Hello [Redacted]

my Section Chief has advised that he would like to receive updates on this case every two weeks, with the first being two weeks from today

If you could provide me with the file number for this case when it is assigned, I'll try to monitor the case and keep up with it. I know you'll advise me of any significant developments as they occur, so I'll try not to bother you too much with questions. Of course, realizing that there is always a lag between investigative activity and when it is put in the file, I'll probably be calling you every couple weeks to get a quick update.

Thanks for your help, call me with any questions.
