SENSITIVE COMPARTMENTED INFORMATION NONDISCLOSURE AGREEMENT

An agreement between

JAMES ELMER MITCHELL
(Name: Printed or Typed)

and the United States.

1. Intending to be legally bound, I hereby accept the obligations contained in this Agreement in consideration of my being granted access to information or material protected within Special Access Programs, hereinafter referred to in this Agreement as Sensitive Compartmented Information (SCI). I have been advised that SCI involves or derives from intelligence sources or methods and is classified or is in process of a classification determination under the standards of Executive Order 12958 or other Executive order or statute. I understand and accept that by being granted access to SCI, special confidence and trust shall be placed in me by the United States Government.
2. I hereby acknowledge that I have received a security indoctrination concerning the nature and protection of SCI, including the procedures to be followed in ascertaining whether other persons to whom I contemplate disclosing this information or material have been approved for access to it, and I understand these procedures. I understand that I may be required to sign subsequent agreements upon being granted access to different categories of SCI. I further understand that all my obligations under this agreement continue to exist whether or not I am required to sign such subsequent agreements.
3. I have been advised that the unauthorized disclosure, unauthorized retention, or negligent handling of SCI by me could cause irreparable injury to the United States or be used to advantage by a foreign nation. I hereby agree that I will never divulge anything marked as SCI or that I know to be SCI to anyone who is not authorized to receive it without prior written authorization from the United States Government department or agency (hereinafter Department or Agency) that last authorized my access to SCI. I understand that it is my responsibility to consult with appropriate management authorities in the Department or Agency that last authorized my access to SCI, whether or not I am still employed by or associated with that Department or Agency or a contractor thereof, in order to ensure that I know whether information or material within my knowledge or control that I have reason to believe might be, or related to or derived from SCI, is considered by such Department or Agency to be SCI. I further understand that I am also obligated by law and regulation not to disclose any classified information or material in an unauthorized fashion.
4. In consideration of being granted access to SCI and of being assigned or retained in a position of special confidence and trust requiring access to SCI, I hereby agree to submit for security review by the Department or Agency that last authorized my access to such information or material, any writing or other preparation in any form, including a work of fiction, that contains or purports to contain any SCI or description of activities that produce or relate to SCI or that I have reason to believe are derived from SCI, that I contemplate disclosing to any person not authorized to have access to SCI or that I have prepared for public disclosure. I understand and agree that my obligation to submit such preparations for review applies during the course of my access to SCI and thereafter, and I agree to make any required submissions prior to discussing the preparation with, or showing it to, anyone who is not authorized to have access to SCI. I further agree that I will not disclose the contents of such preparation with, or showing it to, anyone who is not authorized to have access to SCI until I have received written authorization from the Department or Agency that last authorized my access to SCI that such disclosure is permitted.
5. I understand that the purpose of the review described in paragraph 4 is to give the United States a reasonable opportunity to determine whether the preparation submitted pursuant to paragraph 4 sets forth any SCI. I further understand that the Department or Agency to which I have made a submission will act upon it, coordinating within the Intelligence Community when appropriate, and make a response to me within a reasonable time, not to exceed 30 working days from date of receipt.
6. I have been advised that any breach of this Agreement may result in my termination of my access to SCI and removal from a position of special confidence and trust requiring such access, as well as the termination of my employment or other relationships with any Department or Agency that provides me with access to SCI. In addition, I have been advised that any unauthorized disclosure of SCI by me may constitute violations of United States criminal laws, including provisions of Sections 793, 794, 798, and 952, Title 18, United States Code, and of Section 783(b), Title 50, United States Code. Nothing in this agreement constitutes a waiver by the United States of the right to prosecute me for any statutory violation.
7. I understand that the United States Government may seek any remedy available to it to enforce this Agreement including, but not limited to, application for a court order prohibiting disclosure of information in breach of this Agreement. I have been advised that the action can be brought against me in any of the several appropriate United States District Courts where the United States Government may elect to file the action. Court costs and reasonable attorneys fees incurred by the United States Government may be assessed against me if I lose such action.
8. I understand that all information to which I may obtain access by signing this Agreement is now and will remain the property of the United States Government unless and until otherwise determined by an appropriate official or final ruling of a court of law. Subject to such determination, I do not now, nor will I ever, possess any right, interest, title, or claim whatsoever to such information. I agree that I shall return all materials that may have come into my possession or for which I am responsible because of such access, upon demand by an authorized representative of the United States Government or upon the conclusion of my employment or other relationship with the United States Government entity providing me access to such materials. If I do not return such materials upon request, I understand this may be a violation of Section 793, Title 18, United States Code.
9. Unless and until I am released in writing by an authorized representative of the Department or Agency that last provided me with access to SCI, I understand that all conditions and obligations imposed on me by this Agreement apply during the time I am granted access to SCI, and at all times thereafter.
10. Each provision of this Agreement is severable. If a court should find any provision of this Agreement to be unenforceable, all other provisions of this Agreement shall remain in full force and effect. This Agreement concerns SCI and does not set forth such other conditions and obligations not related to SCI as may now or hereafter pertain to my employment by or assignment or relationship with the Department or Agency.

