You submitted a claim on 1 March 2005, on behalf of the family for the death of their son. The accident occurred at Mazar-I-Sharif, Afghanistan. I have thoroughly reviewed your claim pursuant to the Foreign Claims Act, Title 10, U.S.C. §2734, and Army Regulation 27-20, Chapter 10.

In accordance with the cited regulations and after conducting a thorough investigation into your claim, we have determined that your claim is not payable. Unfortunately, there is a lack of substantiation that this accident occurred as claimed. After speaking concerning this claim, we could find no evidence of negligence on the part of the United States Government. The Foreign Claims Act, 10 U.S.C. §2734, was established to compensate inhabitants of a foreign country who suffer a loss due to the noncombat activities of U.S. Forces or the negligence of U.S. military personnel or civilian employees. You personally have not shown that the family incurred a loss directly related to the noncombat activities of U.S. Forces or the negligence of a U.S. service member or civilian employee.

Please notify me at the above address if you wish to have me reconsider this claim by submitting any neutral witness statements explaining the details of the accident. At that time, I will reopen your claim.

This letter constitutes a denial of this claim under the Foreign Claims Act. Thank you for your attention.

Sincerely,

CPT, JA
Foreign Claims Commissioner
