IV. Statistical Accomplishments

Attach Squad report of statistical accomplishments for relevant reporting period.

Sophisticated Techniques
VI. Squad Initiatives and Best Practices

Describe any notable squad initiatives and/or best practices being employed.
(U) Squad created the Mosque Outreach Project for the SF division in 2003. Since that time, the program has expanded to all squads. The program gained the respect and trust of many Muslim leaders in the South Bay. The purpose of the Mosque Outreach program is to establish a contact within the mosque and facilitate future contact with the FBI should the need arise. Squad agents are well versed at dealing with these sometimes sensitive situations and have prepared to represent the FBI at the mosques to the congregations. It is anticipated that several presentations will be made during this next period to mosques in the South Bay.