SECURITY AGREEMENT

1. I, James Elmer Mitchell (print full name), hereby agree to accept as a prior condition of my being employed by, or otherwise retained to perform services for, the Central Intelligence Agency, or for staff elements of the Director of Central Intelligence (hereinafter collectively referred to as the "Central Intelligence Agency"), the obligations contained in this agreement.

2. I understand that in the course of my employment or other service with the Central Intelligence Agency I may be given access to information or material that is classified or is in the process of a classification determination in accordance with the standards set forth in Executive Order 12958 as amended or superceded, or other applicable Executive order, that if disclosed in an unauthorized manner would jeopardize intelligence activities of the United States Government. I accept that being granted access to such information or material I will be placed in a position of special confidence and trust and become obligated to protect the information and/or material from unauthorized disclosure.

3. In consideration of being employed or otherwise retained to provide services to the Central Intelligence Agency, I hereby agree that I will never disclose in any form or manner, to any person not authorized by the Central Intelligence Agency to receive it, any information or material in either of the following categories:

a. information or material received or obtained in the course of my employment or other service with the Central Intelligence Agency that is marked as classified or that I know is classified.

b. information or material received or obtained in the course of my employment or other service with the Central Intelligence Agency that I know is in the process of a classification determination.

4. I understand that it is my responsibility to consult with appropriate management authorities in the component or Directorate that employs me or has retained my services, or with the Central Intelligence Agency's Publications Review Board if I am no longer employed or associated with the Agency, in order to ensure that I know 1) whether information or material within my knowledge or control that I have reason to believe might be in either of these categories set forth in paragraph 3 is considered by the Central Intelligence Agency to fit in either of those categories; and 2) whom the Agency has authorized to receive such information or material.

5. As a further condition of the special confidence and trust reposed in me by the Central Intelligence Agency, I hereby agree to submit for review by the Central Intelligence Agency any writing or other preparation in any form, including a work of fiction, which contains any mention of intelligence data or activities, or contains any other information or material that might be based on either of the categories set forth in paragraph 3, that I contemplate disclosing publicly or that I have actually prepared for public disclosure, either during my employment or other service with the Central Intelligence Agency or at any time thereafter, prior to discussing it with or showing it to anyone who is not authorized to have access to the categories set forth in paragraph 3. I further agree that I will not take any steps towards public disclosure until I have received written permission to do so from the Central Intelligence Agency.

6. I understand that the purpose of the review described in paragraph 5 is to give the Central Intelligence Agency an opportunity to determine whether the information or material that I contemplate disclosing publicly contains any information or material that I have agreed not to disclose. I further understand that the Agency will act upon my submission and make a response to me in a reasonable period of time. I further understand that if I dispute the Agency's initial determination on the basis that the information or material in question derives from public sources, I may be called upon to specifically identify such sources. My failure or refusal to do so may by itself result in denial of permission to publish or otherwise disclose the information or material in dispute.

7. I understand that all information or material that I may acquire in the course of my employment or other service with the Central Intelligence Agency that fits either of the categories set forth in paragraph 3 of this agreement are and will remain the property of the United States Government unless and until otherwise determined by an appropriate official or final ruling of a court of law. I agree to surrender anything constituting, containing or reflecting such information or material upon demand by an appropriate official of the Central Intelligence Agency, or upon conclusion of my employment or other service with the Central Intelligence Agency.

8. I agree to notify the Central Intelligence Agency immediately in the event that I am called upon by judicial or congressional authorities, or by specially established investigatory bodies of the executive branch, to testify about, or provide, information or material that I have agreed herein not to disclose. In any communication with any such authority or body, I shall observe all applicable rules or procedures for ensuring that such information and/or material is handled in a secure manner.

9. I understand that nothing contained in this agreement prohibits me from reporting intelligence activities that I consider to be unlawful or improper directly to the Intelligence Oversight Board established by the President, or to any successor body that the President may establish, or to the Select Committee on Intelligence of the House of Representatives or the Senate. I recognize that there are also established procedures for bringing such matters to the attention of the Agency's Inspector General or to the Director of Central Intelligence. In making any report referred to in this paragraph, I will observe all applicable rules or procedures for ensuring the secure handling of any information or material that may be involved. I understand that any such information or material continues to be subject to this agreement for all other purposes and that such reporting does not constitute public disclosure or declassification of that information or material.

10. I understand that any breach of this agreement by me may result in the Central Intelligence Agency taking administrative action against me, which can include temporary loss of pay or termination of my employment or other service with the Central Intelligence Agency. I also understand that if I violate the terms of this agreement, the United States Government may institute a civil proceeding to seek compensatory damages or other appropriate relief. Further, I understand that the disclosure of information that I have agreed herein not to disclose can, in some circumstances, constitute a criminal offense.

11. I understand that the United States Government may, prior to any unauthorized disclosure that is threatened by me, choose to apply to any appropriate court for an order enforcing this agreement. Nothing in this agreement constitutes a waiver on the part of the United States to institute a civil or criminal proceeding for any breach in this agreement by me. Nothing in this agreement constitutes a waiver on my part of any possible defenses I may have in connection with either civil or criminal proceedings that may be brought against me.

