	I met with Vice Admiral Church for 45 minutes this morning within the context of the Inspector General	1
	review of detention/interrogation procedures at GTMO	
	I provided him with an overview of the FBI's mission and organization in GTMO. At his request, I also explained to him how the FBI operates in close coordination with JTF-GTMO operationally, however or interviews are conducted in strict compliance with DOJ/FBI policy and training, with the exception of Miranda. He clearly understood the distinctions between our training and policies, as opposed to those the DOD.	- {
	His main interest was in interagency interview coordination procedures, which I explained in detail. It	-
