Title: COMMUNITY OUTREACH PROGRAM
SAN FRANCISCO DIVISION

Synopsis: To document writer's participation in the Antioch Unified School District's (AUSD) "We Are One, Service Day" in Antioch, CA on 04/22/2009.

Details: On 04/22/2009, writer and employees from the San Francisco Division participated in a joint initiative, "We Are One, Service Day", a program to support at-risk students in the Antioch Unified School District. The program was launched to assist at-risk students in Antioch in making informed decisions regarding drugs, gangs, alcohol, and violence. Representatives from the National Guard and the Antioch Police Department were also in attendance.

During the event, SA provided remarks to the student body on the FBI's involvement in the AUSD program. SAs displayed an arrangement of SWAT tactical equipment and answered questions from students with regards to the FBI's SWAT program. SA and writer provided information on the inclass fingerprint kits and collected DNA samples from the students which were then affixed to the kits. SAs from the Evidence Response Team, provided an interactive station where students had hands-on experience dusting and lifting for fingerprints.

Approximately 120 at-risk students from AUSD participated in the first annual "We Are One, Service Day".
