Sir,

I tried your other email address, and it would not send. The interview of MSG [redacted] (Compound NCOIC), SFC [redacted] (Medic NCOIC), and SGT [redacted] (Shift NCOIC) were completed this weekend. All three could not identify Mr. MIHDY from the photograph provided to this office due to the poor quality of the Fax. All three recalled an incident of a older heavysset male who had died while in the compound for a alleged heart condition. I am still pending the interview of SPC [redacted] who the MP tasked to watch the individual mentioned above at the direction of SGT [redacted]. This office made contact with her last night and we are attempting to conduct the interview ASAP. I have attached the 44's of the interviewed individuals and a copy of my AIR.