12. In addition to any other remedy to which the United States Government may be become entitled, I hereby assign to the United States Government all rights, title, and interest in any and all royalties, remunerations and emoluments that have resulted or will result or may result from any divulgence, publication or revelation of information or material by me that is carried out in breach of paragraph 5 of this agreement or that involves information or material prohibited from disclosure by the terms of this agreement.

13. I understand and accept that, unless I am provided a written release from this agreement or any portion of it by the Director of Central Intelligence or the Director's representative, all the conditions and obligations accepted by me in this agreement apply both during my employment or other service with the Central Intelligence Agency, and at all times thereafter.

14. I understand that the purpose of this agreement is to implement the responsibilities of the Director of Central Intelligence, particularly the responsibility to protect intelligence sources and methods, as specified in the National Security Act of 1947, as amended.

15. These restrictions are consistent with and do not supersede conflict with or otherwise alter the employee obligations rights or liabilities created by Executive Order 12958, section 7211 of title 5, United States Code (governing disclosure to Congress); section 1034 of title 10, United States Code, as amended by the Military Whistleblower Protection Act (governing disclosure to Congress by members of the Military); section 2302(b)(8) of title 5, United States Code, as amended by the Whistleblower Protection Act (governing disclosures of illegality, waste, fraud, abuse or public health or safety threats); the Intelligence Identities Protection Act of 1982 (50 U.S.C., 421 et seq.) (governing disclosures that could expose confidential Government agents) and the statutes which protect against disclosure that may compromise the national security, including section 641, 793, 794, 798, and 952 of title 18, United States Code, and section 4(b) of the Subversive Activities Act of 1950 (50 U.S.C. section 783(b)). The definitions, requirements, obligation, rights, sanctions and liabilities created by said Executive Order and listed statutes are incorporated in this Agreement and are controlling.

16. I understand that nothing in this agreement limits or otherwise affects any provision of criminal or other law that may be applicable to the unauthorized disclosure of classified information, including the espionage laws (sections 793, 794 and 798 of title 18, United States Code) and the Intelligence Identities Protection Act of 1982 (P.L. 97-200; 50 U.S.C., 421 et seq.).

17. Each of the numbered paragraphs and lettered subparagraphs of this agreement is severable. If a court should find any of the paragraphs or subparagraphs of this agreement to be unenforceable, I understand that all remaining provisions will continue in full force.

18. I make this agreement in good faith and with no purpose of evasion.

19. This agreement shall be interpreted under and in conformance with the law of the United States.

1. Intending to be legally bound, I hereby accept the obligations contained in this Agreement in consideration of my being granted access to information or material protected within Special Access Programs, hereinafter referred to in this Agreement as Sensitive Compartmented Information (SCI). I have been advised that SCI involves or derives from intelligence sources or methods and is classified or is in process of a classification determination under the standards of Executive Order 12958 or other Executive order or statute. I understand and accept that by being granted access to SCI, special confidence and trust shall be placed in me by the United States Government.
2. I hereby acknowledge that I have received a security indoctrination concerning the nature and protection of SCI, including the procedures to be followed in ascertaining whether other persons to whom I contemplate disclosing this information or material have been approved for access to it, and I understand these procedures. 4. In consideration of being granted access to SCI and of being assigned or retained in a position of special confidence and trust requiring access to SCI, I hereby agree to submit for security review by the Department or Agency that last authorized my access to such information or material, any writing or other preparation in any form, including a work of fiction, that contains or purports to contain any SCI or description of activities that produce or relate to SCI or that I have reason to believe are derived from SCI, that I contemplate disclosing to any person not authorized to have access to SCI or that I have prepared for public disclosure. Subject to such determination, I do not now, nor will I ever, possess any right, interest, title, or claim whatsoever to such information. I agree that I shall return all materials that may have come into my possession or for which I am responsible because of such access, upon demand by an authorized representative of the United States Government or upon the conclusion of my employment or other relationship with the United States Government entity providing me access to such materials. If I do not return such materials upon request, I understand this may be a violation of Section 793, Title 18, United States Code.

SECURITY AGREEMENT

1. I, JAMES GIMMER MITCHELL (print full name), hereby agree to accept as a prior condition of my being employed by, or otherwise retained to perform services for, the Central Intelligence Agency, or for staff elements of the Director of Central Intelligence (hereinafter collectively referred to as the "Central Intelligence Agency"), the obligations contained in this agreement.

2. I understand that in the course of my employment or other service with the Central Intelligence Agency I may be given access to information or material that is classified or is in the process of a classification determination in accordance with the standards set forth in Executive Order 12958 as amended or superseded, or other applicable Executive order, that if disclosed in an unauthorized manner would jeopardize intelligence activities of the United States Government. I accept that by being granted access to such information or material I will be placed in a position of special confidence and trust and become obligated to protect the information and/or material from unauthorized disclosure.

3. In consideration for being employed or otherwise retained to provide services to the Central Intelligence Agency, I hereby agree that I will never disclose in any form or any manner, to any person not authorized by the Central Intelligence Agency to receive it, any information or material in either of the following categories:

a. information or material received or obtained in the course of my employment or other service with the Central Intelligence Agency that is marked as classified or that I know is classified;

b. information or material received or obtained in the course of my employment or other service with the Central Intelligence Agency that I know is in the process of a classification determination.

