MEMORANDUM OF OPINION

4 March 2006

SUBJECT: Claim of __________________________; 06-IR8-255

1. Identifying Data: __________________________ by Attorney __________________________

2. Date and place the incident occurred giving rise to the claim: The claim occurred on 25 September 2005 in Samarra, Iraq.

3. Amount of claim and date it was filed: Claimant filed a claim for $15,000 on 28 Feb. 2006.

4. Jurisdiction: This request is presented for consideration under the provisions of the Foreign Claims Act, 10 USC Section 2734, as implemented by Chapter 10, Army Regulation 27-20. This claim was properly filed in a timely manner.

5. Facts: The Claimant alleges that CF shot artillery at their home, killing seven members of his family and injuring his wife and grandchild. The attack allegedly killed __________________________, __________________________, __________________________, __________________________, __________________________, __________________________, and __________________________, the Claimant’s grandchild. In support of the claim, the Claimant presented seven original death certificates, hospital reports, police and judicial reports, witness statements and photographs. A SIGACTS investigation revealed no CF artillery fire that day.

6. Opinion: "Under AR 27-20, paragraph 10-3, liability under the FCA may be based on acts or omissions of U.S. soldiers or civilian employees of a U.S. military department only if they are considered negligent or wrongful." Here, there is insufficient credible evidence of negligence or wrongdoing attributable to CF. Conversely, there is evidence of AIF activity. Consultation with CPT White of the Division Artillery FECC indicates that the ordinance in the photograph appears to be a 127mm Iraqi manufactured rocket. This ordinance is not in the CF arsenal and is frequently used by AIF to attack CF.

7. Recommendation: The claim is denied.
