I, **[redacted]**, WANT TO MAKE THE FOLLOWING STATEMENT UNDER OATH:
 On 28 Aug 2005 at approximately 11:00hrs 1st PLT C. Co
 TP 1-156 had a dismounted [redacted] set on the [redacted]
 [redacted] at [redacted] overwatching [redacted] and route
 [redacted]. We (Sgt [redacted], CPL [redacted], and Spc [redacted]) were
 watching an IP convoy being ambushed 600m-800m north
 of our position. The insurgents were targeting a five vehicle
 IP convoy rolling north on [redacted]. Many, many shots were
 fired before we could ID where the ambush came from.
 That is when I saw an IP running in the median of vernon
 when a gunman walked him down with an AK-47 from the
 east side of [redacted] in a tree line. I got my men to lay
 down suppressive fire in the tree line, while I called up the
 tank section. By the time the tank section got on scene the
 majority of the initial ambush had stopped. We ID'd three
 military aged males fleeing the scene in a donkey cart. I
 notified the tanks to stop them because they were either
 involved, or could assist in information. The tanks stopped the
 donkey cart and got some IP's to check them out. The
 IP's let them go, that is approximately when the secondary
 ambush began, including mortar's dropping.

About 5 minutes into the secondary ambush after

calling the tank section for assistance CPL [REDACTED] and Spe [REDACTED] hollared out RPG. They directed my attention to a white four door Prince, which had it's passengers hanging out of the front windows with what appeared to be a RPG. The passenger for some reason noticed us and quickly jumped back into the vehicle very suspiciously. During that ordeal I asked Sgt [REDACTED] to ID the RPG Gunman with binos, but by that time the passenger had already jumped back in the car. Additional note the vehicle and what appeared to be a RPG was pointing north towards our tank section and about 15 IP vehicles. At this time the vehicle began to back up, I gave the order to fire warning shots to stop the vehicle so we could get someone on the scene. The vehicle starting point when we noticed them was stopped approximately 300 m north of our position. The vehicle then began to speed up in reverse refusing to stop. By the time the vehicle was almost even with our position I gave the order to disable the vehicle. We then began shooting at the tires and engine block. The vehicles tire blew and he continued to speed up in reverse. Finally approximately 300 m south of our position the car came to a rolling stop swerving at the end to face NE. I gave the order to cease fire and we stopped shooting. I then immediately called both Bradley and tank sections to notify them of the situation. They were currently tied up in another situation and couldn't make it to the site. [REDACTED] told us to