4. I understand that it is my responsibility to consult with appropriate management authorities in the component or Directorate that employs me or has retained my services, or with the Central Intelligence Agency's Publications Review Board if I am no longer employed by or associated with the Agency, in order to ensure that I know: (1) whether information or material within my knowledge or control that I have reason to believe might be in either of the categories set forth in paragraph 3 is considered by the Central Intelligence Agency to fit in either of those categories; and, (2) whom the Agency has authorized to receive such information or material.

5. As a further condition of the special confidence and trust reposed in me by the Central Intelligence Agency, I hereby agree to submit for review by the Central Intelligence Agency any writing or other preparation in any form, including a work of fiction, which contains any mention of intelligence data or activities, or contains any other information or material that might be based upon either of the categories set forth in paragraph 3, that I contemplate disclosing publicly or that I have actually prepared for public disclosure, either during my employment or other service with the Central Intelligence Agency or at any time thereafter, prior to discussing it with or showing it to anyone who is not authorized to have access to the categories set forth in paragraph 3. I further agree that I will not take any steps toward public disclosure until I have received written permission to do so from the Central Intelligence Agency.

6. I understand that the purpose of the review described in paragraph 5 is to give the Central Intelligence Agency an opportunity to determine whether the information or material that I contemplate disclosing publicly contains any information or material that I have agreed not to disclose. I further understand that the Agency will act upon my submission and make a response to me within a reasonable time. I further understand that if I dispute the Agency's initial determination on the basis that the information or material in question derives from public sources, I may be called upon to specifically identify such sources. My failure or refusal to do so may by itself result in denial of permission to publish or otherwise disclose the information or material in dispute.

7. I understand that all information or material that I may acquire in the course of my employment or other service with the Central Intelligence Agency that fits either of the categories set forth in paragraph 3 of this agreement are and will remain the property of the United States Government unless and until otherwise determined by an appropriate official or final ruling of a court of law. I agree to surrender anything constituting, containing or reflecting such information or material upon demand by an appropriate official of the Central Intelligence Agency, or upon the conclusion of my employment or other service with the Central Intelligence Agency.

8. I agree to notify the Central Intelligence Agency immediately in the event that I am called upon by judicial or congressional authorities, or by specially established investigatory bodies of the executive branch, to testify about, or provide, information or material that I have agreed herein not to disclose. In any communication with any such authority or body, I shall observe all applicable rules or procedures for ensuring that such information and/or material is handled in a secure manner.

9. I understand that nothing contained in this agreement prohibits me from reporting intelligence activities that I consider to be unlawful or improper directly to the Intelligence Oversight Board established by the President, or to any successor body that the President may establish, or to the Select Committee on Intelligence of the House of Representatives or the Senate. I recognize that there are also established procedures for bringing such matters to the attention of the Agency's Inspector General or to the Director of Central Intelligence. In making any report referred to in this paragraph, I will observe all applicable rules or procedures for ensuring the secure handling of any information or material that may be involved. I understand that any such information or material continues to be subject to this agreement for all other purposes and that such reporting does not constitute public disclosure or declassification of that information or material.

10. I understand that a breach of this agreement by me may result in the Central Intelligence Agency taking administrative action against me, which can include temporary loss of pay or termination of my employment or other service with the Central Intelligence Agency. I also understand that if I violate the terms of this agreement, the United States Government may institute a civil proceeding to seek compensatory damages or other appropriate relief. Further, I understand that the disclosure of information that I have agreed herein not to disclose can, in some circumstances, constitute a criminal offense.

11. I understand that the United States Government may, prior to any unauthorized disclosure that is threatened by me, choose to apply to any appropriate court for an order enforcing this agreement. Nothing in this agreement constitutes a waiver on the part of the United States to institute a civil or criminal proceeding for any breach of this agreement by me. Nothing in this agreement constitutes a waiver on my part of any possible defenses I may have in connection with either civil or criminal proceedings that may be brought against me.

12. In addition to any other remedy to which the United States Government may become entitled, I hereby assign to the United States Government all rights, title, and interest in any and all royalties, remunerations, and emoluments that have resulted or will result or may result from any divulgence, publication or revelation of information or material by me that is carried out in breach of paragraph 5 of this agreement or that involves information or material prohibited from disclosure by the terms of this agreement.

13. I understand and accept that, unless I am provided a written release from this agreement or any portion of it by the Director of Central Intelligence or the Director's representative, all the conditions and obligations accepted by me in this agreement apply both during my employment or other service with the Central Intelligence Agency, and at all times thereafter.

14. I understand that the purpose of this agreement is to implement the responsibilities of the Director of Central Intelligence, particularly the responsibility to protect intelligence sources and methods, as specified in the National Security Act of 1947, as amended.

15. These restrictions are consistent with and do not supersede conflict with or otherwise alter the employee obligations rights or liabilities created by Executive Order 12958; section 7211 of title 5, United States Code (governing disclosures to Congress); section 1034 of title 10, United States Code, as amended by the Military Whistleblower Protection Act (governing disclosure to Congress by members of the Military); section 2302(b)(8) of title 5, United States Code, as amended by the Whistleblower Protection Act (governing disclosures of illegality, waste, fraud, abuse or public health or safety threats); the Intelligence Identities Protection Act of 1982 (50 U.S.C., 421 *et seq.*) (governing disclosures that could expose confidential Government agents), and the statutes which protect against disclosure that may compromise the national security, including section 641, 793, 794, 798, and 952 of title 18, United States Code, and section 4(b) of the Subversive Activities Act of 1950 (50 U.S.C. section 783(b)). The definitions, requirements, obligations, rights, sanctions and liabilities created by said Executive Order and listed statutes are incorporated into this Agreement and are controlling.

16. I understand that nothing in this agreement limits or otherwise affects any provision of criminal or other law that may be applicable to the unauthorized disclosure of classified information, including the espionage laws (sections 793, 794 and 798 of Title 18, United States Code) and the Intelligence Identities Protection Act of 1982 (P.L. 97-200; 50 U.S.C., 421 *et seq.*).

17. Each of the numbered paragraphs and lettered subparagraphs of this agreement is severable. If a court should find any of the paragraphs or subparagraphs of this agreement to be unenforceable, I understand that all remaining provisions will continue in full force.

18. I make this agreement in good faith, and with no purpose of evasion.

19. This agreement shall be interpreted under and in conformance with the law of the United States.

SENSITIVE COMPARTMENTED INFORMATION NONDISCLOSURE AGREEMENT

An Agreement Between James Glen Mitchell and the United States
(Name - Printed or Typed)

1. Intending to be legally bound, I hereby accept the obligations contained in this Agreement in consideration of my being granted access to information or material protected within Special Access Programs, hereinafter referred to in this Agreement as Sensitive Compartmented Information (SCI). I have been advised that SCI involves or derives from intelligence sources or methods and is classified or is in the process of a classification determination under the standards of Executive Order 12958 or other Executive order or statute. I understand and accept that by being granted access to SCI, special confidence and trust shall be placed in me by the United States Government.
2. I hereby acknowledge that I have received a security indoctrination concerning the nature and protection of SCI, including the procedures to be followed in ascertaining whether other persons to whom I contemplate disclosing this information or material have been approved for access to it, and I understand these procedures. I understand that I may be required to sign subsequent agreements upon being granted access to different categories of SCI. I further understand that all my obligations under this Agreement continue to exist whether or not I am required to sign such subsequent agreements.
3. I have been advised that the unauthorized disclosure, unauthorized retention, or negligent handling of SCI by me could cause irreparable injury to the United States or be used to advantage by a foreign nation. I hereby agree that I will never divulge anything marked as SCI or that I know to be SCI to anyone who is not authorized to receive it without prior written authorization from the United States Government department or agency (hereinafter Department or Agency) that last authorized my access to SCI. I understand that it is my responsibility to consult with appropriate management authorities in the Department or Agency that last authorized my access to SCI, whether or not I am still employed by or associated with that Department or Agency or a contractor thereof, in order to ensure that I know whether information or material within my knowledge or control that I have reason to believe might be SCI, or related to or derived from SCI, is considered by such Department or Agency to be SCI. I further understand that I am also obligated by law and regulation not to disclose any classified information or material in an unauthorized fashion.
4. In consideration of being granted access to SCI and of being assigned or retained in a position of special confidence and trust requiring access to SCI, I hereby agree to submit for security review by the Department or Agency that last authorized my access to such information or material, any writing or other information in any form, including a work product that contains or purports to contain any SCI or description of activities that produce or result in SCI or that I have reason to believe are derived from SCI, that I contemplate disclosing to any person not authorized to have access to SCI or that I have prepared for public disclosure. I understand and agree that my obligation to submit such preparations for review includes during the course of my access to SCI and thereafter, and I agree to make any required submissions prior to discussing the preparation with or showing it to anyone who is not authorized to have access to SCI. I further agree that I will not disclose the contents of such information to any person not authorized to have access to SCI until I have received written authorization from the Department or Agency that last authorized my access to SCI that such disclosure is permitted.
5. I understand that the purpose of the review described in paragraph 4 is to give the United States a reasonable opportunity to determine whether the preparation submitted pursuant to paragraph 4 sets forth any SCI. I further understand that the Department or Agency to which I have made a submission will act upon it, coordinating with the Intelligence Community when appropriate, and make a response to me within a reasonable time, not to exceed 30 working days from date of receipt.
6. I have been advised that any breach of this Agreement may result in the termination of my access to SCI and removal from a position of special confidence and trust requiring such access, as well as the termination of my employment or other relationships with any Department or Agency that provides me with access to SCI. In addition, I have been advised that any unauthorized disclosure of SCI by me may constitute violations of United States criminal laws, including the provisions of Sections 793, 794, 798, and 952, Title 18, United States Code, and of Section 783(b), Title 50, United States Code. Nothing in this Agreement constitutes a waiver by the United States of the right to prosecute me for any statutory violation.
7. I understand that the United States Government may seek any remedy available to it to enforce this Agreement, including, but not limited to, application for a court order prohibiting disclosure of information in breach of this Agreement. I have been advised that the action can be brought against me in any of the several appropriate United States District Courts where the United States Government may elect to file the action. Costs, expenses and reasonable attorneys fees incurred by the United States Government may be assessed against me if I lose such action.
8. I understand that the information to which I may obtain access by signing this Agreement is my own and will remain the property of the United States Government unless and until otherwise determined by an appropriate official or final ruling of a court of law. Subject to such determination, I do not now, nor will I ever, possess any right, interest, title, or claim whatsoever to such information. I agree that I shall return all materials that may have come into my possession or for which I am responsible because of such access, upon demand by an authorized representative of the United States Government or upon the conclusion of my employment or other relationship with the United States Government entity providing me access to such materials. If I do not return such materials upon request, I understand this may be a violation of Section 793, Title 18, United States Code.
9. Unless and until I am released in writing by an authorized representative of the Department or Agency that last provided me with access to SCI, I understand that all conditions and obligations imposed upon me by this Agreement apply during the time I am granted access to SCI, and at all times thereafter.
10. Each provision of this Agreement is severable. If a court should find any provision of this Agreement to be unenforceable, all other provisions of this Agreement shall remain in full force and effect. This Agreement concerns SCI and does not set forth such other conditions and obligations not related to SCI as may now or hereafter pertain to my employment by or assignment or relationship with the Department or Agency.
11. I have read this Agreement carefully and my questions, if any, have been answered to my satisfaction. I acknowledge that the briefing officer has made available Sections 793, 794, 798, and 952 of Title 18, United States Code, and Section 783(b) of Title 50, United States Code, and Executive Order 12958, as amended, so that I may read them at this time, if I so choose.

