MEMORANDUM OF RECOMMENDATION

SUBJECT: Claim #05-ID4-152

1. Claimant’s Name/Residence: [Redacted], Baghdad, Iraq

2. The incident giving rise to the claim occurred on 16 April 2005 in Al Shaab, Iraq.

3. The claim was filed on 29 May 2005 in the amount of $11,000.00.

4. The claim was considered under the Foreign Claims Act (FCA) and Chapter 10, AR 27-20; and claim filed for loss of life and vehicle damage.

5. Claimant alleges that on the above date at the above mentioned location, his brother was driving a borrowed vehicle. A U.S. military convoy consisting of several vehicles and a tank, hit the vehicle, cutting it in half. As a result, the vehicle was totaled and the driver was killed. The unit left the area and apologized, but did not issue a claims card. The local nationals on the scene transported the victim to the nearest facility. Several attempts were made in vain to obtain a claims card from the unit or some statement. The incident was verified through 4-64 AR (S-1 shop), that a unit of theirs on that date at that location was involved in such an incident.

6. In order to form a basis for a claim under the FCA, it must be shown that the incident occurred outside the United States, and that it was caused by non-combat activities or negligent or wrongful acts of the United States Armed Forces. The claimant has submitted sufficient evidence.

7. I recommend approving this claim in the amount of $11,000.00.

According to [redacted] speech, his brother was driving his car on the main street near his house and suddenly a convoy containing humvees and vehicles and also a tank which was in front of them, that tank damaged his brother's car completely. They stopped for a moment and did not let anyone come near the dead body (The Corp) and they did not pull the Corp from the car and after that they just left the place and that why the civil people carry him to the hospital and call the police... He was dead when they carry him and became 2 parts or more and his car which belong to another man and he was just working as a driver.

The victim was the only supporter for his family (father and mother) both of them are old enough to support themselves and 2 brothers and 2 sisters and he was single... for his family we ask for compensation.

He also mentioned that they went several times to the US forces to take a claim card from them they said that we are sorry but they did not give them a claim card.
I was insured to the following extent against the damage or injury I have sustained:
