My name is Amy Gentry. I am a native of Smith County and a graduate of Smith County High School. Following graduation, I pursued my Associate’s degree in Public and Allied Health and my Bachelor’s degree in Dental Hygiene from East Tennessee State University (Do Bucks). In 2005, I married my husband, Wynn, and we welcomed our son in May 2009 and a daughter in May 2011. I spent my first 6 years after college working full time as a registered dental hygienist. Following the birth of my daughter, and much prayer, I decided to explore other career avenues, and was led to return to my alma mater as the Health Science teacher. I still have a strong passion for healthcare and enjoy working with the public. So I do enjoy spending some of my summer time still working part-time in a clinical setting. I’m also able to feed my competitive nature as the HOSA (Health Occupations Students of America) advisor. Through the HOSA club, students are able to participate in various activities including field trips, competitive events, and conferences. In my spare time, I enjoy spending time with my kids, teaching Awana at church, reading, and love all things Disney! I look forward to helping students explore the different careers and avenues there are to take when pursuing a career in healthcare.

Tonight's HOSA banquet was a great last hoorah for our seniors. We missed those who could not be here but I am so thankful to have gotten to share these last years with you all. I hope tonight left you with laughs (the tears are for later) and lots of good memories. I love you all very much and I'm so proud of the young adults you have become. This isn't goodbye, just a see you later. “I have fought a good fight, I have finished my course, I have kept the faith.” 2 Timothy 4:7

Great Individual Camp! I’m so proud of all the girls who participated and extremely proud of my team for instructing! “It is when you learn to have a servant’s heart, that you truly become a child of the Lord”.

Thank you to Callie Hackett (All-Time Leading Points Scorer) and to Mr. Barry Smith (Coach and Director of Schools, SC School District), for being our honored guest speakers. I could listen to both of them all day!

Thank You to parent players for all you do!

Thank you to my assistant coaches for making me look good and for your hard work: Coach R. Smith, Coach J. Hiett, and Taylor Hess Ferrell.

We are Owl Strong! The future is very bright! God Bless.
