Dear Member of Congress:

The Leadership Conference on Civil and Human Rights and the undersigned organizations urge you to become a cosponsor of the Employment Non-Discrimination Act (ENDA). It is time for Congress to act on this crucial civil rights legislation.

Our organizations are dedicated to the principle that every worker should be judged solely on his or her merits. Hardworking Americans should not be kept from supporting their families and making a positive contribution to the economic life of our nation because of characteristics that have no bearing whatsoever on their ability to do a job. Yet it remains legal in 29 states to fire or refuse to hire someone simply because of his or her sexual orientation, and in 38 states it is legal to do so solely based on an individual’s gender identity. ENDA prohibits discrimination based on sexual orientation and gender identity in most workplaces. The time has long since come to end this injustice for gay, lesbian, bisexual and transgender Americans and pass ENDA.

America’s corporate leaders support ENDA’s fair-minded approach. Eighty-seven percent of Fortune 500 companies have included sexual orientation protections in their workplace policies and more than forty percent of them also prohibit discrimination based on gender identity. Corporate America is leading the way in workplace fairness.

Public support for ENDA is strong. A May 2008 poll conducted by Gallup found that 89 percent of Americans believe gay men and lesbians should have equal rights in the workplace. It is clear that Americans know that ENDA represents a measured and pragmatic response to unjust prejudice and discrimination.

We hope you will cosponsor and support this historic legislation. Please contact Rob Randhava, Senior Counsel at The Leadership Conference, at (202) 466-6058 if you have any questions.

Sincerely,