FORM 4414 (Replaces Form 4355 which is obsolete and will not be used)

12. I hereby assign to the United States Government all rights, title and interest, all royalties, remunerations, and emoluments that have resulted, will result, or may result from any disclosure, publication, or revelation, consistent with the terms of this Agreement.

13. These restrictions are consistent with and do not supersede conflict with or otherwise alter the employee obligations rights or liabilities created by Executive Order 12958; section 7211 of title 5, United States Code (governing disclosures to Congress); section 1034 of title 10, United States Code, as amended by the Military Whistleblower Protection Act (governing disclosure to Congress by members of the Military); section 2302(b)(8) of title 5, United States Code, as amended by the Whistleblower Protection Act (governing disclosures of illegality, waste, fraud, abuse or public health or safety threats); the Intelligence Identities Protection Act of 1982 (50 USC 421 et seq.) (governing disclosures that could expose confidential Government agents), and the statutes which protect against disclosure that may compromise the national security, including section 641, 793, 794, 798, and 952 of title 18, United States Code, and section 4(b) of the Subversive Activities Act of 1950 (50 U.S.C. section 783(b)). The definitions, requirements, obligations, rights, sanctions and liabilities created by said Executive Order and listed statutes are incorporated into this Agreement and are controlling.

14. This Agreement shall be interpreted under and in conformance with the law of the United States.

15. I make this Agreement without any mental reservation or purpose of evasion.

SECRECY AGREEMENT

1. I, John Bruce Jessen (print full name), hereby agree to accept as a prior condition of my being employed by, or otherwise retained to perform services for, the Central Intelligence Agency, or for staff elements of the Director of Central Intelligence (hereinafter collectively referred to as the "Central Intelligence Agency"), the obligations contained in this agreement.

2. I understand that in the course of my employment or other service with the Central Intelligence Agency I may be given access to information or material that is classified or is in the process of a classification determination in accordance with the standards set forth in Executive Order 12958 as amended or superseded, or other applicable Executive order, that if disclosed in an unauthorized manner would jeopardize intelligence activities of the United States Government. I accept that being granted access to such information or material I will be placed in a position of special confidence and trust and become obligated to protect the information and/or material from unauthorized disclosure.

3. In consideration of being employed or otherwise retained to provide services to the Central Intelligence Agency, I hereby agree that I will never disclose in any form or manner, to any person not authorized by the Central Intelligence Agency to receive it, any information or material in either of the following categories:

a. information or material received or obtained in the course of my employment or other service with the Central Intelligence Agency that is marked as classified or that I know is classified

b. information or material received or obtained in the course of my employment or other service with the Central Intelligence Agency that I know is in the process of a classification determination

4. I understand that it is my responsibility to consult with appropriate management authorities in the component or Directorate that employs me or has retained my services, or with the Central Intelligence Agency's Publications Review Board if I am no longer employed or associated with the Agency, in order to ensure that I know 1) whether information or material within my knowledge or control that I have reason to believe might be in either of these categories set forth in paragraph 3 is considered by the Central Intelligence Agency to fit in either of those categories; and 2) whom the Agency has authorized to receive such information or material.

5. As a further condition of the special confidence and trust reposed in me by the Central Intelligence Agency, I hereby agree to submit for review by the Central Intelligence Agency any writing or other preparation in any form, including a work of fiction, which contains any mention of intelligence data or activities, or contains any other information or material that might be based on either of the categories set forth in paragraph 3, that I contemplate disclosing publicly or that I have actually prepared for public disclosure, either during my employment or other service with the Central Intelligence Agency or at any time thereafter, prior to discussing it with or showing it to anyone who is not authorized to have access to the categories set forth in paragraph 3. I further agree that I will not take any steps towards public disclosure until I have received written permission to do so from the Central Intelligence Agency.

