Title: MILITARY LIAISON & DETAINEE UNIT
CONTROL FILE REQUEST

Synopsis: To request the creation of additional sub-files

Details: The Military Liaison and Detainee Unit (MLDU) coordinates and supports ongoing matters in GTMO and Afghanistan. Additional sub-files are needed for quick access and retrieval of cable traffic received from Other Government Agencies (OGA). These teletypes are currently being filed in the general HQ control file, 62F-HQ-C1407901, and are not retrievable by the field. In addition, detainees are now being returned to their countries of origin and MLDU is preparing memorandums to the Department of Justice and the Military regarding these repatriation issues

MLDU is requesting that two Sub files, Sub L (OGA Communications) and Sub M (Repatriation Issues) be added to 199N-HQ-C1406946, in order to track OGA requests and repatriation memorandums. At the present time, Sub files within 199N-HQ-C1406946 are
