I, Lloyd W. Browe

WANT TO MAKE THE FOLLOWING STATEMENT UNDER OATH:

1. Q: Did you talk to the father? If so what was the content of the discussion?

A: Yes. I spoke with Mr. [REDACTED] on 181300APR05 at the [REDACTED] Hospital with MAJ [REDACTED] (Commander C Co, 301st IA BN). While I spoke with Mr. [REDACTED] and [REDACTED] were also present for the conversation. Mr. [REDACTED] asked me why I had shot at his son and not his car. I replied that our shots were aimed at his sons vehicle and showed him pictures. (see Commander Inquiry) Mr. [REDACTED] then said his son was unable to see the checkpoint. I informed him that his son had bypassed the stopped traffic and intentionally sped towards the checkpoint ignoring our Q-Beam/Sunfire flashes, warning shot, and verbal warnings. Initially [REDACTED] did not believe the statement or course of events as I described them. Mr. [REDACTED] and Mr. [REDACTED] then both interjected into the conversation and explained to Mr. [REDACTED] that they and his son had seen the warning flashes and understood it was a coalition checkpoint. Also, they had warned their friend to stop and he refused to do so. Mr. [REDACTED] then thanked us for caring enough to check on the welfare of his son. Mr. [REDACTED] also thanked us for trying to save his sons life.

2. Q: Why did you use 2LT [REDACTED] and SFC [REDACTED] as platoon leader and platoon sergeant on the night of the incident?

A: 1LT [REDACTED] and SFC [REDACTED] (3rd PLT leadership) had a mandatory meeting with LTC [REDACTED] (Squadron Commander, TF 1/11) on 182030APR05. C Troop is required to maintain one platoons worth of combat power in assigned zones 24hrs a day. 3rd Platoon was to start their 12hr patrol from 181800APR05 to 190600APR05. Patrols are authorized to come in for refuel, maintenance emergencies, and "Compass Call" if specified by [REDACTED] or myself. If I had delayed the SP of the patrol it would have left my zones without security for approximately a 5hr block. 2nd Platoon had already been on patrol for 12hrs and were fatigued from the patrolling. I did not see the need to take a unnecessary risk. 2LT [REDACTED] is templated to take leadership of 2nd PLT, C Troop in June 2005. SFC [REDACTED] is the next eligible PSG to backfill any open PSG positions in 1/11 ACR. Prior to the mission 2LT [REDACTED] had already been on approximately 10 different missions and patrols in zone both with troop and with another platoon leader. SFC [REDACTED] had conducted approximately 6 ride along platoon patrols in zone prior to this incident. It is an implied task that I train these two leaders in the event they need to assume the duties of platoon leader or platoon sergeant. I saw no risk in sending them as the platoon leadership on the mission. The intent was to change over leadership when 3rd Platoon came in for refuel at approximately 182400APR05, this change over was executed.

MEMORANDUM FOR RECORD

SUBJECT: Commander's Inquiry to shooting of local national ([REDACTED]).

1. I, CPT [REDACTED], have conducted a commander's inquiry into the circumstances surrounding the shooting of [REDACTED].
2. The incident was first reported by 2LT [REDACTED], C Troop, on or about 172245APR05 over FM. 2LT [REDACTED] was executing a "Snap Traffic Control Point" on RTE [REDACTED] at approximately 172240APR05. Three minutes into the search of a suspect vehicle, a white Volkswagen Passat (license# Baghdad Iraq) driven by [REDACTED] bypassed stopped traffic 100 meters away and started to speed towards [REDACTED]. The vehicle was traveling approximately 40 mph. SGT [REDACTED] (gunner for C34) immediately used his "Q-Beam" to strobe the vehicle and verbally warned it to stop. Simultaneously, CPL [REDACTED] (driver for C34), SPC [REDACTED] (driver for C33) and CPL [REDACTED] (platoon medic on C34) used their Surefire Lights to strobe the oncoming vehicle and warn it to stop. At approximately 50 meters a single warning shot was fired into the ground by CPL [REDACTED]. At 15 meters CPL [REDACTED], CPL [REDACTED] and SPC [REDACTED] all fired one shot into the white Passat simultaneously. The first bullet entered the grill, the second bullet entered the hood, and the third bullet entered the driver door injuring [REDACTED]. (See Illustration)
Saif Keer Allah *Saif Keer Allah*
3. Once the white Passat came to a stop CPL [REDACTED] immediately treated [REDACTED] for his injuries. After bandaging the entry and exit wound he was loaded into C33 to ground evacuate him to Camp [REDACTED]. The 3rd platoon convoy was stopped 200 meters down the road (vis [REDACTED]) by a [REDACTED] Iraqi Police road block. The Iraqi Police looked at [REDACTED] and immediately took him out of C33, loaded him into a Iraqi Police truck and took him to the [REDACTED] Hospital. The passengers ([REDACTED] and [REDACTED]) informed the [REDACTED] Iraqi Police and 3rd Platoon that they told [REDACTED] to stop and he had refused. At the [REDACTED] hospital they reconfirmed this in front of the father, [REDACTED].
Saif Keer Allah *Shahed*
Adnan
4. My recommendation is that no negative actions be taken. 3rd Platoon, C Troop executed the "Snap TCF" and escalation of force in accordance with published guidelines and standard operating procedures.
5. If there are questions or concerns regarding this memorandum, please contact the undersigned [REDACTED] @US.army.mil.
