MEMORANDUM FOR Commander, 1st BCT, 10th MTN, Camp Liberty, Iraq

SUBJECT: AR 15-6 Informal Investigation Concerning the Shooting of a Local National (LN)
on 24 March 06

1. On 1 April 2006, I was appointed as the AR 15-6 Investigating Officer (IO) for the events surrounding the shooting of a LN. I have conducted a thorough investigation of the circumstances surrounding this incident. My observations and conclusions are provided in the following format: facts and findings.

2. FACTS.

The following is a summary of the sequence of events as documented on 24 March 06.

At approximately 240200MAR06, 1/A/1-71 Cavalry, in the execution of Operation Humble Justice, conducted a raid in West Shulla at vicinity grid [REDACTED] in order to kill or capture TGT UO5092K. The target had been identified by dual-sourced intelligence as a member of an EFP cell using information from the HUMMIT Team and a video shot by ODA 042. Neither of the actual sources were with the platoon during the raid. Based on the intelligence provided, the two story target house was PID'ed by 1/A/1-71 CAV. After establishing their cordon, the platoon conducted a mechanical breach of the front gate at 0215 hours. One interpreter stayed with the outer cordon and the other interpreter stayed outside the target house with the Platoon Leader in order to conduct tactical questioning of any detainees taken.

SFC [REDACTED], the Platoon Sergeant, used two teams to enter and clear the house. Alpha Team's five Soldiers entered first, shouting in English for the residents to "Get Down!", and proceeded to clear the ground floor. They detained seven local nationals, separated the males from the females, and moved the males outside for tactical questioning. Clearing the ground floor took approximately ninety seconds. (The house layout is illustrated in enclosures 4 and 5) Bravo Team's four Soldiers entered the house immediately behind Alpha Team, clearing in conjunction with Alpha Team until they reached the stairs. Bravo Team then proceeded to the stairs in order to clear the second floor.

SPC [REDACTED] the point man for Bravo Team, was on the second or third stair of a doubled back staircase when he saw a local national on the second floor landing (illustrated in enclosure 6). The local national, Hyder Karnooth Mankhi, was looking almost straight down, through the landing railing, at the members of Bravo Team. SPC [REDACTED] shouted "STOP!" once in English, then again in Arabic. At that point, the local national raised a pistol and pointed it at Bravo Team. SPC [REDACTED] fired his M4 three times from a distance of three meters.

the local national once in the head. The shooting occurred at 0217 hours. SPC [REDACTED] continued up the stairs to the second floor. As he passed the wounded local national, he kicked away the pistol that was lying next to the body.

After the engagement, SFC [REDACTED] moved with Alpha Team to the second floor, then to the roof of the house to complete the clearance. Someone called for a medic and SFC [REDACTED] repeated the call down to the first floor. As he passed the local national, he kicked the weapon farther away from the body. Bravo Team continued to clear the second floor while the medic treated the local national for his injuries. The medic assessed the casualty as expectant and attempted to stabilize the local national before moving him. Hyder Karnooth Mankhi died at 0225 hours, several minutes after the house had been cleared.

Tactical questioning of the detained residents revealed that the target house was across the street. 1/A/1-71 CAV moved to the target house and cleared it. The target individual was not there, but his brother was detained for questioning. Once the platoon had finished clearing both houses and the site was secured, they gathered evidence of the shooting and offered to move the deceased to the hospital or the morgue. The family declined the offer. The platoon did not ascertain Hyder Karnooth Mankhi's relationship to the house or detained family.

As a follow-up of the incident, A/1-71 CAV provided compensary money to the family of the local national killed. [REDACTED] the uncle of Hyder Karnooth Mankhi, accepted the money on behalf of the family. He said that he understood that the Coalition Forces were conducting a mission to clear their neighborhood of known insurgents. The results are briefed in storyboard 2.

