Progress to Date: A San Francisco Division SSA recently traveled to FBIHQ to justify and renew a contract with the FBI. A two year contract was renegotiated between the Chief Contracting Officer, and the finance section.

Objective Accomplished/Not Accomplished: Accomplished with further progress anticipated.
Objectives for 4/2005 Semi Annual Report for

Objective: will complete the "Mosque Outreach Project" and make contact with the approximately thirty Mosques and organized groups that exist in the South Bay. The person(s) of responsibility at each location will be personally contacted by Agents and and briefed on the FBI and the availability of the contact Agents to answer questions and speak to the congregation should they choose. Each Mosque/Group will have at least two available points of contact at the FBI office that they hopefully have a professional relationship with. A power point presentation will be developed and made available to assist the agents with their presentations and to ensure a level of consistency.

Objective: Determine if (315B-SF-137799) is still engaged in Further establish if there are individuals in California that he associates with. Determine if there are any ties or association with or other FBI investigations. Maintain contact with FBI Portland, Boston and Chicago

(5) 

and conduct further investigation to determine if there are Attempt to to facilitate the above investigation.