6. I understand that the purpose of the review described in paragraph 5 is to give the Central Intelligence Agency an opportunity to determine whether the information or material that I contemplate disclosing publicly contains any information or material that I have agreed not to disclose. I further understand that the Agency will act upon my submission and make a response to me in a reasonable period of time. I further understand that if I dispute the Agency's initial determination on the basis that the information or material in question derives from public sources, I may be called upon to specifically identify such sources. My failure or refusal to do so may by itself result in denial of permission to publish or otherwise disclose the information or material in dispute.

7. I understand that all information or material that I may acquire in the course of my employment or other service with the Central Intelligence Agency that fits either of the categories set forth in paragraph 3 of this agreement are and will remain the property of the United States Government unless and until otherwise determined by an appropriate official or final ruling of a court of law. I agree to surrender anything constituting, containing or reflecting such information or material upon demand by an appropriate official of the Central Intelligence Agency, or upon conclusion of my employment or other service with the Central Intelligence Agency.

8. I agree to notify the Central Intelligence Agency immediately in the event that I am called upon by judicial or congressional authorities, or by specially established investigatory bodies of the executive branch, to testify about, or provide, information or material that I have agreed herein not to disclose. In any communication with any such authority or body, I shall observe all applicable rules or procedures for ensuring that such information and/or material is handled in a secure manner.

9. I understand that nothing contained in this agreement prohibits me from reporting intelligence activities that I consider to be unlawful or improper directly to the Intelligence Oversight Board established by the President, or to any successor body that the President may establish, or to the Select Committee on Intelligence of the House of Representatives or the Senate. I recognize that there are also established procedures for bringing such matters to the attention of the Agency's Inspector General or to the Director of Central Intelligence. In making any report referred to in this paragraph, I will observe all applicable rules or procedures for ensuring the secure handling of any information or material that may be involved. I understand that any such information or material continues to be subject to this agreement for all other purposes and that such reporting does not constitute public disclosure or declassification of that information or material.

10. I understand that any breach of this agreement by me may result in the Central Intelligence Agency taking administrative action against me, which can include temporary loss of pay or termination of my employment or other service with the Central Intelligence Agency. I also understand that if I violate the terms of this agreement, the United States Government may institute a civil proceeding to seek compensatory damages or other appropriate relief. Further, I understand that the disclosure of information that I have agreed herein not to disclose can, in some circumstances, constitute a criminal offense.
11. I understand that the United States Government may, prior to any unauthorized disclosure that is threatened by me, choose to apply to any appropriate court for an order enforcing this agreement. Nothing in this agreement constitutes a waiver on the part of the United States to institute a civil or criminal proceeding for any breach in this agreement by me. Nothing in this agreement constitutes a waiver on my part of any possible defenses I may have in connection with either civil or criminal proceedings that may be brought against me.
12. In addition to any other remedy to which the United States Government may become entitled, I hereby assign to the United States Government all rights, title, and interest in any and all royalties, remunerations and emoluments that have resulted or will result or may result from any divulgence, publication or revelation of information or material by me that is carried out in breach of paragraph 5 of this agreement or that involves information or material prohibited from disclosure by the terms of this agreement.
13. I understand and accept that, unless I am provided a written release from this agreement or any portion of it by the Director of Central Intelligence or the Director's representative, all the conditions and obligations accepted by me in this agreement apply both during my employment or other service with the Central Intelligence Agency, and at all times thereafter.
14. I understand that the purpose of this agreement is to implement the responsibilities of the Director of Central Intelligence, particularly the responsibility to protect intelligence sources and methods, as specified in the National Security Act of 1947, as amended.
15. These restrictions are consistent with and do not supersede conflict with or otherwise alter the employee obligations rights or liabilities created by Executive Order 12958, section 7211 of title 5, United States Code (governing disclosure to Congress), section 1034 of title 10, United States Code, as amended by the Military Whistleblower Protection Act (governing disclosure to Congress by members of the Military), section 2302(b)(8) of title 5, United States Code, as amended by the Whistleblower Protection Act (governing disclosures of illegality, waste, fraud, abuse or public health or safety threats), the Intelligence Identities Protection Act of 1982 (50 U.S.C. 421 et seq) (governing disclosures that could expose confidential Government agents) and the statutes which protect against disclosure that may compromise the national security, including section 641, 793, 794, 798, and 952 of title 18, United States Code, and section 4(b) of the Subversive Activities Act of 1950 (50 U.S.C. section 783(b)). The definitions, requirements, obligation, rights, sanctions and liabilities created by said Executive Order and listed statutes are incorporated in this Agreement and are controlling.
16. I understand that nothing in this agreement limits or otherwise affects any provision of criminal or other law that may be applicable to the unauthorized disclosure of classified information, including the espionage laws (sections 793, 794 and 798 of title 18, United States Code) and the Intelligence Identities Protection Act of 1982 (P.L. 97-200, 50 U.S.C. 421 et seq.).
17. Each of the numbered paragraphs and lettered subparagraphs of this agreement is severable. If a court should find any of the paragraphs or subparagraphs of this agreement to be unenforceable, I understand that all remaining provisions will continue in full force.
18. I make this agreement in good faith and with no purpose of evasion.
19. This agreement shall be interpreted under and in conformance with the law of the United States.

