FBI Citizens' Academy. There has been overwhelming interest in the FBI Citizens' Academy and a large volume of applicants. While our wish was to have all applicants accepted, due to the high quality of respondents, this was not possible. We evaluated and selected the candidates as fairly as we could based on the information provided to us in the application process.

We regret to advise that your application was not one of those selected for the fall session of the 2010 FBI Citizens' Academy.

Once again, thank you for your interest in the FBI Citizens' Academy.

Sincerely yours,

has a year-old son and a old daughter, and one of his greatest desires is to see them grow up in a safe, healthy community. This desire makes him an excellent candidate for the FBI Citizens’ Academy, which has a history of community service, which began with his involvement in the as a youth. On his pathway, he took part in numerous community service projects. One such project involved him leading a group of 20 volunteers to help build a running track at his former elementary school. He also learned about the purpose and importance of local government and what it means to be a good citizen. As a young adult, volunteered to serve a 2-year mission for his church as a missionary he spent each day talking to and helping people in their respective communities. He worked with many families and learned first-hand about the vital role that families play in society. Now that he has a family of his own, he is even more motivated to play an active role in his community. Currently he participates in community service with other members of his church congregation. In May his church called upon its members to volunteer in a day of service known as As a result, members of his local congregation in San Jose spent an entire day renewing and beautifying. In closing, has a history of serving his community and he will continue to do so in the future, which is why I am nominating him for the Citizens’ Academy.
