I just got your letter about the investigation about the missing money. Please don't send me the purse you have previously written me about. I am very uncomfortable about this situation. The money you have previously sent me will be in an envelope at your house so you can do with it what you want when you get back.

It sure is hot down here, but I'm sure it is worse there.

Where are you sleeping now, what town are you in?

I'm at work so this will be short & sweet.

All is well here, I can't wait for school to start.

The boys are taking good care of your dog. She is doing well but needs gas.

What else do you need there? Just let me know. I'll look for a satellite phone for you & let you know the cost.

After go back to work.

Love,
