MEMORANDUM OF OPINION

SUBJECT: Claim of [REDACTED], 05-IA3-1751

- 1. Identifying Data:** [REDACTED], Tikrit, Iraq
- 2. Date and place the incident occurred giving rise to the claim:** The claim occurred on 16 August 2005, in Tikrit, Iraq.
- 3. Amount of claim and date it was filed:** Claimant filed a claim for \$5,000 on 3 September 2005.
- 4. Jurisdiction:** This request is presented for consideration under the provisions of the Foreign Claims Act, 10 USC Section 2734, as implemented by Chapter 10, Army Regulation 27-20. This claim was filed in a timely manner.
- 5. Facts:** Claimant alleges that his son was wrongfully killed by U.S. Forces. The claimant's son was riding in a vehicle driven by his brother in Tikrit. The claimant's sons attempted to cross the Al Alam bridge, but were stopped by the Iraqi police, because the bridge was temporarily closed. As they were stopped a U.S. Forces soldier allegedly jumped up from behind a barrier and shot at them for no reason. The soldier allegedly fired many shots from a short distance. The soldier was allegedly to the front left of the vehicle. No help arrived for twenty minutes, so the claimant's son died. The claimant provided two corroborating witness statements and photographs. One of the witness statements was from a second brother, who was at work and coincidentally happened out of his store to look around and witnesses the entire wrongful killing. The photographs of the vehicle show one bullet hole through the passenger side of the windshield, not many holes. Where the bullet hole is located is not consistent with being shot from the left front of the vehicle. The shooter must have been directly in front of the vehicle. There is no report of this incident in division records.
- 6. Opinion:** There is insufficient evidence to indicate that U.S. Forces killed the claimant's son.
- 7. Recommendation:** The claim is denied.
