SUBJECT: 15-6 Interview

LT Robert Lee Miller: Question number one, could you state your name for us please.

My name is...

LT: Could you state her (the woman who was shot) name please.

LT: What was the relationship between you and her? Where you married, engaged...?

They were engaged and had been to the court to be married. They had all the paperwork done and had planned to marry after...

LT: Question number four, can you give me a brief synopsis of what you were doing before the shooting happened?

He was parking in front of the restaurant to buy some food and bought some sandwiches and came to the car again and gave them to the wife through the window and turned around and sat in the drivers seat and turned the vehicle on then put the flashers on and then he started to move then he heard one shot and saw some sand in vehicle. The seat sponge was all over the inside and he saw his wife...

LT: Can you tell me the specific name of the restaurant and the location if you can of the restaurant?

No...

LT: Can you tell me the specific road that the restaurant was on?

It's the major...

LT: Is that what the locals call it....?
