2. DISCUSSION:

a. On 27 January 2006, a single shot was fired at an Iraqi vehicle which ignored hand signals, shouting and the pointing of a weapon. The vehicle was part of a line of cars stopped by Iraqi Police to allow a three vehicle convoy to cross a bridge. As the vehicle sped up and was struck on the driver's side by the lead HUMVEE, that HUMVEE's gunner shot one round at the driver's side front wheel. The shot missed its mark due to the sudden acceleration of the Iraqi truck, and the round went
