

TCP Innovation Forum

- Reach back into internal research of TCP
- Fred's Diary
 - Calendar view for entering and displaying a target's predicted future activities
- Web-site genre classification
 - Using existing LHM prototype
- Image based search using Imprezzo
 - Ability to search using other images as examples
- Augmented reality – Sigint usefulness
 - Android handsets plus Palantir
- Non-traditional datasources
 - Is their intelligence in smart meters, smart fridges etc?
