The investigator whose name appears below told me that he/she is with the United States Army Criminal Investigation Command (CID) as a Special Agent and wanted to question me about the following offense(s) of which I am suspected/a

PART II - RIGHTS WARNING PROCEDURE

THE WARNING

1. WARNING - Inform the suspect/accused of:
 - a. Your official position
 - b. Nature of offense(s).
 - c. The fact that he/she is a suspect/accused.
2. RIGHTS - Advise the suspect/accused of his/her rights as follows:

"Before I ask you any questions, you must understand your rights."

 - a. "You do not have to answer my questions or say anything."
 - b. "Anything you say or do can be used as evidence against you in a criminal trial."
 - c. (For personnel subject to the UCMJ) "You have the right to talk privately to a lawyer before, during, and after questioning and to have a lawyer present with you during questioning. This lawyer

can be a civilian you arrange for at no expense to the Government or a military lawyer detailed for you at no expense to you, or both."

- or -

(For civilians not subject to the UCMJ) You have the right to talk privately to a lawyer before, during, and after questioning and to have a lawyer present with you during questioning. This lawyer can be one you arrange for at you own expense, or if you cannot afford a lawyer and want one, a lawyer will be appointed for you before any questioning begins."

- d. "If you are now willing to discuss the offense(s) under investigation, with or without a lawyer present, you have a right to stop answering questions at any time, or speak privately with a lawyer before answering further, even if you sign a waiver certificate."

Make certain the suspect/accused fully understands his/her rights.

THE WAIVER

"Do you understand your rights?"
 (If the suspect/accused says "no," determine what is not understood, and if necessary repeat the appropriate rights advisement. If the suspect/accused says "yes," ask the following question.)

"Have you ever requested a lawyer after being read your rights?"
 (If the suspect/accused says "yes," find out when and where. If the request was recent (i.e. fewer than 30 days ago), obtain legal advise on whether to continue the interrogation. If the suspect/accused says "no," or if the prior request was not recent, ask him/her the following question.)

"Do you want a lawyer at this time?"
 (If the suspect/accused says "yes," stop the questioning until he/she has a lawyer. If the suspect/accused says "no," ask him/her the following question.)

"At this time, are you willing to discuss the offense(s) under investigation and make a statement without talking to a lawyer and without having a lawyer present with you?" *(If the suspect/accused says "no," stop the interview and have him/her read and sign the non-waiver section of the waiver certificate on the other side of this form. If the suspect/accused says "yes," have him/her read and sign the waiver section of the waiver certificate on the other side of this form.)*

SPECIAL INSTRUCTIONS

WHEN THE SUSPECT/ACCUSED REFUSES TO SIGN THE WAIVER CERTIFICATE: If the suspect/accused orally waives his/her rights but refuses to sign the waiver certificate, you may proceed with the questioning. Make on the waiver certificate to the effect that he/she has stated that he/she understands his/her rights, does not want a lawyer, wants to discuss the offense(s) under investigation, and refuses to sign the waiver certificate.

IF WAIVER CERTIFICATE CANNOT BE COMPLETED IMMEDIATELY:
 In all cases the waiver certificate must be completed as soon as possible. Every effort should be made to complete the waiver certificate before any questioning begins. If the waiver certificate cannot be completed at once, as in the case of street interrogations, completion may be temporarily postponed. Notes should be kept on the circumstances.

PRIOR INCRIMINATING STATEMENTS:

1. If the suspect/accused has made spontaneous incriminating statements before being properly advised of his/her rights he/she should be told that such statements do not obligate him/her to answer further questions.

2. If the suspect/accused was questioned as such either without being advised of his/her rights or some question exists as to the propriety of the first statement, the accused must be so advised. The office of the serving Staff Judge Advocate should be contacted for assistance in drafting the proper rights advisal.

NOTE: If 1 or 2 applies, the fact that the suspect/accused was advised accordingly should be noted in the comment section on the waiver certificate and initialed by the suspect/accused.

WHEN SUSPECT/ACCUSED DISPLAYS INDECISION ON EXERCISING HIS OR HER RIGHTS DURING THE INTERROGATION PROCESS: If during the interrogation, the suspect displays indecision about requesting counsel (example, "Maybe I should get a lawyer."), further questioning must cease immediately. At that point, you may question the suspect/accused only concerning whether he or she desires to waive counsel. The questioning may not be utilized to discourage a suspect/accused from exercising his/her rights. (For example, do not make such comments as "If you didn't do anything wrong, you shouldn't need an attorney.")

SA [REDACTED]

Thank you for speaking with me a couple of days ago when I called. b7c-1, b6-1
Please read the below e-mail, which came back undeliverable to SA [REDACTED] with whom I have spoke with on other occasions on other matters.

Bottom Line Up Front -- Detainee abuse is a recurring theme, and needs to be addressed.

Currently, we still have [REDACTED] at the BHA, while [REDACTED] was released for transport by 2-5. This PPT was produced by the 2-5 S2 yesterday (although it is dated 2 JUN), and provided to us due to the fact that he wants [REDACTED] re-detained and re-engaged by my interrogators.

Also attached is copies on [REDACTED] CPA Apprehension Form and the related SS by the capturing unit, which I would like for you to review. b7c-4, b6-4

Know that I am the senior Counterintelligence Technician (Agent and SAEDA Investigator) for the Brigade, and have worked very closely with CID previously, and have a duty to make you aware since it's your lane.

Thank you again for your attention to this matter. In light of recent events in AG, I appreciate any advice or assistance you could provide.

v/r CW2 [REDACTED] b7c-1, b6-1
(Again, if you see CW3 [REDACTED], tell him I said hello.)

Please see attached Sworn Statements of [REDACTED] b7c-4, b6-4 and [REDACTED] b7c-4, b6-4. They were detained by elements of 2-5 Cavalry, and according to their CPA Apprhension Form, were held for questioning only--not for illegal acts. They were relatives of the target subject, who was not found during the operation. Allegedly, the Iraqis referenced in the SS are Category One linguists (Titan Corp) assigned to CP Eagle. They are both currently DETAINEES at our Brigade Holding Area (BHA). My soldiers are interrogators at the 1 Brigade (1BCT) BHA and forwarded me these SS, executed with the S-2, 1-82 Field Artillery, at Camp Cuervo.

In the recent past, I have spoken to a CID agent, who was conducting an investigation about other detainee abuse, and I wanted to make you aware of this one as well. My soldiers and I feel very strongly about treating detainees humanely, and within the prescribed regulatory and SOP guidance. Today, my soldiers made me aware of their questioning by an appointed 15-6 officer, who they believe is just going through the motion. [REDACTED] CW2] (The officer was from 2-5, and according to my soldiers, seemed disinterested in what they had to provide) b7c-1, b6-1