SENSITIVE COMPARTMENTED INFORMATION NONDISCLOSURE AGREEMENT I

An agreement between

John Bruce Jessen
(Name - Printed or Typed)

and the United States.

1. Intending to be legally bound, I hereby accept the obligations contained in this Agreement in consideration of my being granted access to information or material protected within Special Access Programs, hereinafter referred to in this Agreement as Sensitive Compartmented Information (SCI). I have been advised that SCI involves or derives from intelligence sources or methods and is classified or is in process of a classification determination under the standards of Executive Order 12958 or other Executive order or statute. I understand and accept that by being granted access to SCI, special confidence and trust shall be placed in me by the United States Government.
2. I hereby acknowledge that I have received a security indoctrination concerning the nature and protection of SCI, including the procedures to be followed in ascertaining whether other persons to whom I contemplate disclosing this information or material have been approved for access to it, and I understand these procedures. I understand that I may be required to sign subsequent agreements upon being granted access to different categories of SCI. I further understand that all my obligations under this agreement continue to exist whether or not I am required to sign such subsequent agreements.
3. I have been advised that the unauthorized disclosure, unauthorized retention, or negligent handling of SCI by me could cause irreparable injury to the United States or be used to advantage by a foreign nation. I hereby agree that I will never divulge anything marked as SCI or that I know to be SCI to anyone who is not authorized to receive it without prior written authorization from the United States Government department or agency (hereinafter Department or Agency) that last authorized my access to SCI. I understand that it is my responsibility to consult with appropriate management authorities in the Department or Agency that last authorized my access to SCI, whether or not I am still employed by or associated with that Department or Agency or a contractor thereof, in order to ensure that I know whether information or material within my knowledge or control that I have reason to believe might be, or related to or derived from SCI, is considered by such Department or Agency to be SCI. I further understand that I am also obligated by law and regulation not to disclose any classified information or material in an unauthorized fashion.
4. In consideration of being granted access to SCI and of being assigned or retained in a position of special confidence and trust requiring access to SCI, I hereby agree to submit for security review by the Department or Agency that last authorized my access to such information or material, any writing or other preparation in any form, including a work of fiction, that contains or purports to contain any SCI or description of activities that produce or relate to SCI or that I have reason to believe are derived from SCI, that I contemplate disclosing to any person not authorized to have access to SCI or that I have prepared for public disclosure. I understand and agree that my obligation to submit such preparations for review applies during the course of my access to SCI and thereafter, and I agree to make any required submissions prior to discussing the preparation with, or showing it to, anyone who is not authorized to have access to SCI. I further agree that I will not disclose the contents of such preparation with, or showing it to, anyone who is not authorized to have access to SCI until I have received written authorization from the Department or Agency that last authorized my access to SCI that such disclosure is permitted.
5. I understand that the purpose of the review described in paragraph 4 is to give the United States a reasonable opportunity to determine whether the preparation submitted pursuant to paragraph 4 sets forth any SCI. I further understand that the Department or Agency to which I have made a submission will act upon it, coordinating within the Intelligence Community when appropriate, and make a response to me within a reasonable time, not to exceed 30 working days from date of receipt.
6. I have been advised that any breach of this Agreement may result in my termination of my access to SCI and removal from a position of special confidence and trust requiring such access, as well as the termination of my employment or other relationships with any Department or Agency that provides me with access to SCI. In addition, I have been advised that any unauthorized disclosure of SCI by me may constitute violations of United States criminal laws, including provisions of Sections 793, 794, 798, and 952, Title 18, United States Code, and of Section 783(b), Title 50, United States Code. Nothing in this agreement constitutes a waiver by the United States of the right to prosecute me for any statutory violation.
7. I understand that the United States Government may seek any remedy available to it to enforce this Agreement including, but not limited to, application for a court order prohibiting disclosure of information in breach of this Agreement. I have been advised that the action can be brought against me in any of the several appropriate United States District Courts where the United States Government may elect to file the action. Court costs and reasonable attorneys fees incurred by the United States Government may be assessed against me if I lose such action.
8. I understand that all information to which I may obtain access by signing this Agreement is now and will remain the property of the United States Government unless and until otherwise determined by an appropriate official or final ruling of a court of law. Subject to such determination, I do not now, nor will I ever, possess any right, interest, title, or claim whatsoever to such information. I agree that I shall return all materials that may have come into my possession or for which I am responsible because of such access, upon demand by an authorized representative of the United States Government or upon the conclusion of my employment or other relationship with the United States Government entity providing me access to such materials. If I do not return such materials upon request, I understand this may be a violation of Section 793, Title 18, United States Code.
9. Unless and until I am released in writing by an authorized representative of the Department or Agency that last provided me with access to SCI, I understand that all conditions and obligations imposed on me by this Agreement apply during the time I am granted access to SCI, and at all times thereafter.
10. Each provision of this Agreement is severable. If a court should find any provision of this Agreement to be unenforceable, all other provisions of this Agreement shall remain in full force and effect. This Agreement concerns SCI and does not set forth such other conditions and obligations not related to SCI as may now or hereafter pertain to my employment by or assignment or relationship with the Department or Agency.
