I, [redacted], WANT TO MAKE THE FOLLOWING STATEMENT UNDER OATH:

At approximately 2240 while traveling south on RTE [redacted] a vehicle attempted to pass our convoy. We blocked off the road in a stop TCP and began a search of the vehicle. Within 2-3 minutes I heard one shot followed by three others. I saw one white VW Passat stopped against the fence along the road. I assessed what happened and called Bangle with report of shots fired. There currently was one UN wounded and receiving medical treatment. The Medic, CPL [redacted] assessed the wounded UN after treating him and had him stable and breathing. We then loaded the UN into

C33 and were transporting him back to [redacted] when the IP stopped us and to the UN to a near by clinic. An individual approached and ID'd himself as the UN's father and left for the clinic.

WANT TO MAKE THE FOLLOWING STATEMENT UNDER OATH:

On or about 2240 17 April 2004, my platoon was conducting a patrol in sector along RTE [REDACTED] travelling south towards RTE [REDACTED] and was passed by a speeding vehicle on the right. I called [REDACTED] and [REDACTED] to stop and contain the vehicle, to conduct a SWAT TOP. At approximately 2243 while conducting a search of the vehicle I was about to direct improvement of the TOP (cones, chemlights, wire) when I overheard one shot followed by three more shots approximately 1-2 seconds later. I turned to see if we were receiving fire and saw a white VW Passat stopped askew and in the fence along side the road, approximately 15 meters from the trail vehicle. The dismounted soldiers surrounded the VW and removed the two passengers. After securing the two passengers, the driver who was wounded, was removed. The medic, CPL [REDACTED] did immediately evaluated the casualty and rendered aid. At approximately 2255 the casualty was stabilized placed on a stretcher, and placed in C-33 with the intent on evacuating him to Camp [REDACTED]. The two uninjured soldiers were flexcuffed and placed in C-31 and C-34. We travelled approximately 200 meters and were stopped by the IPs. They secured the casualty to transport him to the hospital. While talking to the IPs, a man walked onto the scene and identified himself as the casualty's father. We explained what happened and he went away to go to the hospital. Before leaving the scene, numerous photos of the vehicle were taken and the brass (4 rounds) were picked up.