3. FINDINGS. Upon review of the 1-71 TOC duty log, sworn statements by members of 1/A/1-71, interviews, the Serious Incident Report and two separate story boards of the incident, I find that the Soldiers involved in the shooting following established Rules of Engagement. When entering the house, the Soldiers gave verbal warnings to the residents. The weapons they were carrying justified a show of force. When SPC [REDACTED] engaged the gunman on the second floor, he gave a verbal warning by shouting "Stop" in both English and Arabic, and showed the gunman his intent when he turned on his surefire and aimed it at the gunman. When the gunman raised his pistol and aimed it at the members of Bravo Team, he showed hostile intent. SPC Westlake's reaction was justified and appropriate and he acted in a responsible fashion and should not be held accountable for the death of Hyder Karnooth Mankhi. (Rules of Engagement Appendix I to Division Frago 351 to Phase IIIA of OPORD 05-07; paragraph 3, sub-paragraph A, sub-section 3,4 and 5; sub-paragraph G, sub-section 1; sub-paragraph H, sub-section 10, 11 and 12)

4. RECOMMENDATIONS: Based on the evidence and guidance given in the Rules of Engagement, SPC [REDACTED] was justified in shooting the gunman when he was perceived as a threat. I recommend no action be taken against SPC [REDACTED]

During the raid, most verbal warnings were given in English. Using English commands in an Arabic speaking household more than likely added to the confusion of a tense situation. As a result, I recommend that each search team be assigned an interpreter. If an interpreter had been with them, the Soldiers would have been able to communicate their identity and intent to the residents. This might have prevented the need to shoot the gunman. In addition, they could have taken the time and used the interpreters to gather information from detainees on the number of person's occupying the second floor of the household. I recommend that for future cordon and searches that one interpreter stay with the outer cordon for tactical questioning and that each team conducting the searches have an interpreter with them.

This also raises the issue of language training for US Soldiers. Based on interviews, none of the Soldiers have had any language training more recent than pre-deployment language training; these are perishable skills. I recommend that a language training program be implemented to maintain language proficiency.

I find that the ODA 042 provided intelligence was sufficient to conduct the operation. However, if time and resources permit, I recommend that a credible source or ODA element connected with the source accompany 1BCT forces when targets are passed. This may help confirm target location prior to execution.

D. SUMMARY OF INCIDENT:

At approximately 240200MAR06, 1/A/1-71 Cavalry was conducting a source-PID'd raid vic. [REDACTED] in order to kill or capture the intended target (UO5092K), a LN who had been dual-sourced as a member of an EFP cell. After the cordon was set, the raid team positively identified (PID'd) the target house, based on the intelligence and photos provided by the sources. After PID, 1/A/1-71 CAV executed a mechanical breach of the front gate to the house at approximately 0215. The raid team entered the house and announced that they were Coalition Forces and ordered all personnel on the ground. On the first floor (A Team) entered and cleared three large rooms that contained seven local nationals, separating the females from the males and moving the males outside for tactical questioning. Clearance of the first floor took approximately ninety seconds. B Team passed through A Team and began moving up the stairs to the second floor of the house. SPC [REDACTED] was the lead element of B Team as they moved up the stairs. SPC [REDACTED] observed a LN on the landing of the stairs above him who was pointing a pistol at him. SPC [REDACTED] yelled "STOP!" twice. The individual refused to drop the weapon. SPC [REDACTED] then fired his M4 three times and struck the individual once in the head. He immediately called for the platoon medic. The platoon continued to clear and search the second floor of the house, while the medic administered aid to the wounded LN. The medic assessed the casualty as expectant and attempted to stabilize him in order to move him to the Shulla Hospital. At approximately 0225, the LN died in the house. After tactical questioning of the occupants of the initially targeted house, it was determined that the TGT UO5092K's house was directly across the street. 1/A/1-71 CAV maneuvered to clear and search the residence. The search resulted in positively identifying the brother of TGT UO5092K who was detained for intelligence value. Once site exploitation was complete, A Troop spoke with the family of the deceased and offered to move the body to the hospital or morgue. The offer was declined by the family. At the conclusion of the mission, A Troop returned to Camp Liberty to process the captured equipment and the detainee.

WANT TO MAKE THE FOLLOWING STATEMENT UNDER OATH:

At approx. 240205 MAR 06 1st Platoon dismount teams went into the target house via. grid [REDACTED] to clear it and search for the target. I was outside moving back to the trucks to get the interpreter for technical questioning. I don't recall hearing the shots fired but did hear the call that 'one target was down over the ICOM. I brought the tarp to the entrance that was being guarded across the street. (This man was later determined to be Karmouth Munkh, father of the family at the target house. He was later released.). I then went into the target house and took pictures of the exploded items on the ground floor and of the dead man on the top floor. There was a pistol lying a few feet from him. He appeared to be shot. At this point I moved back downstairs and continued with the mission. Nothing follows.
