SENSITIVE BUT UNCLASSIFIED
NON-RECORD

asked me to forward the attached draft EC from the Norfolk Division regarding the initiation of a full TEI on PETA. Could you please review it and provide input regarding whether you think there is enough for a full TEI. We are interested in doing a conference call with NF this week to discuss. Could you please indicate your availability for a call.

Attached is a PETA LHM proposing that the case he opened as a full field investigation whether you think there is enough in the LHM to go to a full:

thanks.
